Puritan Punishment:

Puritan Family Life Judith S. Graham, 2000 The diary of a prominent Boston jurist and merchant whose nurturing relationship with his family contradicted the Puritan stereotype

Punishment Terance D. Miethe, Hong Lu, 2005 This 2005 book examines punishment in different forms including corporal and economic punishment

The Puritan Tradition in America, 1620-1730 Alden T. Vaughan, 1972 A classic documentary collection on New England's Puritan roots is once again available with new material

The Puritan Ordeal Andrew Delbanco, 2009-07-01 More than an ecclesiastical or political history this book is a vivid description of the earliest American immigrant experience It depicts the dramatic tale of the seventeenth century newcomers to our shores as they were drawn and pushed to make their way in an unsettled and unsettling world

Curious Punishments Of Bygone Days Alice Morse Earle, 2024-02-03 Excerpt In ransacking old court records newspapers diaries and letters for the historic foundation of the books which I have written on colonial history I have found and noted much of interest that has not been used or referred to in any of those books An accumulation of notes on old time laws punishments and penalties has evoked this volume The subject is not a pleasant one though it often has a humorous element but a punishment that is obsolete gains an interest and dignity from antiquity and its history becomes endurable because it has a past only and no future That men were pilloried and women ducked by our law abiding forbears rouses a thrill of hot indignation which dies down into a dull ember of curiosity when we reflect that they will never be pilloried or ducked again An old time writer dedicated his book to All curious and ingenious gentlemen and gentlewomen who can gain from acts of the past a delight in the present days of virtue wisdom and the humanities It does not detract from the good intent and complacency of these old words that the writer lived in the days when the pillory stocks and whipping post stood brutally rampant in every English village

Curious Punishments of Bygone Days Alice Morse Earle, 1995 Alice Morse Earle was a social historian of great note at the turn of the century and many of her books have lived on as well researched and well written texts of everyday life in Colonial America *Curious Punishments of Bygone Days* was published in 1896 It is a catalog of early American crimes and their penalties with chapters on the pillories stocks the scarlet letter the ducking stool discipline of authors and books egad and four other horrifying examples of ways in which those who transgressed the laws of Colonial America were made to pay for their sins

Punishment and Modern Society David Garland, 2012-04-26 In this path breaking book David Garland argues that punishment is a complex social institution that affects both social relations and cultural meanings Drawing on theorists from Durkheim to Foucault he insightfully critiques the entire spectrum of social thought concerning punishment and reworks it into a new interpretive synthesis *Punishment and Modern Society* is an outstanding delineation of the sociology of punishment At last the process that is surely the heart and soul of criminology and perhaps of sociology as well punishment has been rescued from the fringes of these disciplines This book is a first class piece of scholarship Graeme Newman *Contemporary Sociology* Garland's treatment of the theorists

he draws upon is erudite faithful and constructive Punishment and Modern Society is a magnificent example of working social theory John R Sutton American Journal of Sociology Punishment and Modern Society lifts contemporary penal issues from the mundane and narrow contours within which they are so often discussed and relocates them at the forefront of public policy This book will become a landmark study Andrew Rutherford Legal Studies This is a superbly intelligent study Its comprehensive coverage makes it a genuine review of the field Its scholarship and incisiveness of judgment will make it a constant reference work for the initiated and its concluding theoretical synthesis will make it a challenge and inspiration for those undertaking research and writing on the subject As a state of the art account it is unlikely to be bettered for many a year Rod Morgan British Journal of Criminology Winner of both the Outstanding Scholarship Award of the Crime and Delinquency Division of the Society for the Study of Social Problems and the Distinguished Scholar Award from the American Sociological Association s Crime Law and Deviance Section

Cultures of Letters Richard H. Brodhead, 1993 Richard H Brodhead uses a great variety of historical sources many of them considered here for the first time to reconstruct the institutionalized literary worlds that coexisted in nineteenth century America the middle class domestic culture of letters the culture of mass produced cheap reading the militantly hierarchical high culture of the post Civil War decades and the literary culture of post emancipation black education Moving across a range of writers familiar and unfamiliar and relating groups of writers often considered in artificial isolation Brodhead describes how these socially structured worlds of writing shaped the terms of literary practice for the authors who inhabited them

Sex and Punishment Eric Berkowitz, 2013-04-03 Sex and Punishment tells the story of the struggle throughout millennia to regulate the most powerful engine of human behaviour sex From the savage impalement of an Ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde for gross indecency in 1895 Eric Berkowitz evokes the entire sweep of Western sex law The cast of Sex and Punishment is as varied as the forms taken by human desire itself royal mistresses gay charioteers medieval transvestites lonely goat lovers prostitutes of all stripes and London rent boys Each of them had forbidden sex and each was judged and justice as Berkowitz shows rarely had anything to do with it

Curious Punishments Earle, 2012-09-11 In Curious Punishments of Bygone Days the punishment did not always fit the crime as this fine old illustrated history of wrath and righteousness shows One of the earliest institutions in every New England community was a pair of stocks The first public building was a meeting house but often before any house of God was built the devil got his restraining engine And who were the heinous criminals that the righteous put in the stocks The punishment generally in England and America both was for petty thieves unruly servants Sabbath breakers revilers gamblers drunkards ballad singers fortunetellers traveling musicians and a variety of other offenders

History of the Pilgrims and Puritans Joseph Dillaway Sawyer,1922 *The Boundaries of Freedom of Expression & Order in American Democracy* Thomas R. Hensley,2001 On Monday May 4th 1970 members of the Ohio National Guard fired 61 rounds of bullets into the Kent State University students protesting about the invasion of Cambodia This work develops the ideas of the first symposium on American democracy established to commemorate the tragedy Literature, Intertextuality, and the American Revolution Steven Blakemore,2012-08-31 Dealing with Thomas Paine s Common Sense 1776 John Trumbull s M Fingal 1776 82 Philip Freneau s The British Prison Ship 1781 J Hector St John de Cr vecoeur s Letters from an American Farmer 1782 and Washington Irving s Rip Van Winkle 1819 20 Steven Blakemore breaks new ground in assessing the strategies of subversion and intertextuality used during the American Revolution Blakemore also crystallizes the historical contexts that link these works together contexts that have been missed or overlooked by critics and scholars The five works additionally illuminate issues of history The Norman Conquest the English Civil War and the French Revolution and gender as they impinge on American revolutionary discourse The result is five new readings of significant revolutionary era works that suggest fruitful entries into other literatures of the Revolution Blakemore demonstrates the nexus between literature and history in the revolutionary era and how it created an intertextual dialogue in the formation of the first postcolonial critiques of the British Empire **New Dictionary of Christian Ethics & Pastoral Theology** David J. Atkinson,David F. Field,Arthur F. Holmes,Oliver O'Donovan,2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donovan *Barkers' Review of Politics, Literature, Religion, and Morals, and Journal of Education, Science, and Co-operation* Joseph Barker,1862 The Sins of the Fathers Frederick Crews,1966 Frederick Crews s The Sins of the Fathers Hawthorne s Psychological Themes has become a classic in the field of Hawthorne studies and can be considered one of the most intelligent psychoanalytic readings of a major American writer Joel Porte Cornell University The best book we have on Hawthorne bar none Giles Gunn University of California Santa Barbara **Torture and Democracy** Darius Rejali,2009-06-08 This is the most comprehensive and most comprehensively chilling study of modern torture yet written Darius Rejali one of the world s leading experts on torture takes the reader from the late nineteenth century to the aftermath of Abu Ghraib from slavery and the electric chair to electrocution in American inner cities and from French and British colonial prison cells and the Spanish American War to the fields of Vietnam the wars of the Middle East and the new democracies of Latin America and Europe As Rejali traces the development and application of one torture technique after another in these settings he reaches startling conclusions As the

twentieth century progressed he argues democracies not only tortured but set the international pace for torture Dictatorships may have tortured more and more indiscriminately but the United States Britain and France pioneered and exported techniques that have become the lingua franca of modern torture methods that leave no marks Under the watchful eyes of reporters and human rights activists low level authorities in the world s oldest democracies were the first to learn that to scar a victim was to advertise iniquity and invite scandal Long before the CIA even existed police and soldiers turned instead to clean techniques such as torture by electricity ice water noise drugs and stress positions As democracy and human rights spread after World War II so too did these methods Rejali makes this troubling case in fluid arresting prose and on the basis of unprecedented research conducted in multiple languages and on several continents begun years before most of us had ever heard of Osama bin Laden or Abu Ghraib The author of a major study of Iranian torture Rejali also tackles the controversial question of whether torture really works answering the new apologists for torture point by point A brave and disturbing book this is the benchmark against which all future studies of modern torture will be measured [Hellfire Nation](#) James A. Morone,2004-01-01 Annotation Although the US is proud of being a secular state religion lies at the heart of American politics This volume looks at how the country came to have the soul of a church the consequences the moral crusades against slavery alcohol witchcraft discrimination that time again have prevailed upon the nation **Scenes of Nature, Signs of Men** Tony Tanner,1989-08-25 This book is about the relationship of the American writer to his land and language to the scene and the sign to the natural landscape and the inscriptions imposed upon it by men Among the questions considered in the first section of the book are how does American Romantic writing differ from European what are the peculiar problems faced by the American artist and what roles does he adopt to tackle them what kind of writing results when authors as different as Henry Adams and Mark Twain lament the vanishing of an earlier America or when Adams and Henry James review their complex relationship to their homeland or when W D Howells and Stephen Crane seek to define their themes in a specifically American setting The second section of the book examines similar concerns in a number of contemporary writers notably Thomas Pynchon John Barth Donald Barthelme John DeLillo and William Gass
