## **Puritanism And Revolution:**

**Puritanism and Revolution** Christopher Hill, 2001 This illuminating collection of essays assesses the seventeenth century interpreting what used to be called The Puritan Revolution the ideas which helped to produce it and resulted from it and the relation between these ideas and the political and economic events of the day Each essay approaches the subject from a different angle looking at aspects of the revolution whether religious constitutional economic or biographical in conjunction with a lively sympathy for the men who lived in that revolutionary time Analysing the writings of Marvell Hobbes Harrington and Samuel Richardson as well as less respectable writers Professor Hill examines the legacy of the Reformation and the inspiration provided by ideals like the Brotherhood of Man and the desire to re create a pre Norman Golden Age A book that no serious student of our history should miss it is a treasury of interesting detail and strong ideas CV Wedgwood

**Puritanism & Revolution** Christopher Hill, 2011-04-30 This illuminating collection of essays assesses the seventeenth century interpreting what used to be called The Puritan Revolution the ideas which helped to produce it and resulted from it and the relation between these ideas and the political and economic events of the day Each essay approaches the subject from a different angle looking at aspects of the revolution whether religious constitutional economic or biographical in conjunction with a lively sympathy for the men who lived in that revolutionary time Analysing the writings of Marvell Hobbes Harrington and Samuel Richardson as well as less respectable writers Professor Hill examines the legacy of the Reformation and the inspiration provided by ideals like the Brotherhood of Man and the desire to re create a pre Norman Golden Age A book that no serious student of our history should miss it is a treasury of interesting detail and strong ideas CV Wedgwood

Puritanism & Revolution Christopher Hill, 1995 This illuminating collection of essays assesses the 17th century interpreting what used to be called The Puritan Revolution      **Puritanism and Revolution** NA NA, 1997-10-15 This illuminating collection of essays assesses the 17th century interpreting what used to be called The Puritan Revolution the ideas which helped to produce it and resulted from it and the relations between these ideas and the political events of the day      **Puritanism and Revolution** NA NA, 2016-04-30 This illuminating collection of essays assesses the 17th century interpreting what used to be called The Puritan Revolution the ideas which helped to produce it and resulted from it and the relations between these ideas and the political events of the day      The Puritan Revolution Stuart E. Prall, 2020-11-05 Originally published in 1968 the documents collected in this volume all re set for ease of reading trace the history of the Puritan Revolution from its roots in the early seventeenth century to the Restoration They show how the causes and the course of the upheaval were reflected immediately and polemically in the torrent of books tracts and pamphlets letters speeches sermons petitions paper constitutions and government instruments that accompanied and often precipitated events The documents substantiate the conviction of many scholars that the English Revolution represented a shaking of society comparable to the French and Russian revolutions The Introduction discusses the work of historians of modern day historians

of the period and contributes to the debate about the underlying causes of the crisis *Puritanism and Revolution* John Christopher Hill, 1964

**Reflections on the Puritan Revolution** A.L. Rowse, 2023-04-17 Reflections on the Puritan Revolution 1986 examines the damage done by the Puritans during the English Civil War and the enormous artistic losses England suffered from their activities The Puritans smashed stained glass monuments sculpture brasses in cathedrals and churches they destroyed organs dispersed the choirs and the music They sold the King's art collections pictures statues plate gems and jewels abroad and broke up the Coronation regalia They closed down the theatres and ended Caroline poetry The greatest composer and most promising scientist of the age were among the many lives lost and this all besides the ruin of palaces castles and mansions *Liberty and Reformation in the Puritan Revolution* William Haller, 1955

**Social Problems and Policy During the Puritan Revolution** Margaret James, 2020-12-16 Originally published in 1930 and reprinted in 1966 this book focusses on the social and economic developments of the Puritan revolution aspects which are often overlooked in favour of the political Using archival resources this study shows that the period 1640-1660 was one of change and experiment in the social as well as political sphere Particular focus is given to the depression in industry and agriculture and the resultant increase in poverty and unemployment The extent to which the traditional authority of church and state was weakened is also discussed *The Puritan Revolution and the English Civil War* Stuart E. Prall, 2002 A combination of an account of the dominant political religious social economic and military issues of the Civil War and the Commonwealth and Protectorate that followed It argues that the revolution was both a political constitutional and religious conflict *Society and Puritanism in Pre-revolutionary England* John Edward Christopher Hill, 1969

*Social Problems and Policy During the Puritan Revolution 1640-1660* Margaret James, 1930 *Pride's Purge* David Underdown, 1971 *Tracts on Liberty in the Puritan Revolution* William Haller, 1979 *Tracts on Liberty in the Puritan Revolution, 1638-1647* William Haller, 1934 *The Puritan Revolution* Stuart E. Prall, 1968 *The Royalists during the Puritan Revolution* Paul H. Hardacre, 2013-06-29 The royalists of the puritan revolution although amply noticed in martyrologies and other forms of contemporary writing have since been largely neglected and no comprehensive modern account has previously been published The late Sir Charles Firth's paper *The Royalists under the Protectorate* 1 was originally intended as a lecture was necessarily rather brief and covers only part of the period examined in this study However I am under heavy obligations to it as will appear Dr Keith Feiling's study of the Tory party while touching upon the civil war years is naturally primarily concerned with the period after 1660 2 A need exists therefore for a fresh examination of the history of the royalists based not only on their own accounts of their hardships but on other material as well Such an inquiry should elucidate the development of the royalists as a party and the history of the various revolutionary governments of the times It should furnish as well an essential introduction to the history of the restoration settlement and to the later history of parties To supply such an investigation is the purpose of this study Emphasis throughout has been on the economic and social conditions of the

royalists as the story of their military contributions to the king and of their plots against the revolutionary governments has been adequately treated in the standard historical accounts. No attempt has been made to discuss the royalists' place in the intellectual history of the age.

**Milton in the Puritan Revolution** Don M. Wolfe, 1941 Presented as a left wing radical challenging traditions church and state the impulse arising from his own rebellious individualism

John Goodwin and the Puritan Revolution John Coffey, 2006 A major contribution to our understanding of the English Revolution Ann Hughes Professor of Early Modern History Keele University John Goodwin 1594-1665 was one of the most prolific and controversial writers of the English Revolution his career illustrates some of the most important intellectual developments of the seventeenth century. Educated at Queens College Cambridge he became vicar of a flagship Puritan parish in the City of London. During the 1640s he wrote in defence of the civil war the army revolt Pride's Purge and the regicide only to turn against Cromwell in 1657. Finally repudiating religious uniformity he became one of England's leading tolerationists. This richly contextualised study the first modern intellectual biography of Goodwin explores the whole range of writings produced by him and his critics. Amongst much else it shows that far from being a maverick individualist Goodwin enjoyed a wide readership pastored one of London's largest Independent congregations and was well connected to various networks. Hated and admired by Anglicans Presbyterians and Levellers he provides us with a new perspective on contemporaries like Richard Baxter and John Milton. It will be of special interest to students of Puritanism the English Revolution and early modern intellectual history. JOHN COFFEY is Professor of Early Modern History at the University of Leicester.

## The Enigmatic Realm of **Puritanism And Revolution**: Unleashing the Language is Inner Magic
