Purple Heart:

For Military Merit Fred L. Borch, 2021-05-25 This book provides a brief history of the Purple Heart with a focus on how the decoration's award criteria have evolved over the last 75 years **The Legacy of the Purple Heart**, 2001 **Purple Heart** Andrew Fiu, 2013-03-01 An affecting insightful and warm memoir of growing up Samoan in New Zealand and of coping with heart disease Andrew Fiu came to Ponsonby Auckland as a three year old part of the wave of immigration from Samoa that turned Auckland's inner city suburbs into a vibrant cultural melting pot At 14 he was misdiagnosed as having flu when in fact he had rheumatic fever a disease endemic in Pacific Island communities As a result of the damage to his heart he was rushed to hospital Since that time Andrew has had five open heart surgeries a record anywhere He has spent so much time in hospital that he says he grew up there experiencing tender and expert care from doctors and nurses but also enduring appalling racism This memoir is the story of his hospital years his clashes with his parents traditional attitudes the wisdom he learnt from his fellow patients and the medical miracles performed on his heart by famous surgeon Alan Kerr It's the story of growing up a Pacific Islander in Auckland a reflection on the bad old days when schools made Pacific Island children anglicise their names and hospitals did not have translators an insight into the inter generational tensions in Pacific Island migrant families and also a testimony to deep friendship boundless love and bucketloads of humour Written in a warm personable and humorous style this book is part of the cultural sea change happening in New Zealand first the play Niu Sila then Bro Town No 2 and Sione's Wedding and now the first memoir from a 40 something Samoan written with grace love and insight The Weekend Herald's Canvas magazine wrote Written with verve and humour Purple Heart is a revelation The New Zealand Listener singled it out as one of the year's best memoirs praising its humour light touch and lack of self pity **The Purple Heart in History** Military Order of the Purple Heart, 1941 Purple Heart Patricia McCormick, 2024-04-16 When Private Matt Duffy wakes up in an army hospital in Iraq he's honored with a Purple Heart But he doesn't feel like a hero There's a memory that haunts him an image of a young Iraqi boy as a bullet hits his chest Matt can't shake the feeling that he was somehow involved in his death But because of a head injury he sustained just moments after the boy was shot Matt can't quite put all the pieces together Eventually Matt is sent back into combat with his squad Justin Wolf and Charlene the soldiers who have become his family during his time in Iraq He just wants to go back to being the soldier he once was But he sees potential threats everywhere and lives in fear of not being able to pull the trigger when the time comes In combat there is no black and white and Matt soon discovers that the notion of who is guilty is very complicated indeed National Book Award Finalist Patricia McCormick has written a visceral and compelling portrait of life in a war zone where loyalty is valued above all and death is terrifyingly commonplace **The 86th Chemical Mortar Battalion Presents Its Battle History** United States. Giangreco,2017-10-15 Two years before the atomic attacks on Hiroshima and Nagasaki helped bring a quick end to hostilities in the summer of 1945 U S planners began work on Operation Downfall codename for the Allied invasions of Kyushu and Honshu in the Japanese home islands While other books have examined Operation Downfall D M Giangreco offers the most complete and exhaustively researched consideration of the plans and their implications He explores related issues of the first operational use of the atomic bomb and the Soviet Union s entry into the war including the controversy surrounding estimates of potential U S casualties Following years of intense research at numerous archives Giangreco now paints a convincing and horrific picture of the veritable hell that awaited invader and defender In the process he demolishes the myths that Japan was trying to surrender during the summer of 1945 and that U S officials later wildly exaggerated casualty figures to justify using the atomic bombs to influence the Soviet Union As Giangreco writes Both sides were rushing headlong toward a disastrous confrontation in the Home Islands in which poison gas and atomic weapons were to be employed as MacArthur s intelligence chief Charles Willoughby succinctly put it a hard and bitter struggle with no quarter asked or given Hell to Pay examines the invasion of Japan in light of the large body of Japanese and American operational and tactical planning documents the author unearthed in familiar and obscure archives It includes postwar interrogations and reports that senior Japanese commanders and their staffs were ordered to produce for General MacArthur s headquarters This groundbreaking history counters the revisionist interpretations questioning the rationale for the use of the atomic bomb and shows that President Truman s decision was based on real estimates of the enormous human cost of a conventional invasion This revised edition of Hell to Pay expands on several areas covered in the previous book and deals with three new topics U S Soviet cooperation in the war against Imperial Japan U S Soviet and Japanese plans for the invasion and defense of the northernmost Home Island of Hokkaido and Operation Blacklist the three phase insertion of American occupation forces into Japan It also contains additional text relevant archival material supplemental photos and new maps making this the definitive edition of an important historical work Assembly West Point Association of Graduates (Organization),1942 **Carolinas Getting Started Garden Guide** Toby Bost,2015-03-25 This regional gardening and plant selecting guide will make sure your garden is as beautiful and varied as the Carolinas themselves
