Purple Passage The Life Of Mrs Frank Leslie:

Purple Passage Madeleine B. Stern, 1953 Beyond the Lines Joshua Brown, 2023-04-28 In this wonderfully illustrated book Joshua Brown shows that the wood engravings in the illustrated newspapers of Gilded Age America were more than a quaint predecessor to our own sophisticated media As he tells the history and traces the influence of Frank Leslie s Illustrated Newspaper with relevant asides to Harper's Weekly the New York Daily Graphic and others Brown recaptures the complexity and richness of pictorial reporting He finds these images to be significant barometers for gauging how the general public perceived pivotal events and crises the Civil War Reconstruction important labor battles and more This book is the best available source on the pictorial riches of Frank Leslie's newspaper and the only study to situate these images fully within the social context of Gilded Age America Beyond the Lines illuminates the role of illustration in nineteenth century America and gives us a new look at how the social milieu shaped the practice of illustrated journalism and was in turn shaped by it In this wonderfully illustrated book Joshua Brown shows that the wood engravings in the illustrated newspapers of Gilded Age America were more than a quaint predecessor to our own sophisticated media As he tells the history and traces The Fall of the House of Wilde Emer O'Sullivan, 2016-10-04 The first biography of Oscar Wilde the influence of DIV that places him within the context of his family and social and historical milieu a compelling volume that finally tells the whole story It's widely known that Oscar Wilde was precociously intellectual flamboyant and hedonistic but lesser so that he owed these characteristics to his parents Oscar's mother Lady Jane Wilde rose to prominence as a political journalist advocating a rebellion against colonialism in 1848 Proud involved and challenging she opened a salon and was known as the most scintillating hostess of her day She passed on her infectious delight in the art of living to Oscar who drank it in greedily His father Sir William Wilde was acutely conscious of injustices of the social order He laid the foundations for the Celtic cultural renaissance in the belief that culture would establish a common ground between the privileged and the poor Protestant and Catholic But Sir William was also a philanderer and when he stood accused of sexually assaulting a young female patient the scandal and trial sent shockwaves through Dublin society After his death the Wildes decamped to London where Oscar burst irrepressibly upon the scene The one role that didn t suit him was that of Victorian husband as his wife Constance was to discover For beneath his swelling head was a self destructive itch a lifelong devourer of attention Oscar was unable to recognize when the party was over Ultimately his trial for indecency heralded the death of decadence and his own In a major repositioning of our first modern celebrity The Fall of the House of Wilde identifies Oscar Wilde as a member of one of the most dazzling Irish American families of Victorian times and places him in the broader social political and religious context It is a fresh and perceptive account of one of the most prominent characters of the late nineteenth century

Suffrage Ellen Carol DuBois,2021-02-23 Honoring the 100th anniversary of the 19th amendment to the Constitution this indispensable book Ellen Chesler Ms magazine explores the full scope of the movement to win the vote for women through

portraits of its bold leaders and devoted activists Distinguished historian Ellen Carol DuBois begins in the pre Civil War years with foremothers Lucretia Mott Elizabeth Cady Stanton Susan B Anthony and Sojurner Truth as she meticulously and vibrantly chronicles Booklist the links of the woman suffrage movement to the abolition of slavery After the Civil War Congress granted freed African American men the right to vote but not white and African American women a crushing disappointment DuBois shows how suffrage leaders persevered through the Jim Crow years into the reform era of Progressivism She introduces new champions Carrie Chapman Catt and Alice Paul who brought the fight to the 20th century and she shows how African American women led by Ida B Wells Barnett demanded voting rights even as white suffragists ignored them DuBois explains how suffragists built a determined coalition of moderate lobbyists and radical demonstrators in forging a strategy of winning voting rights in crucial states to set the stage for securing suffrage for all American women in the Constitution In vivid prose DuBois describes suffragists final victories in Congress and state legislatures culminating in the last most difficult ratification in Tennessee Ellen DuBois enables us to appreciate the drama of the long battle for women s suffrage and the heroism of many of its advocates Eric Foner author of The Second Founding How the Civil War and Reconstruction Remade the Constitution DuBois follows women s efforts to use their voting rights to win political office increase their voting strength and pass laws banning child labor ensuring maternal health and securing greater equality for women Suffrage Women s Long Battle for the Vote is a comprehensive history that deftly tackles intricate political complexities and conflicts and still somehow read with nail biting suspense The Guardian and is sure to become the authoritative account of one of the great episodes in the history of American democracy The Lost Stories of Louisa May Alcott Louisa May Alcott, 1995 From the author of anonymous and pseudonymous tales comes a collection on nine newly discovered stories uncovered by tireless literary detective work

The Dime Novel Companion | Randolph Cox, 2000-05-30 This encyclopedic guide to the American dime novel contains over 1 200 entries on serial publications major writers and editors publishers and major characters fiction genres themes and locales An introduction provides a brief history of the dime novel A discussion of dime novel scholarship includes a selected directory of libraries and museums with significant collections of dime novels An appendix contains a publishing chronology of the more than 300 serial publications and a selected bibliography suggests further reading This comprehensive reference will appeal to popular culture scholars and to dime novel collectors As an important research tool entries are cross referenced throughout An index is included

Iron Women Chris Enss,2021-03-01 2022 Will Rogers Medallion Award Silver Winner for Western Non Fiction When the last spike was hammered into the steel track of the Transcontinental Railroad on May 10 1869 at Promontory Point Utah Western Union lines sounded the glorious news of the railroad s completion from New York to San Francisco For more than five years an estimated four thousand men mostly Irish working west from Omaha and Chinese working east from Sacramento moved like a vast assembly line toward the end of the track Editorials in newspapers and magazines praised the

accomplishment and some boasted that the work that was begun carried on and completed solely by men The August edition of Godey's Lady's Book even reported No woman had laid a rail and no woman had made a survey Although the physical task of building the railroad had been achieved by men women made significant and lasting contributions to the historic operation However the female connection with railroading dates as far back as 1838 when women were hired as registered nurses stewardesses in passenger cars Those ladies attended to the medical needs of travelers and also acted as hostesses of sorts helping passengers have a comfortable journey Beyond nursing and service roles however women played a larger part in the actual creation of the rail lines than they have been given credit for Miss E F Sawyer became the first female telegraph operator when she was hired by the Burlington Railroad in Montgomery Illinois in 1872 Eliza Murfey focused on the mechanics of the railroad creating devices for improving the way bearings on a rail wheel attached to train cars responded to the axles Murfey held sixteen patents for her 1870 invention In 1879 another woman inventor named Mary Elizabeth Walton developed a system that deflected emissions from the smoke stacks on railroad locomotives. She was awarded two patents for her pollution reducing device Their stories and many more are included in this illustrated volume celebrating women and the railroad **Alva Vanderbilt Belmont** Sylvia D. Hoffert, 2018-11-01 A fascinating biography of the New York socialite who played a surprising role in the fight for suffrage Born in the middle of the nineteenth century Alva Vanderbilt Belmont was known to be domineering temperamental and opinionated She married two millionaires and pressured her daughter to wed an aristocrat This resolve to get her own way regardless of the consequences stood her in good stead when she joined the American woman suffrage movement in 1909 Thereafter she used her wealth her administrative expertise and her social celebrity to help convince Congress to pass the 19th Amendment and then to persuade the exhausted leaders of the National Woman's Party to initiate a worldwide equal rights campaign In this book Sylvia D Hoffert argues that Belmont was a feminist visionary and that her financial support was crucial to the success of the suffrage and equal rights movements She also shows how Belmont's activism and the money she used to support it enriches our understanding of the personal dynamics of the American woman's rights movement Drawing upon and analyzing Belmont's own memoirs she illustrates how this determined woman went about the complex and collaborative process of creating her public self Engaging Highly recommended Choice *Inside the Dream Palace* Sherill Tippins,2013 The history of New York's legendary Chelsea Hotel where artists of all stripes legends themselves have lived and loved and worked for more than a century Women Writers of the American West, 1833-1927 Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves **Seductress** Betsy Prioleau, 2004-10-26 In this road map to restoring feminine sexual power Betsy Prioleau introduces and analyzes the stories

and stratagems of history's greatest seductresses. These are the women who ravished the world from such classic figures as Cleopatra and Mae West to such lesser known women as the infamous Violet Gordon Woodhouse who lived in a minage with four men Smarts imagination courage and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life Through an expos of their secrets Seductress provides an authoritative empowering guide to erotic sovereignty. California's Daughter Emily Wortis Leider,1991 Traces the life of the controversial turn of the century American novelist and describes how she overcame the social restrictions on women to become a writer. Bookends Leona Rostenberg, Madeleine B. Stern, 2001 The rare book dealers who delighted readers with the history of their bookselling days in Old Books Rare Friends offer an intimate look at the joys of a friendship that has lasted more than half a century of photos

American Antiquities Terry A. Barnhart, 2015-11-01 Writing the history of American archaeology especially concerning eighteenth and nineteenth century arguments is not always as straightforward as it might seem Archaeology s trajectory from an avocation to a semi profession to a specialized profession rather than being a linear progression was an untidy organic process that emerged from the intellectual tradition of antiquarianism It then closely allied itself with the natural sciences throughout the nineteenth century especially with geology and the debate about the origins and identity of the indigenous mound building cultures of the eastern United States In his reexamination of the eclectic interests and equally varied settings of nascent American archaeology Terry A Barnhart exposes several fundamental deeply embedded historiographical problems within the secondary literature relating to the nineteenth century debate about Mound Builders and American Indians Some issues are perceptual others contextual and still others are basic errors of fact Adding to the problem are semantic and contextual considerations arising from the problematic use of the term race as a synonym for tribe nation and race proper a concept and construct that does not in all instances translate into current understanding and usage American Antiquities uses this early discourse on the mounds to reframe perennial anthropological problems relating to They're Off! Ed Hotaling, 1995-07-01 As much social history as sports human origins and antiquity in North America history this is an account of how America's first national resort Saratoga Springs gave birth to and nurtured its first national sport and in the process had significant impact on American cultural life Fine bandw photographs etchings and drawings illustrate the text Annotation copyright by Book News Inc Portland OR **Delicious Mirth** Michael A. Peterman, 2018-12-05 James McCarroll 1814 1892 was a talented Irish poet journalist humorist musician and arts critic who left his mark on nineteenth century Canada by seemingly engaging with anything topical in every medium Often writing anonymously or under pseudonyms McCarroll s best known nom de plume was Terry Finnegan who wrote weekly comic letters to his cousin Thomas D Arcy McGee offering advice on political and social matters Yet since his death McCarroll's contributions to early Canadian writing and culture have largely been forgotten Making a case for the recuperation of Canada's lost Irish voice Delicious Mirth seeks to gather and contextualize the extant fragments of this outspoken and flamboyant entertainer and

commentator Adept in the rich excesses of the Paddy broque McCarroll spoke for his beloved but broken country and sought to bring the Irish legacy of expansive prose and lyric poetry to Canada Following the fluctuations of his personal hope ambition and talent through the years Michael Peterman maps McCarroll's responses to the main events of the late nineteenth century such as Irish emigration the settlement and growth of Upper Canada the extension of the railway network little magazine culture reform politics and responsible government the spiritualist movement nascent Canadian theatre classical and Celtic folk music the US Civil War Confederation and most notably the Fenian movement in which he became involved His travels took him to many places in particular Peterborough Cobourg Niagara Falls Toronto Buffalo and New York City Revealing a man of immense creative energy and cultural significance who has been lost to Canadian literary historians for over a hundred years Delicious Mirth shows that McCarroll's life and works are outstanding achievements and deserve fresh attention today Pioneers, Passionate Ladies, and Private Eyes Larry E Sullivan, Lydia C Schurman, 2013-02-01 Despite efforts of contemporary reformers to curb the availability of dime novels series books and paperbacks Pioneers Passionate Ladies and Private Eyes reveals how many readers used them as means of resistance and how fictional characters became models for self empowerment These literary genres whose value has long been underestimated provide fascinating insight into the formation of American popular culture and identity Through these mass produced widely read books Deadwood Dick Old Sleuth and Jessie James became popular heroes that fed the public s imagination for the last western frontier detective tales and the myth of the outlaw Women particularly those who were poor and endured hard lives used the literature as means of escape from the social economic and cultural suppression they experienced in the nineteenth century In addition to the insight this book provides into texts such as The Bride of the Tomb the Nick Carter Series and Edward Stratemeyer's rendition of the Lizzie Borden case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green's endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott s pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress Pioneers Passionate Ladies and Private Eyes makes an outstanding contribution to redefining the role of popular fiction in American life Our Sister Editors Patricia Okker, 2008-06-01 Our Sister Editors is the first book length study of Sarah J Hale's editorial career From 1828 to 1836 Hale edited the Boston based Ladies Magazine and then from 1837 to 1877 Philadelphia's Godey's Lady's Book which on the eve of the Civil War was the most widely read magazine in the United States boasting more than 150 000 subscribers Hale reviewed thousands of books regularly contributed her own fiction and poetry to her magazines wrote monthly editorials and published the works of such writers as Nathaniel Hawthorne Edgar Allan Poe Harriet Beecher Stowe and Lydia Sigourney Okker successfully relates Hale's contributions both to debates about the status of women and to the

development of American literature Unlike many of her contemporaries Hale insisted on the power of women within both the public and private spheres Throughout her long career Hale helped popularize new ideas about reading and genre and she made significant contributions to the development of professional authorship Our Sister Editors also provides the first overview of the large and diverse group of nineteenth century women editors In her examination of the role of women as editors owners and publishers of periodicals and her use of Hale's career to exemplify and discuss a series of major issues related to women's writing and reading in Victorian America Patricia Okker offers a provocative revisionist study

Daughters of the Declaration Claire Gaudiani,D. Graham Burnett,2011-11-08 Argues that a diverse group of women entrepreneurs are responsible for organizing local associations and began the original women s movement in America

Lone Star and Double Eagle Minetta Altgelt Goyne,1982 This book concentrates upon a strongly bonded family during a period of separation that is necessarily preserved in much greater detail than their happier moments spent in one another s company Being based to a large extent on letters that surely were never intended for the eyes of anyone outside the family and an intimate circle of friends it also gives a more spontaneous view than most journals offer These letters preserved for more than eleven decades are the record of years during which the Ernst Coreth family began really to enter into the affairs of its new homeland No wish to magnify the importance of these people no intent to dramatize their fate motivated the accompanying study for much of what the Coreths experienced other immigrants experienced also Preface

Recognizing the exaggeration ways to acquire this book **Purple Passage The Life Of Mrs Frank Leslie** is additionally useful.
