Philosophical Problems Today / Problèmes Philosophiques d'Aujourd'hui Guttorm Fløistad,2013-11-11

Philosophical Problems Today is a new series of publications from the Institut International de Philosophie It follows upon Contemporary Philosophy a series presenting philosophical research in various world cultures and so far published in seven volumes Vols 1 4 on European Philosophy Vol 5 on African Philosophy Vol 6 on Medieval Philosophy Part 1 and 2 and Vol 7 on Asian Philosophy appeared in 1993 A further volume dealing with the Philosophy of South America is still in preparation to appear in 1994 95 The new series is based on a different concept Each volume consists as a rule of five articles The articles are extensive discussions of topical philosophical problems and offer always some original contributions The articles in each volume represent different philosophical traditions and cultures and may thus contribute to crosscultural communication Volume 1 in the new series contains articles on standard problems in European and American philosophy Quine writes on truth and discusses various difficulties connected with the clear definition of the correspondence theory of truth What are true and false are propositions Part of the difficulty stems from the ambiguity of proposition Some think that the word refers to certain types of sentences others that it rather refers to the meaning of such sentences Another major difficulty is due to the fact that the world being unique may be variously grasped La Philosophie de l'histoire et la pratique historique d'aujourd'hui David Carr,1982 Annotation Le but de ce livre est de promouvoir un échange de vues entre philosophes et historiens sensible aux chevauchements de la philosophie contemporaine de l'histoire et de la théorie de la pratique historique d'aujourd'hui The purpose of this book is to encourage an exchange of views between philosophers and historians interested in the overlap between contemporary philosophy and theory of historical practice **Folklore en Afrique**
