The Essential Travis Lane M. Travis Lane, 2015-09-28 Inspired by nature science topics in the news art and music New Brunswick poet M Travis Lane is prolific yet eschews the spotlight She has won the Atlantic Poetry Prize the Alden Nowlan Prize for Excellence and the Banff Centre Bliss Carmen Poetry Award among a host of others The Essential Travis Lane celebrates her lilting insightful work by bringing to the fore a selection of her shorter poems many of them out of print that demonstrate her signature clear eyed perceptiveness and rhythmic formal technique These poems are fine examples of her linguistic mastery as well as the wisdom and heart that characterize her voice The Essential Poets Series presents the works of Canada's most celebrated poets in a package that is beautiful accessible and affordable The Essential Travis Lane is the 13th volume in the series

The Crisp Day Closing on My Hand M. Travis Lane, 2010-02-16 The Crisp Day Closing on My Hand The Poetry of M Travis Lane is a collection of thirty five of her best poems selected with an introduction by Jeanette Lynes An environmentalist feminist and peace activist M Travis Lane is known for witty and meticulously crafted poems that explore the elusive nature of home in both historical and present contexts and reflect on the identity of the woman poet and what it means to be a writer Lane's poems exhibit impressive range and variety long poems short lyrics serial poems poems inspired by visual art and are richly attentive to the landscapes both urban and wild of her New Brunswick home They voice a sense of urgency with respect to ecological crises and war her poetic attention fixes unwaveringly on the smallest pebble on the coast of Fundy but is equally attuned to global patterns of destructive domination In her introduction As Opportunity for Grace This Life May Serve editor Jeanette Lynes discusses how Lane's poetry integrates an ecopoetic vision with explorations of the artist's task of mapping her world Lane's afterword reinforces her sense of the poet's project as a form of mystical play a search for patterns in the unified disunities of all things *Journal of Canadian Poetry*, 1989 *Canadiana*, 1989

Adrienne Rich's Later Poetry Alec Marsh, 2024-12-12 Reorienting understandings of Adrienne Rich's later work through her interest in Marx and Marxist politics this book engages with this overlooked part of her oeuvre through considerations of issues such as race nationhood and gender From 1983 onward after she visited revolutionary Nicaragua until the end of her life Rich's political vision can best be described as Marxist Humanist Until recently very little attention has been paid to Rich's interest in Marx there is no in depth treatment of the effect of Marx's humanistic philosophy on Rich's later work or even on her unwavering but altered dedication to Women's Liberation This book fills this gap showing how Rich's discovery of Marx's humanism affected her poetry In doing so it makes a significant intervention into debates about the direction of American poetics and argues powerfully for a greater consciousness of political engagement through poetry

The Fiddlehead Kent Thompson,1989 The Wicked Sisters Betsy Erkkila,1992-12-10 This provocative study of the lives and works of Emily Dickinson Marianne Moore Elizabeth Bishop Adrienne Rich and Gwendolyn Brooks focuses on the historical struggles and differences among and within women writers and among feminists themselves Erkkila explores the troubled relations women writers experienced with both masculine and feminine literary cultures arguing that popular feminist views often romanticize and maternalize women writers and their interrelations in ways that effectively reinforce the very gender stereotypes and polarities which initially grounded women s oppression Studying the multiple race class ethnic cultural and other locations of women within a particular social field Erkkila offers a revisionary model of women s literary history that challenges recent feminist theory and practice along with many of our fundamental assumptions about the woman writer women s writing and women s literary history In contrast to the tendency of earlier feminists to heroize literary foremothers and communities of women Erkkila focuses on the historical struggles and conflicts that make up the history of women poets Without discounting the historical power of sisterhood she seeks to reclaim women s literary history as a site of contention contingency and ongoing struggle rather than a separate space of untroubled and essentially cooperative accord among women Encompassing the various historical significations of wickedness as destructive powerful playful witty mischievous and not righteous The Wicked Sisters explores the power struggles and discord that mark both the history of women poets and the history of feminist criticism **International Who's Who in Poetry 2004** Europa
