Reclaiming the Mainstream Joan Kennedy Taylor, 1992 No Marketing Blurb **Reclaiming the Mainstream** Joan Kennedy Taylor, 1992 **The New Ayn Rand Companion** Mimi R. Gladstein, 1999-08-30 An essential guide to the life and works of Ayn Rand the book chronicles and summarizes her writings presents information about her national and global impact and the response to it and provides the most comprehensive bibliography published to date Written by an independent scholar who is not part of either the Ayn Rand establishment or the Ayn Rand detractor camp The New Ayn Rand Companion builds on the foundation of the original New materials about Rand s posthumous publications the latest biographical information and summaries of books and articles about Rand published since her death have been added Burgeoning interest in Rand the publication of her Letters and Journals and Russian Writings and the growing body of critical works necessitates an expanded and revised edition of the Ayn Rand Companion This new edition is the only general reference work that covers the complete Rand corpus including both those works published during her life and those published to date **Market, State and Feminism** Sue Hatt, Linda Watson-Brown, 2000-01-01 This text offers an interdisciplinary critique of the free market backlash the view that free market economics can improve the position status and well being of women **Feminist Interpretations of Ayn Rand** Mimi Reisel Gladstein, Chris Matthew Sciabarra, 2010-11-01 Bloemlezing van bijdragen vanuit feministisch perspectief over het werk van de Amerikaanse filosofe en schrijfster Ayn Rand Bevat de volgende bijdragen Ayn Rand the reluctant feminist Barbara Branden Ayn Rand and feminism an unlikely alliance Mimi Reisel Gladstein On Atlas shrugged Judith Wilt Ayn Rand a traitor to her own sex Susan Brownmiller Psyching out Ayn Rand Barbara Grizzuti Harrison Reflections on Ayn Rand Camille Paglia Ayn Rand and feminist synthesis rereading We the living Val rie Loiret Prunet Skyscrapers supermodels and strange attractors Ayn Rand Naomi Wolf and the third wave aesthos Barry Vacker Looking through a paradigm darkly Wendy McElroy The romances of Ayn Rand Judith Wilt Who is Dagny Taggart the epic heroine in disguise Karen Michalson Was Ayn Rand a feminist Nathaniel Branden Ayn Rand and the concept of feminism a reclamation Joan Kennedy Taylor Ayn Rand s philosophy of individualism a feminist psychologist s perspective Sharon Presley Ayn Rand the women who would not be president Susan Love Brown Rereading Rand on gender in the light of Paglia Robert Sheaffer Sex and gender through an egoist lens masculinity and femininity in the philosophy of Ayn Rand Diana Mertz Brickell The female hero a Randian feminist synthesis Thomas Gramstad Fluff and granite rereading Rand s camp feminist aesthetics Melissa Jane Hardie **The Political Junkie Handbook** Michael Crane, 2004 This easy to use book is designed to inform the American public about the political system that influences much of their lives **The Encyclopedia of Libertarianism** Ronald Hamowy, 2008-08-15 As a continuation of the older tradition of classical liberalism libertarian thinking draws on a rich body of thought and scholarship Contemporary libertarian scholars are continuing that tradition by making substantial contributions to such fields as philosophy jurisprudence economics

evolutionary psychology political theory and history in both academia and politics With more than 300 A to Z signed entries written by top scholars The Encyclopedia of Libertarianism is purposed to be a useful compilation of and introduction to libertarian scholarship The Encyclopedia starts with an introductory essay offering an extensive historical and thematic overview of key thinkers events and publications in the development of libertarian thought The Reader's Guide groups content for researchers and students alike allowing them to study libertarianism topically biographically and by public policy issues Key Features Entries conclude with bibliographies and references for further reading and cross references to related entries Each entry provides an introduction to a topic or policy question relevant to libertarianism or a biography of a person who has had an impact on libertarianism Editors take special care to ensure entries clearly explain libertarian approaches to issues do not take sides on disputed matters or engage in polemics and represent the views of all sides fairly and accurately

Varieties of Feminist Liberalism Amy R. Baehr, 2004-04-05 Over the past thirty years western political philosophy has been enriched by a renewed interest in liberalism and by the development of feminism Although liberalism is one of the important historical roots of feminism many contemporary feminist political philosophers reject liberal political theory Indeed that liberalism and feminism are incompatible has been the dominant view among feminist scholars over the past 30 years *Varieties of Feminist Liberalism* is a groundbreaking collection that examines the relationship between these two rich normative traditions The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible This long overdue volume is the first to bring together papers by feminist liberals and to aim explicitly at reconciling feminism and liberalism

Ayn Rand Cult Jeff Walker, 2012-03-30 Despised by the intellectual establishment Ayn Rand continues to attract many thousands of devoted followers Her Objectivist movement preaches an uncompromising hard line on politics art sex and psychological health Though much has been written about Rand The Ayn Rand Cult is the first book to explain the true origin of her ideas and to show how they were shaped into a new atheistic religion Jeff Walker shatters many myths about Rand exposing Objectivism as a classic cult unusual because of its overt emphasis on self interest rationality and atheism but typical of cults in its guru worship thought control trial and excommunication of deviants and hostility to existing society

The Blank Slate Steven Pinker, 2003-08-26 A brilliant inquiry into the origins of human nature from the author of *Rationality The Better Angels of Our Nature* and *Enlightenment Now* Sweeping erudite sharply argued and fun to read also highly persuasive Time Finalist for the Pulitzer Prize Updated with a new afterword One of the world's leading experts on language and the mind explores the idea of human nature and its moral emotional and political colorings With characteristic wit lucidity and insight Pinker argues that the dogma that the mind has no innate traits a doctrine held by many intellectuals during the past century denies our common humanity and our individual preferences

replaces objective analyses of social problems with feel good slogans and distorts our understanding of politics violence parenting and the arts Injecting calm and rationality into debates that are notorious for ax grinding and mud slinging Pinker shows the importance of an honest acknowledgment of human nature based on science and common sense **Realizing Freedom** Tom G. Palmer,2014-03-17 What is freedom How is freedom related to justice law property peace and prosperity Tom Palmer has spent a lifetime as a scholar teacher journalist and activist asking and answering these questions Since its publication in 2009 Realizing Freedom has been the recipient of wide acclaim both in the United States and around the world Now this expanded edition adds even greater depth and dimension to the book with newly added essays that confirm Palmer s role as one of liberty s most articulate advocates A tireless educator Palmer has traveled the world to bring the message of freedom to people on every continent At home he has been an incisive commentator on current affairs as well as an original and innovative thinker in political philosophy The essays in this volume are drawn from his decades of work on the theory of justice multiculturalism democracy and limited government globalization the law and economics of patents and copyrights among many other topics and reflect the many levels on which Palmer has promoted individual liberty **Descartes and Cartesianism** Stephen Gaukroger,Catherine Wilson,2017-01-19 This volume is a collection of original essays dealing with Cartesian themes and problems especially as these arise in connection with Cartesian natural science and the theory of perception agency mentality divinity and the passions It focuses in particular on Desmond Clarke s important contributions to these aspects of Descartes s writings Stephen Gaukroger and Catherine Wilson split the volume into four distinct parts Cartesian Science Mind and Perception Actions and Passions and Cartesian Woman The contributors are internationally known and respected scholars of 17th century philosophy writing on a number of their favourite Cartesian topics *Science in the New Age* David J. Hess,1993 In *Science in the New Age* David Hess explores ideologies of the paranormal in the United States He offers a map of the labyrinth of views put forward by parapsychologists and skeptical debunkers spirit channelers and crystal healers Hollywood poltergeist scripts and prophets of the New Age Adopting a cultural perspective Hess moves beyond the question of who is right or wrong to the cultural politics of how each group constructs its own boundaries of true and false knowledge Hess begins by looking at each group s unique version of knowledge science and religion and at its story about the other groups Comparing the various discourses texts writers and groups as cultures he shows how skeptics parapsychologists and New Agers may disagree vehemently with each other but end up sharing many rhetorical strategies metaphors models values and cultural categories Furthermore he argues their shared paraculture has a great deal in common with the larger culture of the United States The dialogue on the paranormal Hess concludes has as much to do with gender power and cultural values as it does with spirits extrasensory perception and crystal healing **The Italian Far Right from 1945 to the Russia-Ukraine Conflict** Nicola Guerra,2023-12-19 The Italian Far Right from 1945 to the Russia Ukraine Conflict provides a comprehensive account of the postwar parliamentary and extra parliamentary far right in Italy

This book explores the ideology movements and activism of the extreme right and neo fascists The recent victory in the Italian parliamentary elections of the post fascist party Fratelli d Italia and its leader Giorgia Meloni highlights the importance of such research The book examines why some of these movements participated with CIA backing in the Strategy of Tension in the years of the Cold War where terrorist actions aimed to keep Italy in NATO and prevent the Communist Party from coming to power while other extreme right groups vehemently opposed this and what they considered the dangerous Americanization of the country It debunks the myth that there was a unified postwar fascist movement in Italy but instead excavates the complex battles within the extreme right as well as with their opponents from the left and the authorities This study is necessary to clarify the history and ideological dynamics of a political area still too often shrouded in mystery and whose geopolitical role is still poorly understood and generally underestimated The analysis is contextualized in the present day by looking at the different perspectives of the Italian far right on the Russian invasion of Ukraine The book will be of interest to researchers of political history the Cold War and Italian history and politics

Philosophising Experiences and Vision of the Female Body, Mind, and Soul: Historical Context and Contemporary Theory Musingafi, Maxwell Constantine Chando, Mafumbate, Racheal, Khumalo, Thandi Fredah, 2021-04-23 Much of our understanding of the world our societies and ourselves rests on theories and knowledge generated predominantly by men of certain nationalities and economic classes This male dominated and culturally specific theorizing and knowledge have generally resulted in the exclusion of women and other groups from the process of formal theorizing and knowledge building Feminism argues that the male dominated knowledge represents a skewed perception of reality and is only partial knowledge Feminism is a generalized wide ranging system of ideas about social life and human experience developed from a woman centered perspective It treats women as the central subjects in the investigative process and seeks to see the world from the distinctive vantage points of women in the social world The best way to empower women and better the situation for women is to take women s daily experiences and their informal theorizing into account and on this basis adopt feminist approaches to building theory and knowledge

Philosophising Experiences and Vision of the Female Body Mind and Soul Historical Context and Contemporary Theory provides an overview and introduction to the study of feminist theory and practice in the social sciences This book provides a starting point for further and more advanced study of the nexus of feminism gender and development and translates feminist theory and concepts into practice The chapters investigate in a historical context mainstream and contemporary theories of feminism and gender studies This book is ideal for post graduate students of social science researchers of development management business management public governance and gender and development activists feminists and practitioners stakeholders researchers academicians and students interested in feminist theory and knowledge building

Cato Policy Report ,1992 **Goddess of the Market** Jennifer Burns, 2009-10-19 Worshipped by her fans denounced by her enemies and forever shadowed by controversy and scandal the novelist and philosopher Ayn Rand was

a powerful thinker whose views on government and markets shaped the conservative movement from its earliest days Drawing on unprecedented access to Rand s private papers and the original unedited versions of Rand s journals Jennifer Burns offers a groundbreaking reassessment of this key cultural figure examining her life her ideas and her impact on conservative political thought Goddess of the Market follows Rand from her childhood in Russia through her meteoric rise from struggling Hollywood screenwriter to bestselling novelist including the writing of her wildly successful The Fountainhead and Atlas Shrugged Burns highlights the two facets of Rand s work that make her a perennial draw for those on the right her promotion of capitalism and her defense of limited government Both sprang from her early bitter experience of life under Communism and became among the most deeply enduring of her messages attracting a diverse audience of college students and intellectuals business people and Republican Party activists libertarians and conservatives The book also traces the development of Rand s Objectivist philosophy and her relationship with Nathaniel Branden her closest intellectual partner with whom she had an explosive falling out in 1968 One of the Denver Post s Great Reads of 2009 One of Bloomberg News s Top Nonfiction Books of 2009 Excellent Time magazine A terrific book a serious consideration of Rand s ideas and her role in the conservative movement of the past three quarters of a century The American Thinker A wonderful book beautifully written completely balanced extensively researched The match between author and subject is so perfect that one might believe that the author was chosen by the gods to write this book She has sympathy and affection for her subject but treats her as a human being with no attempt to cover up the foibles Mises Economics Blog [The Libertarian Reader](#) David Boaz,2015-02-17 The most magnificent collection of libertarian writings ever published Laissez Faire Books An important collection of seminal writings on a movement that is rapidly changing the face of American politics The Libertarian Reader links some of the most fertile minds of our time to a centuries old commitment to freedom self determination and opposition to intrusive government This is the first comprehensive anthology of libertarian thought from the Bible and Lao Tzu to Hayek and Milton Friedman to be published in one volume The 68 selections from great libertarian writers are an intellectual feast covering such key libertarian themes as skepticism about power individual rights spontaneous order free markets and peace For all independent thinkers this unique sourcebook will stand as a classic reference for years to come and a reminder that libertarianism is one of our oldest and most venerable American traditions **The Libertarian Mind** David Boaz,2015-02-10 An updated edition of David Boaz s timeless primer on libertarianism with a new preface by the author Libertarianism the philosophy of personal and economic freedom has deep roots in Western civilization and in American history with increasing appeal to those dissatisfied with the status quo The growth of executive power chronic deficits counterproductive foreign military interventions protectionist trade measures a costly drug war and many other threats to civil liberties have pushed millions of Americans in a libertarian direction The Libertarian Mind is a comprehensive guide to the history and philosophy of this movement This updated edition delves into the principles of libertarianism

exploring its roots and its development over time It offers a rich collection of ideas that present a compelling case for individual liberty and mutual cooperation Challenging the notion of top down governmental control the book advocates instead for a society built on freedom and individual rights But The Libertarian Mind is more than just a book it s a manifesto for freedom It s a call to action for those who believe in the sovereignty and fundamental dignity of the individual and the importance of political freedom

Sexual Harassment Joan Kennedy Taylor, 2001-10 Does it really help women to think of sexual harassment primarily as a legal issue This text questions the assumption that women are passive victims and instead explores strategies for providing a balanced workplace and applies these strategies to a variety of workplaces
