**Inside War** Michael Fellman, 1990-04-19 During the Civil War the state of Missouri witnessed the most widespread prolonged and destructive guerrilla fighting in American history With its horrific combination of robbery arson torture murder and swift and bloody raids on farms and settlements the conflict approached

total war engulfing the whole populace and challenging any notion of civility Michael Fellman's *Inside War* captures the conflict from inside drawing on a wealth of first hand evidence including letters diaries military reports court martial transcripts depositions and newspaper accounts He gives us a clear picture of the ideological social and economic forces that divided the people and launched the conflict Along with depicting how both Confederate and Union officials used the guerrilla fighters and their tactics to their own advantage Fellman describes how ordinary civilian men and women struggled to survive amidst the random terror perpetuated by both sides what drove the combatants themselves to commit atrocities and vicious acts of vengeance and how the legend of Jesse James arose from this brutal episode in the American Civil War

**Child Sexual Abuse, Exploitation and Trafficking in the Arab Region** Bernard Gerbaka, Sami Richa, Roland Tomb, 2021-06-01 This book presents and brings together research on child sexual abuse from various countries and cultures in the Arab Region It addresses the multiple types of Child Sexual Abuse Exploitation and Trafficking CSAET and responds to the expanding burden of its diverse presentations The book identifies appropriate structures for efficient programs that are to be accepted and developed by diverse cultures in the region in order to develop an action plan to combat sexual violence against children It studies the gathered to date child sexual abuse protection systems in the Arab region covering issues such as children's rights challenges of protection and advocates for peaceful safe healthy and happy environments for children and their families

**Black Feminist Anthropology** Irma McClaurin, 2001 In the discipline's early days anthropologists by definition were assumed to be white and male Women and black scholars were relegated to the field's periphery From this marginal place white feminist anthropologists have successfully carved out an acknowledged intellectual space identified as feminist anthropology Unfortunately the works of black and non western feminist anthropologists are rarely cited and they have yet to be respected as significant shapers of the direction and transformation of feminist anthropology In this volume Irma McClaurin has collected for the first time essays that explore the role and contributions of black feminist anthropologists She has asked her contributors to disclose how their experiences as black women have influenced their anthropological practice in Africa the Caribbean and the United States and how anthropology has influenced their development as black feminists Every chapter is a unique journey that enables the reader to see how scholars are made The writers present material from their own fieldwork to demonstrate how these experiences were shaped by their identities Finally each essay suggests how the author's field experiences have influenced the theoretical and methodological choices she has made throughout her career Not since Diane Wolf's *Feminist Dilemmas in the Field* or Hortense Powdermaker's *Stranger and Friend* have we had such a breadth of women anthropologists discussing the critical and personal issues that emerge when doing ethnographic research
