knowledge alive and relevant Recollections and Letters of General Robert E. Lee Captain Robert E. Lee, 2010-12 Captain Robert E. Lee the son of the famous General Robert E. Lee 1807-1870 has offers his recollections of his father including letters from General Lee to his family **Recollections and Letters of General Robert E. Lee (Classic Reprint)** Robert Edward Lee, 2015-07-08 Excerpt from Recollections and Letters of General Robert E. Lee There was Visiting us at this time Mrs Lippitt a friend Of my mother s with her little boy Armistead about my age and size also with long curls Whether he wore as handsome a suit as mine I cannot remember but he and I were left together in the background feeling rather frightened and awed After a moment s greeting to those surrounding him my father pushed through the crowd exclaiming About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Recollections and Letters of General Robert Lee** Robert Lee, 2007-03 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running

streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing

Recollections and Letters of General Robert E. Lee Robert Edward Lee,2014-03-09 With the exception of George Washington perhaps the most famous general in American history is Robert E Lee January 19 1807 October 12 1870 despite the fact he led the Confederate Army of Northern Virginia against the Union in the Civil War As the son of U S Revolutionary War hero Henry Light Horse Harry Lee III and a relative of Martha Custis Washington Lee was imbued with a strong sense of honor and duty from the beginning And as a top graduate of West Point Lee had distinguished himself so well before the Civil War that President Lincoln asked him to command the entire Union Army Lee famously declined serving his home state of Virginia instead after it seceded Lee is remembered today for constantly defeating the Union s Army of the Potomac in the Eastern theater from 1862 1865 considerably frustrating Lincoln and his generals His leadership of his army led to him being deified after the war by some of his former subordinates especially Virginians and he came to personify the Lost Cause s ideal Southern soldier His reputation was secured in the decades after the war as a general who brilliantly led his men to amazing victories against all odds Despite his successes and his legacy Lee wasn t perfect And of all the battles Lee fought in he was most criticized for Gettysburg particularly his order of Pickett s Charge on the third and final day of the war Despite the fact his principle subordinate and corps leader General James Longstreet advised against the charge Lee went ahead with it ending the army s defeat at Gettysburg with a violent climax that left half of the men who charged killed or wounded

Recollections and Letters of General Robert E. Lee Robert E. Lee, 2012-10-13 As the old hero lay in the darkened room or with the lamp and hearth fire casting shadows upon his calm noble front all the missing grandeur of his form and face and brow remained and death seemed to lose its terrors and to borrow a grace and dignity in sublime keeping with the life that was ebbing away The great mind sank to its last repose almost with the equal poise of health The few broken utterances that evinced at times a wandering intellect were spoken under the influence of the remedies administered but as long as consciousness lasted there was evidence that all the high controlling influences of his whole life still ruled and even when stupor was laying its cold hand on the intellectual perceptions the moral nature with its complete orb of duties and affections still asserted itself A southern poet has celebrated in song these last significant words Strike the tent and a thousand voices were raised to give meaning to the uncertain sound when the dying man said with emphasis Tell Hill he must come up These sentences serve to show most touchingly through what fields the imagination was passing but generally his words though few were coherent but for the most part indeed his silence was unbroken From the archives comes the Civil War Classic Library Dozens of books out of print for years is now back in print for the casual reader and the collector Now is the time to collect and build a classic library and get them all before they fall out of print forever replaced by digital files *The Recollections and Letters of General Robert E. Lee* Robert E. Lee, Jr., 2000-06 Lee was the most heroic figure of the Civil War but to many

he is a solitary figure This book fleshes out the man as well as probing the workings of a great mil mind and a warm understanding and generous human being It shows all the facets of the General during the war at the conclusion when he was an outspoken proponent of a reasonable peace which would allow the South to rejoin the Union and after the war when he served as Pres of Wash College when he became a driving force for the creation of a viable educ l system This anthology shows all these facets of the General through his correspondence and through the revealing insight supplied by his son
