## **Recollections Of Philander Prescott:**

The recollections of Philander Prescott, frontiersman of the old Northwest, 1819-1862 Philander Prescott,1966    The Recollections of Philander Prescott Philander Prescott,1966    **The Recollections of Philander Prescott** Philander Prescott,1966    Personal Recollections of Minnesota and Its People John Harrington Stevens,1890    **Massacre in Minnesota** Gary Clayton Anderson,2019-10-17 In August 1862 the worst massacre in U S history unfolded on the Minnesota prairie launching what has come to be known as the Dakota War the most violent ethnic conflict ever to roil the nation When it was over between six and seven hundred white settlers had been murdered in their homes and thirty to forty thousand had fled the frontier of Minnesota But the devastation was not all on one side More than five hundred Indians many of them women and children perished in the aftermath of the conflict and thirty eight Dakota warriors were executed on one gallows the largest mass execution ever in North America The horror of such wholesale violence has long obscured what really happened in Minnesota in 1862 from its complicated origins to the consequences that reverberate to this day A sweeping work of narrative history the result of forty years research **Massacre in Minnesota** provides the most complete account of this dark moment in U S history Focusing on key figures caught up in the conflict Indian American and Franco and Anglo Dakota Gary Clayton Anderson gives these long ago events a striking immediacy capturing the fears of the fleeing settlers the animosity of newspaper editors and soldiers the violent dedication of Dakota warriors and the terrible struggles of seized women and children Through rarely seen journal entries newspaper accounts and military records integrated with biographical detail Anderson documents the vast corruption within the Bureau of Indian Affairs the crisis that arose as pioneers overran Indian lands the failures of tribal leadership and institutions and the systemic strains caused by the Civil War Anderson also gives due attention to Indian cultural viewpoints offering insight into the relationship between Native warfare religion and life after death a nexus critical to understanding the conflict Ultimately what emerges most clearly from Anderson s account is the outsize suffering of innocents on both sides of the Dakota War and identified unequivocally for the first time the role of white duplicity in bringing about this unprecedented and needless calamity    **Collections of the Minnesota Historical Society** ,1891    **The Army Medical Department, 1818-1865** Mary C. Gillett,1987    *The Pawnee Mission Letters, 1834-1851* Richard E. Jensen,2010-07-01 This collection of letters written by and to the missionaries as well as their journal entries illustrates the life of the mission from the everyday complications of building and maintaining a community far from urban areas to the navigation of the bureaucratic policies of the federal government and the American Board to the ideological differences of the Pawnees multiple missionaries and the ensuing rift within the community These writings provide a unique and personal portrayal of this small white community in the heart of the Pawnees domain    **The Papers of Henry Clay** Henry Clay,2015-02-05 This supplement to *The Papers of Henry Clay* contains documents discovered too late to be included in the proper chronological sequence in earlier volumes Spanning the years from 1793 to 1852 the

items shed important light on Clay's early years in Kentucky his legal career and his work for the Bank of the United States. Material dealing with the Corrupt Bargain charge is particularly rich and many of the letters that appear in this volume fill gaps in exchanges already published. Clay's correspondence with Benjamin Watkins Lee of Virginia and Mary Bayard wife of Delaware senator Richard Henry Bayard is especially interesting. An essay on Clay portraits by Clifford Amyx professor emeritus of art at the University of Kentucky provides a detailed discussion of the paintings statues busts engravings and daguerreotypes that featured Clay as the subject. Appended to the essay is a calendar listing each major work the artist date of completion and present location. A comprehensive bibliography of works cited in the entire series will benefit researchers seeking information in addition to that provided in the annotations. This supplement is an essential addition to the earlier volumes in the series.
