[Catalogue of the Public Library, of Concord, N.H.](#), 1885 **Death Before Glory!** Martin R. Howard, 2015-09-30 Death Before Glory is a highly readable thoroughly researched and comprehensive study of the British army s campaigns in the West Indies during the French Revolutionary and Napoleonic period and of the extraordinary experiences of the soldiers who served there Rich

in sugar cotton coffee and slaves the region was a key to British prosperity and it was perhaps even more important to her greatest enemy France Yet until now the history of this vital theatre of the Napoleonic Wars has been seriously neglected Not only does Martin Howard describe in graphic detail the entirety of the British campaigns in the region between 1793 and 1815 he also focuses on the human experience of the men the climate and living conditions the rations and diet military discipline and training the treatment of the wounded and the impact of disease Martin Howard's thoroughgoing and original work is the essential account of this fascinating but often overlooked aspect of the history of the British army and the Napoleonic Wars

Catalogue of the Books of the Antigua Public Library Antigua. Public Library, 1862 Mr. and Mrs. Madison's War Hugh Howard, 2014-08-05 Addresses key debates surrounding the War of 1812 while offering insight into the fourth President's decision to wage the war in spite of his political adversaries' unanimous objections explaining that the war established a young United States's absolute independence from Britain Black Redcoats Matthew Taylor, 2024-05-30 Tells the story of the thousands of enslaved African Americans who fled to British forces during the war in what became the largest emancipation of enslaved Americans until the abolition of slavery in the United States During the Anglo American War of 1812 British forces launched hundreds of amphibious raids on the United States The richest parts of the United States were slave states and thousands of enslaved African Americans fled to British forces in what was to be the largest emancipation of enslaved Americans until the abolition of slavery in the USA From these refugees from slavery the British built a force the Corps of Colonial Marines Black redcoats they were a fusion of two great American fears the return of the British King and an uprising by their own oppressed slaves The Corps of Colonial Marines turned Britain's campaign on America's coasts from one of harassment to one of existential threat to the new nation Although small in number the Colonial Marines fighting to liberate their own families as much as for Great Britain exerted a massive psychological impact on the United States which paralysed American resistance with fear of a widespread slave uprising and allowed British forces in the Chesapeake to burn down Washington DC As well as examining this little remembered part of British military and African American history this book will also look to the post war history of the Colonial Marines their continued survival as a unique ethnic group in the Caribbean today and their involvement in the largest act of armed African American resistance to slavery The Battle of Negro Fort in 1816 was the only time American forces left American territory to destroy a fugitive slave community a community led by former Colonial Marines who when faced with American attack raised the British flag This book brings black history to the fore of the War of 1812 and gives a voice to those enslaved people who amidst great power competition between a slave holding Republic and a slave holding Empire demonstrated exceptional bravery and initiative to gain precious freedom for themselves and their descendants

The Seasick Admiral Kevin Brown, 2015-10-30 Horatio Nelson did not enjoy robust good health From his childhood he was prone to many of the ailments so common in the eighteenth century and after he joined the Navy he contracted fevers that further undermined his strength he was even

seasick whenever he first put to sea Nevertheless he saw more action than most officers and was often wounded the loss of the sight in one eye and a shattered arm were the most public but by no means his only injuries This personal experience of sickness made him uniquely aware of the importance of health and fitness to the efficient running of a fleet and this new book investigates Nelson s personal contribution to improving the welfare of the men he commanded It ranges from issues of diet through hygiene to improved medical practices Believing prevention was better than cure Nelson went to great lengths to obtain fresh provisions insisted on cleanliness in his ships and even understood the relationship between mental and physical health working tirelessly to keep up the morale of his men Many other people contributed to what became a revolution in naval health but because of his heroic status Nelson s influence was hugely significant a role which this book reveals in detail for the first time **The Publishers' Circular and Booksellers' Record** ,1911 **British Books** ,1903

The Dial ,1907 **Fought Like Devils** Neil P. Chatelain,2014-06-12 An often overlooked aspect of the American Civil War was the effort by the Confederate Navy to defend the Mississippi River in 1861 and 1862 Confederate officials struggled to build a navy from nothing converting steamers into gunboats while working to build several ironclad warships from the keel up along the banks of the Mississippi River The CSS McRae originally a Mexican ship involved in the Reform War was among the vessels acquired by the Confederacy at the start of the war The McRae was originally intended to roam the seas as one of the first commerce raiders with a secret mission to travel to England and gather much needed supplies for the new Confederacy Instead circumstances kept her on the Mississippi River where she fought from the river s mouth to the banks of Kentucky Most notably the McRae participated in the defense of New Orleans in April of 1862 Fought Like Devils shows how the Confederacy worked to build a navy and defend the most important waterway in North America Drawing on government records newspapers personal letters diaries and reminisces Neil P Chatelain tells the story of the CSS McRae and its crew in their struggle to defend the Mississippi River for the Confederacy **Catalogue of the Books in the Central Lending Department** Public Libraries (Newcastle-upon-Tyne),1880 **The Publisher** ,1902 **Publishers' circular and booksellers' record** ,1879 **The Publishers' Circular and General Record of British and Foreign Literature** ,1889
