analyses of the reception of her works Multicultural Writers from Antiquity to 1945 Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world The Diary of Anaïs Nin, 1931-1934 Anaïs Nin, 1969-03-19 The acclaimed author details her bohemian life in 1930s Paris including her famous affair with Henry Miller in the classic first volume of her diaries Born in France to Cuban parents Anais Nin began keeping a diary at the age of eleven and continued the practice for the rest of her life Confessional scandalous and thoroughly absorbing her diaries became one of the most celebrated literary projects of the twentieth century Writing candidly of her marriages and affairs including those with psychoanalyst Otto Rank and author Henry Miller Nin presents a passionate and detailed record of a modern woman's journey of self discovery Edited and with an introduction by Gunther Stuhlmann this celebrated first volume begins in the winter of 1931 and ends in the fall of 1934 It covers an auspicious time in Nin's life from when she is about to publish her first book to her decision to leave Paris for New York Writing an Icon Anita Jarczok, 2017-02-15 Ana s Nin the diarist novelist and provocateur occupied a singular space in twentieth century culture not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America Before Madonna and her many imitators there was Nin yet until now there has been no major study of Nin as a celebrity figure In Writing an Icon Anita Jarczok reveals how Nin carefully crafted her literary and public personae which she rewrote and restyled to suit her needs and desires When the first volume of her diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin's guiding hand in their construction of her public persona. The key to understanding Nin's celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin s celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin s writing identity public

image and consumer culture The Diary of Anaïs Nin, 1944-1947 Anaïs Nin, 1972-10-18 The fourth volume of one of the most remarkable diaries in the history of letters Los Angeles Times The renowned diarist continues her record of her personal professional and artistic life recounting her experiences in Greenwich Village for several years in the late 1940s where she defends young writers against the Establishment and her trip across the country in an old Ford to California and Mexico Nin is one of the most extraordinary and unconventional writers of the twentieth century The New York Times Book Review Edited and with a preface by Gunther Stuhlmann The Making of a Counter-culture Icon Maria R. Bloshteyn, 2007-01-01 At first glance the works of Fedor Dostoevsky 1821 1881 do not appear to have much in common with those of the controversial American writer Henry Miller 1891 1980 However the influencer of Dostoevsky on Miller was in fact enormous and shaped the latter's view of the world of literature and of his own writing The Making of a Counter Culture Icon examines the obsession that Miller and his contemporaries the so called Villa Seurat circle had with Dostoevsky and the impact that this obsession had on their own work Renowned for his psychological treatment of characters Dostoevsky became a model for Miller Lawrence Durrell and Anais Nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions Maria Bloshteyn argues that as Dostoevsky was concerned with representing the individual s perception of the self and the world he became an archetype for Miller and the other members of the Villa Seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives Tracing the cross cultural appropriation and mis interpretation of Dostoevsky's methods and philosophies by Miller Durrell and Nin The Making of a Counter Culture Icon gives invaluable insight into the early careers of the Villa Seurat writers and testifies to Dostoevsky's influence on twentieth century literature **The Early Diary of Anaïs Nin, 1923-1927** Anaïs Nin, 2014-09-02 A revealing look at the life of this extraordinary and unconventional writer during the mid 1920s The New York Times Book Review In this volume of her earlier series of personal diaries Ana s Nin tells how she exorcised the obsession that threatened her marriage and nearly drove her to suicide Through sheer nerve confidence and will Nin made of the everyday something magical This was a gift indeed and it s a fascinating process to witness The Christian Science Monitor With an editor s note by Rupert Pole and a preface by Joaquin Nin Culmell Conversations with Anaïs Nin Anaïs Nin,1994 Largely ignored by mainstream audiences for the first thirty years of her career Anais Nin 1903 1977 finally came into her own with the publication of the first part of her diary in 1966 Thereafter she was catapulted into fame Throughout the late sixties and the seventies she attracted a host of devoted and admiring readers in the counter culture who were magnetized by her personal liberation and openness For a woman to make such probing exploration of the intimate recesses of her psyche made her a cult figure with a large and lasting readership Born in France Anais Nin lived much of her life in America Her liaison with Henry Miller and his wife June documented in her explicitly detailed diaries became the subject of a major film of the nineties Her forthright books her diaries that continue to be published in a steady flow and her

charismatic charm made her the subject of many candid interviews such as those collected here Eight included in this volume are printed for the first time Many others were originally published in magazines that are now defunct Nin elaborates on subjects only touched upon in the diaries and she speaks also of her role in the women s movement and of her philosophies on art writing and individual growth The Diary of Anaïs Nin, 1966-1974 Anaïs Nin, 2014-12-02 The seventh and final volume of the author's remarkable diary is filled with the reflections of an older woman as she journeys through the world Los Angeles Times One of the most remarkable diaries in the history of letters ends as the author wished not with her last two years of pain but at a joyous moment on a trip to Bali Los Angeles Times As she ages Ana s Nin reflects on how the deeply personal and introspective nature of her writings intertwines with her public life and her connections with other people including her devoted readers One of the most extraordinary and unconventional writers of the twentieth century The The Diary of Anaïs Nin, 1955-1966 New York Times Book Review Edited and with a preface by Gunther Stuhlmann Anaïs Nin, 2012-11-09 The sixth volume of the diary of one of the most extraordinary and unconventional writers of the twentieth century The New York Times Book Review Ana s Nin continues one of the most remarkable diaries in the history of letters with this volume covering more than a decade of her midcentury life Los Angeles Times She debates the use of drugs versus the artist's imagination portrays many famous people in the arts and recounts her visits to Sweden the Brussels World s Fair Paris and Venice Nin looks at life love and art with a blend of gentility and acuity that is rare in contemporary writing John Barkham Reviews Edited and with a preface by Gunther Stuhlmann Focus On: 100 Most Popular Former Roman Catholics Wikipedia contributors. **Trapeze** Anaïs Nin, 2017-05-15 Ana s Nin made her reputation through publication of her edited diaries and the carefully constructed persona they presented It was not until decades later when the diaries were published in their unexpurgated form that the world began to learn the full details of Nin s fascinating life and the emotional and literary high wire acts she committed both in documenting it and in defying the mores of 1950s America Trapeze begins where the previous volume Mirages left off when Nin met Rupert Pole the young man who became not only her lover but later her husband in a bigamous marriage It marks the start of what Nin came to call her trapeze life swinging between her longtime husband Hugh Guiler in New York and her lover Pole in California a perilous lifestyle she continued until her death in 1977 Today what Nin did seems impossible and what she sought perhaps was impossible to find harmony and completeness within a split existence It is a story of daring and genius love and pain largely unknown until now Anaïs Nin, Fictionality and Femininity Helen Tookey, 2003 Helen Tookey examines the work of Ana s Nin 1903 77 and the different versions of Nin herself as woman writer and iconic figure through the lens of cultural and historical contexts She focuses particularly on questions of identity and femininity exploring how the self for Nin is constructed through narratives and performances of various kinds and shedding light on key issues and conflicts within feminist thinking since the 1970s particularly questions of identity femininity and psychoanalysis Great Women Travel Writers Alba Amoia, Bettina
