Recollections Of My Life:

Recollections of My Life as a Woman Diane di Prima, 2002-03-26 In *Recollections of My Life as a Woman* Diane di Prima explores the first three decades of her extraordinary life Born into a conservative Italian American family di Prima grew up in Brooklyn but broke away from her roots to follow through on a lifelong commitment to become a poet first made when she was in high school Immersing herself in Manhattan s early 1950s Bohemia di Prima quickly emerged as a renowned poet an influential editor and a single mother at a time when this was unheard of Vividly chronicling the intense creative cauldron of those years she recounts her revolutionary relationships and sexuality and how her experimentation led her to define herself as a woman What emerges is a fascinating narrative about the courage and triumph of the imagination and how one woman discovered her role in the world *Recollections of My Life and Times. An Autobiography by ... J. Morgan ... With Selections from His Journal. Edited by His Son [T. Morgan].* James MORGAN (of Belfast.), 1874

Recollections of My Life Hermann Krüsi, 1907 *Recollections of My Life and Times* James Morgan, 2023-12-30 Reprint of the original first published in 1874 Recollections of My Life , Recollections of my life. 2 Santiago Ramón y Cajal, 1937 *Recollections of My Life and Times* James Morgan, 2017-02-19 Excerpt from *Recollections of My Life and Times An Autobiography* I have selected from the Journal those portions which seemed most likely to interest the general reader and as these are given in their chronological order they will be found to furnish a supplemental narrative The same qualities are apparent throughout these manuscripts which distinguished the man in all his ways kindness and simplicity an all pervading love for Christ and tender consideration towards his fellow men His object was not the establishment of a literary reputation but to recall for his own profit and to relate for the instruction of others these simple recollections of a devoted life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Recollections of My Life Santiago Ramon Y Cajal, 1989-07-06 Santiago Ramon y Cajal 1852 1934 made prolific and lasting contributions to understanding the life of the infinitely small Santiago Ramon y Cajal 1852 1934 made prolific and lasting contributions to understanding the life of the infinitely small Widely thought of as the founder of neuroscience Cajal made remarkable explorations into the organization and function of the nervous system His work is still referred to more than that of any other scientist in the field W Maxwell Cowan s foreword to this edition conveys the excitement and energy of Cajal s life and endeavors the liveliness and flamboyance of his engagements with the microscope Cowan surveys Cajal s salient discoveries noting that almost every important conceptual issue in neurobiology

was foreshadowed in Cajal's work the initial description of the climbing fibers of the cerebellum the discovery of the growth cone the concept of the dynamic polarity of the neuron an anticipation of the later discovery of axonal transport and the prediction that new synapses may be formed throughout life to serve as a physical basis for learning and memory W Maxwell Cowen is Vice President and Chief Scientific Officer at the Howard Hughes Medical Institute **Recollections of My Life** Sir Joseph Fayrer, 1900 Account of physician at 2nd Burma War 1852 Lucknow 1857 Medical College Calcutta 1859 1872

Recollections of My Life as a Woman Diane Di Prima, 2001 *Recollections of My Life* HardPress, Maximilian Emperor of Mexico 1832-1867, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Recollections of My Life (Classic Reprint)* Hermann Krusi, 2015-07-11 Excerpt from *Recollections of My Life* While Professor Krusi in writing his autobiography *Recollections of My Life* aimed to make a concise sketch of his educational career avoiding all but necessary details his Record books to which he did not have access while writing the autobiography contain many passages that serve to fill out and enliven the sketch in a way that does not interfere with its directness and will make it acceptable to a wider range of readers Moreover the incidents of his life following the close of the educational period will be of great interest not only to his friends but for ethical reasons to the general reader also These incidents are abundantly supplied by the Record Therefore it has been thought that Professor Krusi's aim will not be defeated by combining passages from the Record with the *Recollections* following a plan which needs no explanation and by supplementing the account of his educational experiences with further extracts completing the picture of his life Longer passages have also been selected as deserving of publication and have been assigned to a separate part of this volume under the head of Essays All these productions except certain lectures were originally written either in the Record books or in his Miscellany as intellectual studies or pastimes by Professor Krusi solely for his own personal profit or enjoyment But so many hours of his life were occupied with the above writings that his friends felt it would be neglecting a duty did they not take steps to make them available to others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Recollections of my life* Santiago Ramón y Cajal, 1937 **Recollections** Carl Romney, 2012-04-23 This memoir outlines the life of a scientist

spanning much of the twentieth century It began at a time before radios were found in most American homes and before the advent of talking pictures His interest in science was born at an early age sparked by his mother as she introduced him to the stars in a dark Utah sky Early experiences and training were much the same as for any other boy at the time But with the beginning of war in Europe and the U S response by instituting universal conscription the draft he realized the importance of education in fulfilling his military obligation and enlisted in a Navy training program Navy service took him to Chicago and Southern California and eventually to little known Peleliu Island in the Western Pacific a foretaste of a life of frequent travel to follow World War II was followed all too soon by the retreat of the Soviet Union behind an Iron Curtain of secrecy a massive buildup of conventional forces and armed occupation of neighboring countries It became essential to know when they succeeded in building the atomic bomb This book is a first hand account in non technical terms of some of the ways in which this was accomplished This was followed by attempts to ban the bomb or at least to ban nuclear testing The author was fortunate to be near the center of U S efforts in many of these attempts and the book describes important activities and events that ultimately led to achieving the lesser of these goals
