Recollections Rural Ohio 1920 1940:

Recollections Marjorie Ida Meilander, 2004-07 This book is like no other flight training book you've seen before. It is complete from takeoff to landing, not the usual boring flight manual, and it will make your day-to-day operations a breeze. You will pass any check ride successfully after studying my book thoroughly GUARANTEED or your money back. I wrote this book solely as a way to help my fellow pilots. So order today. **The Oxford Handbook of Midwestern History** Jon Lauck, 2025 The Midwest region holds a pivotal place in the tapestry of American history. The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes, the emergence of Midwest regional consciousness after the Civil War, and the role of the Midwest's natural resources in the region's economic success and later decline. It presents the newest research on race, ethnicity, culture, politics, and economic development. It also considers the role of religion, organized labor, the presence of a diverse population of Germans, Irish, Dutch, and Latinos, and the influence of sports, nostalgia, populism, and isolationism. This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture, literary realism, visual culture, and constitutionalism. This treatment of Midwestern history marks a major turn towards the history of the American interior. In many ways, The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History. *Memories and Melancholy* Richard S. Scarsella, 2005 A collection of social and cultural articles published in regional newspapers over the past decade. [Along Ohio's Historic Route 20](#) Michael J. Till, 2013-09-09 Route 20 was named a federal highway in 1926 and for the first half of the 20th century it was the most important east-west road across northern Ohio. Extending from the Pennsylvania border east of Conneaut to its western terminus with Indiana, it made Ohio the connecting link between Northeastern and Midwestern states. Fortunately, Route 20 has remained virtually intact and can be traveled much as people did in years past. Postcard History Series Along Ohio's Historic Route 20 celebrates such a trip illustrated by more than 200 vintage postcards depicting views along the way: town and city scenes, rural vistas, and historic sites that drew early motorists to the highway are featured. Not to be forgotten are the tourist courts, hotels, diners, and gas stations that made automobile journeys possible. **America, History and Life**, 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada. **Chasing Dirt** Suellen Hoy, 1996-10-10 Americans in the early 19th century were, as one foreign traveller bluntly put it, filthy, bordering on the beastly, perfectly at home in dirty, bug-infested, malodorous surroundings. Many a home swarmed with flies, barnyard animals, dust, and dirt clothes were seldom washed; men hardly ever shaved or bathed. Yet gradually all this changed, and today Americans are known worldwide for their obsession with cleanliness, for their sophisticated plumbing, daily bathing, shiny hair, and teeth, and spotless clothes. In *Chasing Dirt*, Suellen Hoy provides a colorful history of this remarkable transformation from dreadfully

dirty to cleaner than clean ranging from the pre Civil War era to the 1950s when American s obsession with cleanliness reached its peak Hoy offers here a fascinating narrative filled with vivid portraits of the men and especially the women who helped America come clean She examines the work of early promoters of cleanliness such as Catharine Beecher and Sylvester Graham and describes how the Civil War marked a turning point in our attitudes toward cleanliness discussing the work of the U S Sanitary Commission headed by Frederick Law Olmsted and revealing how the efforts of Florence Nightingale in the Crimean War inspired American women such as Dorothea Dix Clara Barton and Louisa May Alcott to volunteer as nurses during the war We also read of the postwar efforts of George E Waring Jr a sanitary engineer who constructed sewer systems around the nation and who as head of New York City s street cleaning department transformed the city from the nation s dirtiest to the nation s cleanest in three years Hoy details the efforts to convince African Americans and immigrants of the importance of cleanliness examining the efforts of Booker T Washington who preached the gospel of the toothbrush Jane Addams at Hull House and Lillian Wald at the Henry Street Settlement House Indeed we see how cleanliness gradually shifted from a way to prevent disease to a way to assimilate to become American And as the book enters the modern era we learn how advertising for soaps mouth washes toothpastes and deodorants in mass circulation magazines showed working men and women how to cleanse themselves and become part of the increasingly sweatless odorless and successful middle class Shower for success By illuminating the historical roots of America s shift from dreadfully dirty to squeaky clean Chasing Dirt adds a new dimension to our understanding of our national culture And along the way it provides colorful and often amusing social history as well as insight into what makes Americans the way we are today

Minuteman John Kennedy Ohl, 2001 A significant contribution to our understanding of the role of the National Guard in World War II Maj James Gates Air Space Power Journal A wonderful historical panorama If you enjoy reading World War II annals through the lens of a biography you truly will have a good time with Minuteman Ohl also provides penetrating insights into past acrimony between the regular Army and the National Guard Minuteman without question will garner broad reader appeal within the defense intellectual community Colonel Richard J McCallum ARNG Parameters Minuteman gives an excellent look not only at Beightler s career and that of his division one of the best in the Pacific but also at the often strained relationship between the Regular and Guardsmen and at the organization training and operations of an infantry division An important book for anyone interested in the National Guard the Pacific War and the U S Army as an institution The NYMAS Newsletter Professor Ohl has made an important contribution to the literature of World War II Robert S Beightler s success story has been largely overlooked by military historians He was the only National Guardsman to lead his division in combat from mobilization in 1940 to V J Day in 1945 His astonishing saga helps to put into perspective those men of pre WWII America who prepared themselves to serve if the country ever needed them and it did Ohl s biography of Battling Bob Beightler is an inspiration for today s youth and serves to remind all Americans of the citizen soldier roots from which our

wartime armies come Major General Bruce Jacobs AUS Ret An overdue classic of American military literature Russell W Ramsey Ohl's deeply researched and carefully written biography of Ohio Guardsman Robert S Beightler is the kind of work that can only strengthen U S military history He provides an insightful assessment of an ardent Guardsman whose greatest desire was to serve his country as a combat commander and who realized his dream during World War II despite institutional obstacles posed largely by the regular Army Ohl has given us a fine piece of history that broadens our understanding of the U S military experience in the twentieth century Jerry Cooper Following World War II Robert S Beightler was one of only two US National Guard generals to be commissioned in the regular Army Ohl's revealing study traces Beightler's military career from his 1911 enlistment as a private in the Ohio National Guard through his rise to major general and appointment and tenure as commander of the Army's 37th Division during World War II Beightler's service in France during World War I and his successful leadership of the 37th in WW II's New Georgia Bougainville and Luzon campaigns are portrayed against the often rocky relationship between the Guard and the regular military establishment

CONTENTS

Formative Years In Federal Service The Good Years Camp Shelby Trial by Fire Bougainville On to Manila The Battle for Manila Shock Troops War's End Epilogue

Memoirs of the American Philosophical Society, 1957 Midwestern Women Lucy Eldersveld Murphy, Wendy Hamand Venet, 1997-12-22 an excellent introduction to a complex subject Anyone interested in the Midwest or in women's history will find it a valuable resource

Agricultural History the volume as a whole invigorates the field of midwestern history Wisconsin Magazine of History examines four centuries of Midwestern women's history including urban and rural frontier settlers and American Indians Mexican and European migrants The book mixes telling anecdotes with scholarly research Indianapolis Star Writing about four centuries of midwestern women's history including urban rural and frontier women Native Americans African Americans Mexicanas as well as European migrants essayists discuss ways midwestern women's lives resemble those women of other regions and ways in which their lives are distinctive By addressing a broad range of questions about the lives of midwestern women this volume encourages further research of this neglected but important group The volume also includes a lengthy bibliography

Farming the Cutover Robert J. Gough, 1997 Farming the Cutover describes the visions and accomplishments of these settlers from their perspective People of the cutover managed to forge lives relatively independent of market pressures and for this they were characterized as backward by outsiders and their part of the state was seen as a hideout for organized crime figures State and federal planners county agents and agriculture professors eventually determined that the cutover could be engineered by professional and academic expertise into a Progressive social model and the lives of its inhabitants improved By 1940 they had begun to implement public policies that discouraged farming and they eventually decided that the region should be depopulated and the forests replanted By exploring the history of an eighteen county region Robert Gough illustrates the travails of farming in marginal areas He juxtaposes the social history of the farmers with the opinions and programs of the experts who sought to improve

the region Significantly what occurred in the Wisconsin cutover anticipated the sweeping changes that transformed American agriculture after World War II

Catalog of Books--brochures, Sept. 1929-July 1945 Martha Kinney Cooper Ohioana Library (Columbus, Ohio),1945

Jolly Fellows Richard Stott,2009-09-21 Jolly fellows a term that gained currency in the nineteenth century referred to those men whose more colorful antics included brawling heavy drinking gambling and playing pranks Reforms especially the temperance movement stigmatized such behavior but pockets of jolly fellowship continued to flourish throughout the country Richard Stott scrutinizes and analyzes this behavior to appreciate its origins and meaning Stott finds that male behavior could be strikingly similar in diverse locales from taverns and boardinghouses to college campuses and sporting events He explores the permissive attitudes that thrived in such male domains as the streets of New York City California during the gold rush and the Pennsylvania oil fields arguing that such places had an important influence on American society and culture Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety It was here that unrestrained male behavior lasted the longest before being replaced with a new convention that equated manliness with sobriety and self control Even as the number of jolly fellows dwindled jolly themes flowed into American popular culture through minstrelsy dime novels and comic strips Jolly Fellows proposes a new interpretation of nineteenth century American culture and society and will inform future work on masculinity during this period

The Encyclopedia of Country Music Michael McCall,John Rumble,Paul Kingsbury,2012-02-01

Immediately upon publication in 1998 the Encyclopedia of Country Music became a much loved reference source prized for the wealth of information it contained on that most American of musical genres Countless fans have used it as the source for answers to questions about everything from country s first commercially successful recording to the genre s pioneering music videos to what conjunto music is This thoroughly revised new edition includes more than 1 200 A Z entries covering nine decades of history and artistry from the Carter Family recordings of the 1920s to the reign of Taylor Swift in the first decade of the twenty first century Compiled by a team of experts at the Country Music Hall of Fame and Museum the encyclopedia has been brought completely up to date with new entries on the artists who have profoundly influenced country music in recent years such as the Dixie Chicks and Keith Urban The new edition also explores the latest and most critical trends within the industry shedding light on such topics as the digital revolution the shifting politics of country music and the impact of American Idol reflected in the stardom of Carrie Underwood Other essays cover the literature of country music the importance of Nashville as a music center and the colorful outfits that have long been a staple of the genre The volume features hundreds of images including a photo essay of album covers a foreword by country music superstar Vince Gill the winner of twenty Grammy Awards and twelve fascinating appendices ranging from lists of awards to the best selling country albums of all time Winner of the Best Reference Award from the Popular Culture Association Any serious country music fan will treasure this authoritative book The Seattle Times A long awaited major accomplishment which educators historians and

students broadcasters and music writers artists and fans alike will welcome and enjoy The Nashville Musician Should prove a valuable resource to those who work in the country music business But it s also an entertaining read for the music s true fans Houston Chronicle This big handsome volume spans the history of country music listing not only artists and groups but also important individuals and institutions San Francisco Examiner Promises to be the definitive historical and biographical work on the past eight decades of country music Well written and heavily illustrated an unparalleled work worth its price and highly recommended Library Journal

Gender and Generation on the Far Western Frontier Cynthia Culver Prescott, 2022-05-10 As her family traveled the Oregon Trail in 1852 Mary Ellen Todd taught herself to crack the ox whip Though gender roles often blurred on the trail families quickly tried to re establish separate roles for men and women once they had staked their claims For Mary Ellen Todd who found a secret joy in having the power to set things moving this meant trading in the ox whip for the more feminine butter churn In Gender and Generation on the Far Western Frontier Cynthia Culver Prescott expertly explores the shifting gender roles and ideologies that countless Anglo American settlers struggled with in Oregon s Willamette Valley between 1845 and 1900 Drawing on traditional social history sources as well as divorce records married women s property records period photographs and material culture Prescott reveals that Oregon settlers pursued a moving target of middle class identity in the second half of the nineteenth century Prescott traces long term ideological changes arguing that favorable farming conditions enabled Oregon families to progress from accepting flexible frontier roles to participating in a national consumer culture in only one generation As settlers children came of age participation in this new culture of consumption and refined leisure became the marker of the middle class Middle class culture shifted from the first generation s emphasis on genteel behavior to a newer genteel consumption This absorbing volume reveals the shifting boundaries of traditional women s spheres the complicated relationships between fathers and sons and the second generation s struggle to balance their parents ideology with a changing national sense of class consciousness

The Tennessee Country Kenneth Murray, 1995 Leading the reader through a rich collection of the state s lore told in the words of those who lived it these accounts come from narratives of

Native American myths and legends and journals of early travelers in the region Representing the heritage of scenic rivers and forests that remain to inspire visitors seeking a refuge from today's throwaway culture the beautiful full color landscape photographs offer hope that this heritage may be preserved

Triumph of the Expert Joseph Morgan Hodge, 2007-02-15

The most striking feature of British colonialism in the twentieth century was the confidence it expressed in the use of science and expertise especially when joined with the new bureaucratic capacities of the state to develop natural and human resources of the empire Triumph of the Expert is a history of British colonial doctrine and its contribution to the emergence of rural development and environmental policies in the late colonial and postcolonial period Joseph Morgan Hodge examines the way that development as a framework of ideas and institutional practices emerged out of the strategic engagement between science and the state at the climax of the British Empire Hodge looks intently at the structural constraints bureaucratic fissures and contradictory imperatives that beset and ultimately overwhelmed the late colonial development mission in sub Saharan Africa south and southeast Asia and the Caribbean Triumph of the Expert seeks to understand the quandaries that led up to the important transformation in British imperial thought and practice and the intellectual and administrative legacies it left behind

Lum and Abner Randal L. Hall, 2014-10-17

In the 1930s radio stations filled the airwaves with programs and musical performances about rural Americans farmers and small town residents struggling through the Great Depression One of the most popular of these shows was Lum and Abner the brainchild of Chester Chet Lauck and Norris Tuffy Goff two young businessmen from Arkansas Beginning in 1931 and lasting for more than two decades the show revolved around the lives of ordinary people in the fictional community of Pine Ridge based on the hamlet of Waters Arkansas The title characters who are farmers local officials and the keepers of the Jot Em Down Store manage to entangle themselves in a variety of hilarious dilemmas The program's gentle humor and often complex characters had wide appeal both to rural southerners who were accustomed to being the butt of jokes in the national media and to urban listeners who were fascinated by descriptions of life in the American countryside Lum and Abner was characterized by the snappy verbal comedic dueling that became popular on radio programs of the 1930s Using this format Lauck and Goff allowed their characters to subvert traditional authority and to poke fun at common misconceptions about rural life The show also featured hillbilly and other popular music an innovation that drew a bigger audience As a result Arkansas experienced a boom in tourism and southern listeners began to immerse themselves in a new national popular culture In Lum and Abner Rural America and the Golden Age of Radio historian Randal L Hall explains the history and importance of the program its creators and its national audience He also presents a treasure trove of twenty nine previously unavailable scripts from the show's earliest period scripts that reveal much about the Great Depression rural life hillbilly stereotypes and a seminal period of American radio

Who's who in Commerce and Industry, 1965

Women in American History Cynthia Ellen Harrison, 1979
