Reconciliation In The Asiapacific:

Reconciliation in the Asia-Pacific Yōichi Funabashi, 2003 History has left many scars in the Asia Pacific. Injuries inflicted generations ago are still fresh in the collective memories of the peoples of the region. Hobbled efforts to repair relationships between old adversaries. But recently the spirit of reconciliation seems to have acquired new life. From Korea to Japan to China longtime enemies are trading apologies and looking ahead. In this remarkably timely volume Yoichi Funabashi one of Japan's most influential journalists and seven authors from throughout the Asia Pacific shine the spotlight on the prospects for reconciliation in the region. Looking at instances of inter ethnic as well as international strife this book lays out the background to each case analyzes the impact of unresolved and sometimes unacknowledged grievances and weighs the prospects for overcoming the burden of history. Not all the cases inspire optimism at least in the short term for bitter memories have burrowed deep into society and are intertwined with issues of political power and ethnic identity. But in some parts of the region palpable progress toward reconciliation is being made. In his conclusion Funabashi identifies the key steps that governments and publics must take if they are to come to terms with the past. *Multiculturalism and Conflict*

Japan has recently promoted a number of initiatives that can be termed an opening to the world and the Asia Pacific in particular. These have origins in Japan's globalization generally and multicultural policies more specifically. The chapters in this book are grouped in three parts: theories language and migration and they explicate details of multiculturalism in the Asia Pacific largely focused on Japan but including cases that extend beyond Japan as well. Alternative understandings based on analyzing conflicts and moving towards reconciliation underscore the urgency of viewing multiculturalism in Japan and the Asia Pacific from perspectives that are firmly based in the region. Themes such as immigration identity foreign language education politics and language English language policies dual citizenship foreign labor policies and movements and higher education are all addressed in the individual chapters. This book will be of interest to scholars of multiculturalism in a wide variety of fields. Elayah, Laurent A. Lambert, 2023-03-12 This book explores the challenges of the governance and public policy in the midst and after conflicts revolutions and civil wars in the Middle East and Africa As anywhere else the task of rebuilding peace and institutionalizing stability in countries experiencing a conflict or just emerging from it is daunting uncertain and context specific Yet focusing on the Middle East and Africa is of particular relevance as these two regions feature the highest numbers of inter and intra state conflicts on the one hand and the central states are more often contested than in the rest of world regions The first half of the book proposes different cases addressing the fundamental challenge of inclusion and cohesion as well as the recurring

issue of exclusion in conflict affected situations with four different cultural and institutional settings The second half of the book offers more theoretical insights and proposed pathways to develop more inclusive and peaceful governance settings in Africa the Middle East and beyond This edited book has been designed to be a helpful contribution to the analysis of conflict and post conflict governance and peacebuilding To do so it deploys different lenses of social sciences especially public policy and international relations but also benefits from social psychology political anthropology and other disciplines that enable a more comprehensive understanding of the multifaceted complex and dynamic issues at play
