Teach Us to Pray Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord s Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord s Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century

Reconciliation Karen Helsel, 1999 Prepare everyone in the congregation for a meaningful Lenten season with this worship guide for Reconciliation Designed to be used each weekday during the season of Lent it encourages individuals to read short sections from the Bible then reflect on the meaning of the readings in their own lives Six study guides for group discussion enable small groups to discuss how reconciliation is working in their own lives Stimulating questions will lead to a shared experience and closer ties among church members A Companion volume of sermon outlines and program ideas is available Karen Helsel has served as a

The Sermons, Manuscripts, and Language of Roberto Caracciolo da Lecce ,2024-11-11 The book offers studies on different aspects of the life activity and written works of Roberto da Lecce one of the most famous preachers of fifteenth century Italy His preaching cycles in Italian cities were attended by huge crowds and are representative for the activity of many other less known confreres and in the meantime exceptional for their number and success His sermons were read and re used throughout Europe contributing to shaping the shared religious culture The nine authors of this book have addressed this polyhedric figure from ten different perspectives Contributors are Yoko Kimura Salvatore Leaci Andrea Rado evi Cecilia Rado Carolyn Muessig Giacomo Mariani Marco Maggiore Lyn Blanchfield and Steven J McMichael

Preaching with Children Ann M. Garrido, Preaching in congregations with many children is one of the most difficult challenges many preachers face Whether you are a priest deacon catechist or prayer leader this book offers practical help in crafting specific homilies for children Drawing on insights gleaned within the Catechesis of the Good Shepherd Garrido helps preachers understand key characteristics of childhood and children s spirituality and presents ways to reflect on Scripture through the lens of the young child Preachers will discover that they are preaching with children rather than preaching to them

The Megachurch and the Mainline Stephen Ellingson,2008-09-15 Religious traditions provide the stories and rituals that define the core values of church members Yet modern life in America can make those customs seem undesirable even impractical As a result many congregations refashion church traditions so they may remain powerful and salient How do these transformations occur How do clergy and worshipers negotiate which aspects should be preserved or discarded Focusing on the innovations of several mainline Protestant churches in the San Francisco Bay Area Stephen Ellingson s *The Megachurch and the Mainline* provides new understandings of the transformation of spiritual traditions For Ellingson these particular congregations typify a new type of Lutheranism one which combines the evangelical approaches that are embodied in the growing legion of megachurches with American society s emphasis on pragmatism and consumerism Here Ellingson provides vivid descriptions of congregations as they sacrifice hymns in favor of rock music and scrap traditional white robes and stoles for Hawaiian shirts while also making readers aware of the long history of similar attempts to Americanize the Lutheran tradition This is an important examination of a religion in flux one that speaks to the growing popularity of evangelicalism in America
