## **Reconstructing Gender In A New Voice:**

A Companion to the Civil War and Reconstruction Lacy Ford, 2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history

**Gender, Peacebuilding, and Reconstruction** Caroline Sweetman, 2005 This collection of articles explores conflict prevention through development projects in places where resources are scarce and age old agreements between groups come under strain

**Gender and the Making of Modern Medicine in Colonial Egypt** Hibba Abugideiri, 2016-04-15 Gender and the Making of Modern Medicine in Colonial Egypt investigates the use of medicine as a tool of empire to serve the state building process in Egypt by the British colonial administration It argues that the colonial state effectively transformed Egyptian medical practice and medical knowledge in ways that were decidedly gendered On the one hand women medical professionals who had once trained as doctresses hakimas were now restricted in their medical training and therefore saw their social status decline despite colonial modernity s promise of progress On the other hand the introduction of colonial medicine gendered Egyptian medicine in ways that privileged men and masculinity Far from being totalized colonial subjects Egyptian doctors paradoxically reappropriated aspects of Victorian science to forge an anticolonial nationalist discourse premised on the Egyptian woman as mother of the nation By relegating Egyptian women whether as midwives or housewives to maternal roles in the home colonial medicine was determinative in diminishing what control women formerly exercised over their profession homes and bodies through its medical dictates to care for others By interrogating how colonial medicine was constituted Hibba Abugideiri reveals how the rise of the modern state configured the social formation of native elites in ways directly tied to the formation of modern gender identities and gender inequalities in colonial Egypt

**Gender, Development and Disasters** Sarah Bradshaw, 2013-04-01 Disaster research owes a lot to development studies and yet the debt is often not acknowledged In this scholarly but accessible book by Sarah Bradshaw we see a very effective linking of gender disaster and development that will be of value to academics and practitioners working in and across all these domains Maureen Fordham University of Northumbria UK Bringing gender into the foreground in both development and disaster discourse the author challenges received wisdom and offers cautionary notes about reinforcing inequalities through feminized disaster interventions The book is an outstanding platform for fundamental change in how we think about and act toward gender in disaster contexts leaving readers cautiously optimistic This is one for the top shelf a book we have been waiting for and must put to use Elaine Enarson founder Gender and Disaster Resilience Alliance

Once in a while a book is published which offers an empirically and theoretically informed analysis of an under studied topic which helps to carve out a new field of enquiry Such is the case with Dr Sarah Bradshaw s breathtakingly detailed richly first

hand informed and incisive account of the frequently paradoxical co option of women into the analysis and practice of disaster in developing economies Bradshaw s eminently comprehensive well substantiated perceptive and sensitive treatment of the A to Z of gender and disaster in developing country contexts constitutes a 21st century volume which will be a definitive benchmark for scholars policymakers practitioners and feminist activists at a world scale Sylvia Chant London School of Economics UK The need to disaster proof development is increasingly recognised by development agencies as is the need to engender both development and disaster response This unique book explores what these processes mean for development and disasters in practice Sarah Bradshaw critically examines key notions such as gender vulnerability risk and humanitarianism underpinning development and disaster discourse Case studies are used to demonstrate how disasters are experienced individually and collectively as gendered events Through consideration of processes to engender development it problematizes women s inclusion in disaster response and reconstruction The study highlights that while women are now central to both disaster response and development tackling gender inequality is not By critically reflecting on gendered disaster response and the gendered impact of disasters on processes of development it exposes some important lessons for future policy This timely book examines international development and disaster policy which will prove invaluable to gender and disaster academics students and practitioners

*A Social History Of Women And Gender In The Modern Middle East* Margaret Lee Meriwether,2018-02-12 Synthesizing the results of the extensive research on women and gender done over the last twenty years Margaret L Meriwether and Judith E Tucker provide an accessible overview of the scholarship on women and gender in the nineteenth and twentieth century Middle East The book is organized along thematic lines that reflect major focuses of research in this area gender and work gender and the state gender and law gender and religion and feminist movements and each chapter is written by a scholar who has done original research on the topic

**Language and Identity in the Israel-Palestine Conflict** Camelia Suleiman,2011-09-30 The conflict between Israel and Palestine is and remains to be one of the most widely and passionately debated issues in the Middle East and in the field of international politics An important part of this conflict is the dimension of self perception of both Israelis and Palestinians caught up in its midst Here Camelia Suleiman using her background in linguistic analysis examines the interplay of language and identity feminism and nationalism and how the concepts of spatial and temporal boundaries affect self perception She does this through interviews with peace activists from a variety of backgrounds Palestinians with Israeli citizenship Jewish Israelis as well as Palestinians from Ramallah officially holders of Jordanian passports By emphasizing the importance of these levels of official identity Suleiman explores how self perception is influenced negotiated and manifested and how place of birth and residence play a major role in this conflict This book therefore holds vital first hand analysis of the conflict and its impact upon both Israelis and Palestinians making it crucial for anyone involved in Middle East Studies Conflict Studies and International Relations

Rethinking Orientalism Reina Lewis,2004-09-24 The oppressed yet highly sexualized woman of

the Muslim harem is arguably the pivotal figure of Western orientalism Yet as Reina Lewis demonstrates while orientalist thinking had recently been challenged Western understandings of Middle Eastern culture remain limited This book presents alternative dialogues between Ottoman and Western women Lewis examines from the position of cultural theory the published autobiographical accounts about segregated life of self identified Oriental women Demetra Vaka Brown Halide Edib Zeyneb Hanum Melek Hanum and Grace Ellison Bringing her subjects vividly to life Lewis uses these texts to challenge the Western orientalist stereotypes that have become commonplace within postcolonial theory

**Willa Cather's Transforming Vision** Gary Brienza, 1994 Willa Cather's *Transforming Vision* New France and the American Northeast explores Cather's search for meaning and a domestic center in particular as her search was influenced by her feelings for New France and the American Northeast Including biography critical overview and primary research into both Cather's writing and some of her most unusual historical sources this study focuses on *Shadows on the Rock* while incorporating this pivotal novel into the larger pattern of Cather's growing need for belonging and order *Shadows on the Rock* set in the city of Quebec Kebec at the end of the seventeenth century is Cather's fullest expression of love for French culture and its adaptation to New World soil But more than a mere extolling of what Mme Auclair in *Shadows* proudly calls our way a skill with all things domestic that she boasts renders the French the most civilized people in Europe this novel is a statement of faith in the ability of both individuals and larger societal orders to work together for the creation of an all encompassing whole Writing at mid life after the recent illnesses and deaths of her parents Cather could posit in her story of New France a familial order much larger than the domestic heart of her earlier masterpiece *My Antonia* In all of Quebec as in the incomplete but fruitful home of the widowed apothecary Euclide Auclair and his daughter Cecile life is sustained by a merging of gender and social roles as a bishop can become the symbolic head of an entire church as well as of a troubled family and a bellicose count can play as warm and nurturing a role as the gentlest of parents

*Reconstructing Gender in Middle East* Fatma Muge Gocek, Balaghi Shiva, 1995-06-15 Employing a broad interdisciplinary perspective on gender relations *Reconstructing Gender in the Middle East* questions long standing stereotypes about the traditional subordination of women in the region With essays on gender construction in Iran Turkey Israel Morocco Egypt Lebanon and the Occupied Territories this collection offers a wide ranging exploration of tradition identity and power in different parts of the Middle East Seeking to overcome monolithic Western notions of women's life in the traditional society the essays in Part I reexamine the assumption that such societies leave little room for female participation Part II focuses on the reconstruction of identities by women in Iran Turkey Israel and the Occupied Territories The authors examine the complex variables that contribute to the development of identities including gender class and ethnicity in various Middle Eastern societies questioning whether certain identities are more important to women than others These essays also look at the issue of group identity formation versus the autonomy of the individual Part III looks at the relationship between gender and power in everyday life in Lebanon

Israel Egypt and Morocco showing how power relations are constantly contested and renegotiated among family members and members of a community between nations and between men and women With its collection of enlightened and diverse contemporary perspectives on women in the Middle East *Reconstructing Gender in the Middle East* is an important work that will have significant impact on the way we look at gender in traditional societies *Gender Dynamics and Post-conflict Reconstruction* Christine Eifler, Ruth Seifert, 2009 This volume by international authors deals with the role of gender dynamics in the development of post conflict societies The authors describe and analyze diverse aspects of the intertwining of gender and other social and cultural relations from an interdisciplinary perspective They analyze gendered post conflict dynamics in diverse contexts asking for the consequences these developments have in the settings under investigation such as Eastern and Southeastern Europe Palestine and Afghanistan *Kenya Reconstructing?* Roseline M. Achieng', 2012 A former programmes manager at the Council for the Development of Social Science Research in Africa CODESRIA Dr Achieng is currently in charge of developing the academic and research components of the sociology section of the School of Social Sciences Monash South Africa Book Jacket **China's New Voices** Nimrod Baranovitch, 2003-08-01 This is the most comprehensive study to date of the rich popular music scene in contemporary China Focusing on the city of Beijing and drawing upon extensive fieldwork China's New Voices shows that during the 1980s and 1990s rock and pop music combined with new technologies and the new market economy have enabled marginalized groups to achieve a new public voice that is often independent of the state Nimrod Baranovitch analyzes this phenomenon by focusing on three important contexts ethnicity gender and state politics His study is a fascinating look at the relationship between popular music in China and broad cultural social and political changes that are taking place there Baranovitch's sources include formal interviews and conversations conducted with some of China's most prominent rock and pop musicians and music critics with ordinary people who provide lay perspectives on popular music culture and with others involved in the music industry and in academia Baranovitch also observed recording sessions concerts and dance parties and draws upon TV broadcasts and many publications in Chinese about popular music keywords Ethnicity **The Social Reconstruction of the Feminine Character** Sondra Farganis, 1996-06-30 A classic in feminist theory *The Social Reconstruction of the Feminine Character* is a stimulating and thought provoking book that brings to light the ways in which views of women are shaped by concrete conditions It compares feminism to other contemporary social movements that are raising questions about advanced industrial society In this new edition Farganis includes chapters on feminist legal theory and queer theory and updates the chapters on science reason and morality **Gender Justice, Citizenship & Development**, Printbegr nsninger Der kan printes kapitelvis *The Gender Knot* Allan Johnson, 2014-10-19 New Third Edition *The Gender Knot* Allan Johnson's response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn't how it works and what gets in the way of understanding and doing something about it Johnson's simple yet

powerful approach avoids the paralyzing trap of guilt blame anger and defensive denial that often results from conversations about gender This edition features Updated references data resources and examples especially in relation to issues of sexual orientation and gender identity e g gay marriage transgender cisgender A glossary of terms A new chapter What Changes and What Does Not Manhood and Violence that provides an extended analysis of the causes of men s violence as a patriarchal phenomenon

**The Muslim World Book Review** ,1995

**Gender and Development** Janet Momsen,2019-09-17 This revised and updated third edition of Gender and Development provides a concise accessible introduction to gender and development issues in the developing world and in the transition countries of Eastern and Central Europe The nine chapters include discussions on changes in theoretical approaches gender complexities and the Sustainable Development Goals social and biological reproduction including changing attitudes to family planning variation in education and access to housing differences in health and violence at major life stages for women and men natural disasters climate change and declining natural resources and gender roles in rural

and urban areas There is also enhanced coverage of topics such as global trade sport as a development tool masculinities and sustainable agriculture Maps and statistics have been updated throughout and their coverage widened New case studies have been added on Bangladesh violence in Peru and India and halal tourism and garbage collection in the Maldives The book features student friendly items such as chapter learning objectives discussion questions and annotated guides to further reading and websites The text is enlivened throughout with examples and case studies drawn from the author s worldwide field research and consultancies with international development agencies over four decades and her experience of teaching the topic to undergraduates and postgraduates in many countries Gender and Development is the only broad based introduction to the topic written specifically for a student audience It will be an essential text for a variety of courses on development women s studies sociology anthropology and geography **Suffrage Reconstructed** Laura E.

Free,2015-09-04 The Fourteenth Amendment ratified on July 9 1868 identified all legitimate voters as male In so doing it added gender specific language to the U S Constitution for the first time Suffrage Reconstructed is the first book to consider how and why the amendment s authors made this decision Vividly detailing congressional floor bickering and activist campaigning Laura E Free takes readers into the pre and postwar fights over precisely who should have the right to vote Free demonstrates that all men black and white were the ultimate victors of these fights as gender became the single most important marker of voting rights during Reconstruction Free argues that the Fourteenth Amendment s language was shaped by three key groups African American activists who used ideas about manhood to claim black men s right to the ballot postwar congressmen who sought to justify enfranchising southern black men and women s rights advocates who began to petition Congress for the ballot for the first time as the Amendment was being drafted To prevent women s inadvertent enfranchisement and to incorporate formerly disfranchised black men into the voting polity the Fourteenth Amendment s congressional authors turned to gender to define the new American voter Faced with this exclusion some woman suffragists most notably Elizabeth Cady Stanton turned to rhetorical racism in order to mount a campaign against sex as a determinant of one s capacity to vote Stanton s actions caused a rift with Frederick Douglass and a schism in the fledgling woman suffrage movement By integrating gender analysis and political history Suffrage Reconstructed offers a new interpretation of the Civil War era remaking of American democracy placing African American activists and women s rights advocates at the heart of nineteenth century American conversations about public policy civil rights and the franchise
