Reconstructing Religious Spiritual And Moral Education:

Reconstructing Religious, Spiritual, and Moral Education Clive Erricker, Jane Erricker, 2000 Focuses on the importance of transforming religious education and using its potential to address the worldviews of children

Reconstructing Religious, Spiritual and Moral Education Clive Erricker, Jane Erricker, 2012-11-12 Religious Education is now identified as a shortage subject as a growing number of pupils in schools opt for it The growing emphasis on children's moral and spiritual education the DfEE's hunt for new teachers OFSTED's calls for improvement and reinforced links with philosophy have pushed the subject into the spotlight Based on research and partnership with schools this book examines and explains the role of Religious Education in the curriculum the role of spirituality in children's lives better teaching practice giving practical examples Integrative Religious Education in Europe Wanda Alberts, 2012-02-14 This book is a contribution to the development of the young discipline of the didactics of the Study of Religions Religionswissenschaft in international perspective Integrative religious education refers to education about different religions in classrooms with children of various religious and non religious backgrounds Cornerstones of recent debates about theory and methodology in the academic study of religions and in education are discussed in the first chapter They form the basis of the following analysis and evaluation of current approaches to integrative religious education in Europe with a special focus on England and Sweden Particular attention is paid to the different underlying concepts of religion education and ways of representing religious plurality in these approaches Building on a discussion of the current situation of teaching and learning about religions in schools in Europe in the context of wider cultural social and political debates the book concludes with the suggestion of a framework for integrative religious education in Europe from a perspective that combines insights from the study of religions and education **Rethinking Religious Education and Plurality** Robert Jackson, 2013-02 This book offers a critical view of approaches to the treatment of different religions in contemporary education in order to devise approaches to teaching and learning and to formulate policies and procedures that are fair and just to all *International Handbook of the Religious, Moral and Spiritual Dimensions in Education* Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the

chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world

Primary Religious Education - A New Approach Clive Erricker, Judith Lowndes, Elaine Bellchambers, 2010-09-13 The role of Religious Education within the primary school and how it should be implemented has been the subject of worldwide debate Responding to the delivery of the non statutory framework for RE and the recent emphasis on a creative primary curriculum Primary Religious Education A New Approach models a much needed pedagogical framework encouraging conceptual enquiry and linking theory to its implementation within the wider curriculum in schools The book outlines this new conceptual approach to Religious Education and is based upon the Living Difference syllabus

successfully implemented in Hampshire Portsmouth Southampton and Westminster It demonstrates how to implement the requirements of the new QCDA curriculum and Ofsted criteria for effective RE and is rapidly gaining both national and international support Through this approach Religious Education is discussed within the larger context of primary education in the contemporary world This book will help you to teach RE in a creative way in the primary classroom by providing historical commentaries an overview of existing approaches case studies based upon developments in religious literacy connections to initiatives such as Every Child Matters and cross curricular links to other areas of the curriculum including PSHE With an all encompassing global context this book provides tutors students and practicing teachers with a firm basis for developing their thinking about the subject of RE how it is placed in the primary curriculum and how it may be successfully implemented in schools

Religion and Worldviews in Education Liam Gearon,Arniika Kuusisto,Saila Poulter,Auli Toom,Martin Ubani,2023-07-21 This timely book offers a critically important contribution to debates around the meeting place of religious and secular worldviews in education Edited by five leading figures in the field and drawing on expert international scholarship and research the book provides cutting edge analysis that bridges the religious and secular in global educational contexts Considering the role of the United Nations UNESCO OECD and PISA in varied international contexts the book draws on critical analysis of primary empirical research and secondary critique to offer a coherent blend of theoretically complex yet practical analysis of policy implementation Throughout this accessible and logically structured volume the authors assert that the meeting place of religious and secular worldviews is one of the most important and pressing issues for religion in education As a field defining work of research into education religion and worldviews the book will be essential reading for scholars researchers and postgraduate students in the fields of religious education religious studies philosophy of education and international education

Beyond Intolerance Stella Adamma Nneji,2018-04-20 There is no gainsaying the fact that the problem of religious intolerance has become a worldwide problem In todays pluralistic society the dialogical tension between openness and identity has become a major challenge for interreligious dialogue and peaceful co existence This tension is expressed in the question Can one maintain ones own religious identity without one closing oneself off from the other This question is central to the challenges posed on how religious education can contribute to sustainable peace in Nigeria and the world over In this book Stella Nneji critically assesses the various models of religious pedagogy mono religious multi religious and inter religious by asking how these models relate to the dialogical tension between openness and identity in Nigeriaaa nation perceivably confronted with an enduring history of post colonial strife religious intolerance and violence The contention is that the mono religious and multi religious models which while dominant in current practice and in academia nevertheless fall short of expressing the authentic challenges and opportunities religious intolerance presents in Nigerian multi religious cultural context In this connection this book provides a clear notion of the theological foundation principles and framework of inter religious education and a practical guide for authentic dialogue in a

plural context She calls for a paradigm shift for confessional religious pedagogy to a model of inter religious learning as incorporated within the hermeneutical communicative education On this basis the book proposes a new model for the role of religious education in Nigeria This model in a critical enculturated way attempts to recognize the tensions of authentic religious difference presupposing a broad spectrum of difference in the classroom in a way that also incorporates genuine religious encounters and expressions of identity

The Bloomsbury Handbook of Religious Education in the Global South Yonah Hisbon Matamba, Bruce A. Collet, 2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems

Religious Education and Critical Realism Andrew Wright, 2015-11-19 Religious Education and Critical Realism Knowledge Reality and Religious Literacy seeks to bring the enterprise of religious education in schools colleges and universities into conversation with the philosophy of Critical Realism This book addresses the problem not of the substance of our primal beliefs about the ultimate nature of reality and our place in the ultimate order of things but of the process through which we might attend to questions of substance in more attentive reasonable responsible and intelligent ways This book unpacks the impact of modern and post modern thought on key topics whilst also generating a new critically realistic vision Offering an account of the relationship between Religious Education and Critical Realism this book is essential reading for students scholars and practitioners interested in philosophy theology and education
