It is truly an international effort at all levels as the editors from Australia, Ross D. Farhadieh, the UK, Neil W. Bulstrode, and Canada, Sabrina Cugno, have joined forces to recruit over 130 international contributors and produce a resource of over 1100 pages that provides a well organized and thorough yet succinct text of the essentials of current plastic surgery. Many of the contributors are world renowned experts; however, there is also a new generation of young rising stars whose contributions are equally good, providing a new, fresh and contemporary feel.
