Franciscan Frontiersmen Robert A. Kittle,2017-05-18 Pious and scholarly the Franciscan friars Pedro Font Juan Cresp and Francisco Garc s may at first seem improbable heroes Beginning in Spain their adventures encompassed the remote Sierra Gorda highlands of Mexico the deserts of the American Southwest and coastal California Each man s journey played an important role in Spain s eighteenth century conquest of the Pacific coast but today their names and deeds are little known Drawing on the diaries and correspondence of Font Cresp and Garc s as well as his own exhaustive field research Robert A Kittle has woven a seamless narrative detailing the friars striking accomplishments Starting with a harrowing transatlantic voyage all three traveled through uncharted lands and found themselves beset by raiding Indians marauding bears starvation and scurvy Along the way they made invaluable notes on indigenous peoples flora and fauna and prominent eighteenth century European colonial figures Font the least celebrated of the three recorded the daily events of the 1775 76 colonizing expedition of Juan Bautista de Anza while serving as its chaplain Font s legacy includes some of the earliest accurate maps of California between San Diego Bay and San Francisco Bay Garc s an itinerant missionary developed close relationships with Indians in Sonora and California He learned their languages and lived and traveled with them usually as the only white man and brokered dozens of peace agreements before he was killed in a Yuma uprising Cresp who traveled up the California coast with Father Jun pero Serra kept meticulous journals of an expedition to reconnoiter the San Francisco Bay area the Sacramento and San Joaquin Rivers and the northern reaches of California s central valley This enthralling narrative elevates these Spanish friars to their rightful place in the chronicle of American exploration It brings their exploits out of the shadow of the American Revolution and Lewis Clark expedition while also illuminating encounters between European explorers and missionaries and the American Indians who had occupied the Pacific coast for millennia *Census Bureau Guide to Transportation Statistics* United States.
