Stuart Ball and Anthony Seldon

Recovering Power The Conservatives In Opposition Since 1867

Andrew S. Roe-Crines, Timothy Heppell

Recovering Power The Conservatives In Opposition Since 1867:

Recovering Power Anthony Seldon, 2005-04-01 The Conservative Party's periods in opposition have been of crucial importance. They have seen major changes in direction and often been the springboard for recovering power. There have also been leadership crises and bitter divisions and recovery was never inevitable. In the first study to examine the topic as a whole, leading authorities present new evidence and interpretations. The book makes a significant contribution to our understanding of the Conservative Party and of opposition in modern British politics. **The Conservatives Since 1945**

Tim Bale, 2012-09-20 The Conservatives since 1945 is about how and why parties in general and the Conservative Party in particular make changes to the face they present to the electorate, the way they organize themselves and the policies they come up with. This is an in-depth but comprehensive study based on original archival sources. **The Evolution of**

Conservative Party Social Policy B. Williams, 2015-05-13 This book addresses how the Conservative Party has refocused its interest in social policy. Analysing to what extent the Conservatives have changed within this particular policy sphere, the book explores various theoretical, social, political and electoral dimensions of the subject matter. The Conservatives under

David Cameron S. Lee, M. Beech, 2009-04-08 The Conservatives under David Cameron provides the first and definitive analysis of the development of New Conservative ideology and policy during the tenure of David Cameron, identifying both continuity and change and evaluating the party's fitness to govern. **Neo-Tories** Bernhard Dietz, 2018-05-31 The danger to British democracy in the interwar period came from a different source to that which has thus far been assumed. It came from a network of radical conservatives who challenged the political system and sought to replace it with an authoritarian corporate state. In this book, Bernhard Dietz provides the first systematic analysis of this network and its members, which are called Neo Tories. With strong links to the European right, yet a minority back home, this group of British conservatives are all the more fascinating today because it is on their ultimate failure that the success of British democracy rested. *Policies and*

Politics Under Prime Minister Edward Heath Andrew S. Roe-Crines, Timothy Heppell, 2020-12-10 This book explores the political and intellectual significance of Edward Heath's leadership of the Conservative Party. It contains a series of original and distinctive chapters that feature extensive archival materials and original insights from leading political scientists and historians. The volume contributes significantly to our understanding of Conservative Party politics, leadership and conservatism more broadly.

Cross-Party Politics in Britain, 1945-2019 Alan Wager, 2024 From Winston Churchill to Nick Clegg, Tony Blair to Nigel Farage, elite British politicians have privately and publicly toyed with the concept of co-operating with their competitors. *Cross Party Politics in Britain 1945-2019* takes a historical comparative look at seven such cases from the last 80 years. Winston Churchill Richard Toye, 2017-01-12 Winston Churchill is a renowned historical figure whose remarkable political and military career continues to enthral. This book consists of short, highly readable chapters on key aspects of Churchill's career. Written by leading experts, the chapters draw on documents from Churchill's extensive personal

papers as well as cutting edge scholarship Ranging from Churchill s youthful statesmanship to the period of the Cold War the volume considers his military strategy during both World Wars as well as dealing with the social political and economic issues that helped define the Churchillian era Suitable for those coming to Churchill for the first time as well as providing new insights for those already familiar with his life this is a sparkling collection of essays that provides an enlightening history of Churchill and his era Mastering British Politics F.N. Forman,Nicholas Baldwin,2007-08-09 Containing all the information and analysis needed to understand the British system of Government and politics Mastering British Politics is an essential text This fifth edition has been fully revised and updated to reflect the results of and developments since the 2005 General Election *Political Parties in the UK* Alistair Clark,2018-08-22 The second edition of this popular textbook provides a systematic and comprehensive introduction to UK party politics combining chapters on each of the main parties Conservative Labour the Liberal Democrats and the Scottish National Party with an assessment of post devolution Scotland Wales and Northern Ireland Clark analyses the extraordinary recent developments in UK politics including Brexit the 2015 and 2016 Labour leadership contests and the surprise 2017 general election exploring how these events have impacted the political parties the people of the UK and the UK s position in the world The book also covers the rise of minority parties such as UKIP the influence of the media and party campaigning organisation and funding Written in an accessible style this new edition is an essential companion for students taking modules on British Political Parties Party Politics or British Politics more generally as well as functioning as a useful background text for modules in Comparative Political Parties It is an ideal introduction for all readers new to the topic New to this Edition A new chapter on the Scottish National Party takes account of their rise their role as a governing party in Scotland and becoming the third largest party at Westminster Up to date coverage of all the latest developments affecting UK political parties including the Scottish referendum the 2015 and 2017 general elections the 2016 devolved elections and Brexit Extended coverage of the rise and fall of UKIP Conservative Parties and the Birth of Democracy Daniel Ziblatt,2017-04-17 How do democracies form and what makes them die Daniel Ziblatt revisits this timely and classic question in a wide ranging historical narrative that traces the evolution of modern political democracy in Europe from its modest beginnings in 1830s Britain to Adolf Hitler s 1933 seizure of power in Weimar Germany Based on rich historical and quantitative evidence the book offers a major reinterpretation of European history and the question of how stable political democracy is achieved The barriers to inclusive political rule Ziblatt finds were not inevitably overcome by unstoppable tides of socioeconomic change a simple triumph of a growing middle class or even by working class collective action Instead political democracy s fate surprisingly hinged on how conservative political parties the historical defenders of power wealth and privilege recast themselves and coped with the rise of their own radical right With striking modern parallels the book has vital implications for today s new and old democracies under siege **The Conservative Party** Tim Bale,2013-05-08 The Conservatives are back but how did they do it and what took them so long

What happened between the party's decision to dump one of the world's most iconic leaders Margaret Thatcher and the arrival in office of David Cameron at the head of the UK's new coalition government Has Britain's prime minister really changed his party as much as he claims Are they devotees of the Big Society or just the same old Tories keen on cuts and obsessively Eurosceptic The answers as this accessible and gripping book shows are as intriguing and provocative as the questions Based on in depth research and interviews with the key players Tim Bale explains why the Tories got themselves into so much trouble in the first place and how they were finally able to get things back on track In the new paperback version he also explores their inability to win an outright victory at the 2010 election and looks at their decision to share power with the Liberal Democrats The Conservative Party From Thatcher to Cameron is a must read for anyone wanting to understand what makes the Tories tick And it contains valuable lessons about what to do and what not to do for their Labour opponents

The Conservative Party and Anglo-German Relations, 1905-1914 F. McDonough, 2007-05-11 Offering first major study of the views of the Conservative Party towards the key aspects of Anglo German relations from 1905 to 1914 it examines the Conservative response to the German threat and argues that it showed a marked absence of open hostility towards Germany

The Guardians of Concepts Martina Steber, 2023-01-13 Since 1945 what conservative means has troubled intellectuals politicians and parties in the United Kingdom and West Germany In Britain conservatism was an accepted term of the political vocabulary denoting a particular tradition of political thought and practice In West Germany by contrast conservatism was a difficult concept for the young democracy to swallow It carried a heavy antiliberal and antidemocratic burden and led people to question whether there was a place for conservatism within democratic culture after all The Guardians of Concepts scrutinizes the debates about conservatism in the UK and the Federal Republic of Germany from the late 1940s to the early 1980s Informed by historical semantics it conceives of conservatism as a flexible linguistic structure and shows the importance of language for the self understanding of many conservatives who not by chance have regarded themselves as the guardians of concepts The intense national and transnational debates about the meaning of conservatism had far reaching consequences and continue to influence politics today

The Blair Legacy T. Casey, 2009-01-15 Exploring how Tony Blair and New Labour changed British politics policy governance and foreign affairs this volume stands as a key actor on the world and domestic stage delving into Blair's foreign policy legacy with emphasis on the Iraq War and Anglo American relations

The Political Rhetoric and Oratory of Margaret Thatcher Andrew S. Crines, Timothy Heppell, Peter Dorey, 2016-06-15 This book examines the political oratory rhetoric and persona of Margaret Thatcher as a means of understanding her justifications for Thatcherism The main arenas for consideration are set piece speeches to conference media engagements and Parliamentary orations Thatcher's rhetorical style is analysed through the lens of the Aristotelian modes of persuasion ethos pathos logos Furthermore the classical methods of oratorical engagement deliberative epideictic judicial are employed to consider her style of delivery The authors place her styles of communication

into their respective political contexts over a series of noteworthy issues such as industrial relations foreign policy economic reform and party management By doing so this distinctive book shines new light on Thatcher and her political career

How Labour Governments Fall T. Heppell,K. Theakston,2013-07-30 What similarities exist between the reasons for Labour losing office in 2010 and those behind why previous Labour governments were defeated This edited volume provides a detailed historical appraisal which considers the importance of themes such as economic performance political leadership and the condition of the Conservatives in opposition

Leadership and Uncertainty Management in Politics François Vergniolle De Chantal,2015-08-11 Through a range of international case studies from the USA UK France Germany and Italy this text assesses the conditions necessary for effective leadership and emphasizes the part played by uncertainty and division amongst followers

Shaping Ireland's Independence M. C. Rast,2019-07-29 This book explores the political and ideological developments that resulted in the establishment of two separate states on the island of Ireland the Irish Free State and Northern Ireland It examines how this radical transformation took place including how British Liberals and Unionists were as influential in the two state solution as any Irish party The book analyzes transformative events including the third home rule crisis partition and the creation of Northern Ireland and the Irish Free State s establishment through the Anglo Irish Treaty The policies and priorities of major figures such as H H Asquith David Lloyd George John Redmond Eamon de Valera Edward Carson and James Craig receive prominent attention as do lesser known events and organizations like the Irish Convention and Irish Dominion League The work outlines many possible solutions to Britain s Irish question and discusses why some settlement ideas were adopted and others discarded Analyzing public discourse and archival sources this monograph offers new perspectives on the Irish Revolution highlighting in particular the tension between public rhetoric and private opinion

Forging the Iron Lady Terrence Casey,2024-12-31 This book tells the story of the rise of Margaret Thatcher in the context of crises assailing Britain in the 1970s and how her ascent to power ushered in the neoliberal era Forging the Iron Lady details her journey from relative obscurity to the pinnacle of power as a collective as well as personal tale and how an uncertain chain of events influenced through ideas and political agency opened the path to certain outcomes while throwing up barriers to others It is her origin story as the Iron Lady It examines a dramatic phase in her political advance and how the tumultuous politics of the 1970s shaped her as a politician and her political ideals and how the conditions necessary to bring about major political economic changes were created leading to three decades of neoliberalism In doing so this book offers a better understanding of the political conditions needed for a change in political economic orders This book is of key interest to scholars students and readers of British politics and history Thatcherism political parties elections executive and elite politics
