## **Recovering The Riches Of Anointing:**

*Recovering the Riches of Anointing* National Association of Catholic Chaplains (U.S.). International Symposium, Kevin Tripp, 2002 *Recovering the Riches of Anointing A Study of the Sacrament of the Sick* is a collection of the papers presented at the international symposium sponsored by the National Association of Catholic Chaplains in May 2001 as part of a long term exploration of topics of theological and pastoral concern in the pastoral care of the sick Book jacket **Divine Worship and Human Healing** Bruce T. Morrill, 2013-03-15 Would many believers consider a wake or funeral an act of worship What does it mean to say that in anointing the sick or administering Viaticum to the dying humans are healed Such questions plumb the biblical and traditional depths of the paschal mystery Just as Jesus ministry at the social religious margins revealed the center of his faith in God s reign so also the church s ministry to sickness and death reveals much about the baptismal and Eucharistic worship so central to its entire life In *Divine Worship and Human Healing* Bruce Morrill turns to the rites serving the sick dying deceased and grieving to show why sacramental liturgy is so fundamental to the life of faith Readers will appreciate both his compelling narratives from actual pastoral experience and his engagement with biblical theological historical and social scientific resources Morrill invites readers to discover how the liturgical ministry of healing discloses God s merciful love amid communities of faith Jesuit Father Bruce Morrill discusses new book on Liturgical Theology from Jesuit Conference USA on Vimeo **Christian Healing** , *The Oxford Handbook of Sacramental Theology* Hans Boersma, Matthew Levering, 2015-08-06 As a multi faceted introduction to sacramental theology the purposes of this Handbook are threefold historical ecumenical and missional The forty four chapters are organized into the following parts five parts Sacramental Roots in Scripture Patristic Sacramental Theology Medieval Sacramental Theology From the Reformation through Today and Philosophical and Theological Issues in Sacramental Doctrine Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church s practice In Scripture and the early Church Orthodox Protestants and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox Protestants and Catholics today affirm as the foundation of their own faith and practice Thus for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in interpretation and practice one of tremendous hope **Dying and the Virtues** Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying

process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death      **Reclaiming Catholicism** Thomas H.
