Hebert, 2011-06-11 The Twelve Steps developed by Alcoholics Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The

Pagan in Recovery is the result of Deirdre Hebert's ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictive or co-dependent behaviors through this process [Forthcoming Books](#) Rose Arny, 2003-12 **Becoming an Ally, 3rd Edition** Anne Bishop, 2020-05-27T00:00:00Z Becoming an Ally is a book for men who want to end sexism white people who want to end racism straight people who want to end heterosexism able-bodied people who want to end ableism for all people who recognize their privilege and want to move toward a more just world by learning to act as allies Has oppression always been with us just part of human nature What does individual healing have to do with social justice What does social justice have to do with individual healing Why do members of the same oppressed group fight one another sometimes more viciously than they fight their oppressors Why do some who experience oppression develop a life-long commitment to fighting oppression while others turn around and oppress those with less power In this accessible and enlightening book now in its third edition Anne Bishop examines history economic and political structures and individual psychology in a search for the origins of racism sexism heterosexism ableism ageism and all the other forms of oppression that divide us Becoming an Ally looks for paths to justice and lays out guidelines for becoming allies of oppressed peoples when we are in the privileged role A new chapter in this third edition offers a greatly expanded discussion of effective approaches to educating allies which is meant for teachers of adults particularly those who teach about diversity equity and anti-oppression In this chapter Bishop examines the ways in which Western culture prevents us from recognizing our roles as members of privileged groups and explores how to challenge this with participatory exercises and group discussion **Circle Network News** ,1998 [Becoming an Ally](#) Anne Bishop, 2023-04-14 Already I have found myself quoting Anne Bishop's wisdom her simple advice is compelling Right now in Australia she has the power to lead us as we struggle with questions of guilt responsibility and patterns of oppression which are larger than ourselves Rev Tim Costello President Baptist Union of Australia Becoming an Ally is must reading for anyone concerned with understanding and challenging the dynamics forms and sources of oppression whether it is their own oppression that of others or both Bob Mullaly is Head of Social Work at Victoria University Melbourne Where does oppression come from Has it always been with us just human nature What can we do to change it What does individual healing have to do with the struggles for social justice What does social justice have to do with individual healing Why do members of the same oppressed group fight each other sometimes more viciously than their oppressor Why do some who experience oppression develop a life-long commitment to fighting oppression while others turn around and oppress others Anne Bishop draws on her many years experience in community work to write this feisty and bestselling guide for activists community workers and welfare workers **Storied Selves** Chris A. had grown weary of the rigid doctrines and imposed limitations of traditional religion I yearned for a spirituality that resonated with the depths of my being a path that honored the interconnectedness of all life and embraced the mysteries of the cosmos It was in the quiet embrace of nature amidst the towering trees and the whispering wind that I found the solace and guidance I craved The ancient wisdom of pagan traditions with their reverence for the cycles of the earth the power of the elements and the divine within each being resonated deeply within my soul As I journeyed deeper into this world I discovered a tapestry woven with threads of ancient wisdom mystical experience and profound connection to the natural world I learned to honor the cycles of the moon and the seasons to connect with the spirits of nature and to listen to the whispers of my own intuition I embraced the concept of the divine within recognizing the spark of the sacred that resides in every heart I found that paganism far from being a monolithic system of beliefs is a vibrant and ever evolving tapestry of diverse traditions and practices united by a common reverence for the interconnectedness of all life Heilvegr Woden's Kindred,2018-08-25 The Heilvegr is a Nine Step Recovery program for Heathens who suffer from Addiction Depression or PTSD This program differs drastically from Twelve Step Programs in a key and fundamental way as Heathens we accept responsibility for our actions For too long those of our faith who have these issues have had to look outside of our faith for help chiefly to programs that tell us that we are powerless and to submit ourselves to a thinly veiled foreign higher power No longer must we do this in order to put ourselves back on the path to health and holiness the Heilvegr The principles outlined in this book draw on the work of Carl Jung and Germanic mythology in order to create a path to healing that can help not only addicts but those with depression and PTSD as well *The Spiral of Healing* Meagan Pugh,2011-01 The Path to Healing is a Spiral Anna McKerrow,2023-02-14 A funny and profound memoir about trauma healing written by a Reiki Master witch and tarot reader The debut non fiction by a YA crime and romance novelist Anna s story is heartbreaking compelling and hilariously ridiculous What would you do to heal emotional trauma Anna was screaming at full volume into a pillow in a grey industrial estate when it dawned on her that maybe this was a slightly unusual way of processing grief It wasn t the first time she had done something a little odd to try and make sense of things There was the time she sobbed along to Elton John with a room full of strangers Or the very special experience of trying to enact the spirit of a deer in a school hall She s tried Reiki reflexology BodyTalk shamanic healing past life regression breathwork guided visualization dreamwork magick ritual disastrous gong baths and meditation her journey has been long and twisting but eventually it led to real understanding and real healing This book is about acknowledging our trauma looking at what it actually is and feeling our feelings Interviews with practitioners and experts delve deeper into what alternative therapies offer Ultimately Anna hopes to trigger much needed conversations about emotional health and the non mainstream ways we can communicate with ourselves and others Content warning suicide child illness depression bereavement explicit medical detail
