Vol 1 of 2 Or Does Writing Pay These Recreations or Confessions may I fear be accounted somewhat egotistical This however is unavoidable in a book of the kind The object has been to put before the reader in the frankest way the experiences of a Literary Life together with some hints on the Art of Enjoying Trifles I have also been encouraged by the remark of Lord Orford that whoever set down truthfully and simply what he had felt and observed could not fail of making an interesting book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Recreations of a Literary Man, Vol. 2 of 2 Percy Fitzgerald, 2019-02-12 Excerpt from Recreations of a Literary Man Vol 2 of 2 Or Does Writing Pay There is no sensation more agreeable than after a pleasant travel of an hour to find the train slackening speed as it draws up say at Staghurst the Nupton station on a soft and charming after noon Everything is very green and pastoral about Staghurst the hamlet smoke curling and the rest and I the only passenger alighting see Nupton s light open waggonette and pair and Nupton s coachman waiting in a pastoral dreamy way I call him Nupton but every one knows some such hospitable friend All seems innocence and tranquillity even to the porter who takes the portmanteau lying abandoned far up on the plat form and puts it with deep respect into the Nupton waggonette About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
