The Red Badge of Courage Stephen. Crane, 2008-09-27 Stephen Crane's Red Badge of Courage 1895 is a psychological study of a young soldier that deals with the true meaning of courage Henry Fleming enlists himself as a recruit in the American Civil War over his mother's objection During the battle he flees into the forest thinking that saving his life is the best thing But when his battalion has won he feels guilty and returns to his unit After mastering his fear Henry goes into the final battle as the flag bearer [A Study Guide for Stephen Crane's "War Is Kind"](#) Gale, Cengage Learning, 2016 A Study Guide for Stephen Crane's War Is Kind excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Picture** Lillian Ross, 2019-04-30 A classic look at Hollywood and the American film industry by The New Yorker's Lillian Ross and named one of the Top 100 Works of U S Journalism of the Twentieth Century Lillian Ross worked at The New Yorker for more than half a century and might be described not only as an outstanding practitioner of modern long form journalism but also as one of its inventors Picture originally published in 1952 is her most celebrated piece of reportage a closely observed and completely absorbing story of how studio politics and misguided commercialism turn a promising movie into an all around disaster The charismatic and hard bitten director and actor John Huston is at the center of the book determined to make Stephen Crane's The Red Badge of Courage one of the great and defining works of American literature the first modern war novel a book whose vivid imagistic style invites the description of cinematic into a movie that is worthy of it At first all goes well as Huston shoots and puts together a two hour film that is he feels the best he's ever made Then the studio bosses step in and the audience previews begin conferences are held and the movie is taken out of Huston's hands cut down by a third and finally released with results that please no one and certainly not the public It was an expensive flop In Picture which Charlie Chaplin aptly described as brilliant and sagacious Ross is a gadfly on the wall taking note of the operations of a system designed to crank out mediocrity **Flawed Texts and Verbal Icons** Hershel Parker, 1984 An evaluation of the importance of textual criticism in evaluation of important literary works based on his study of important American literary works by authors such as James Crane and Mailer [Catalogue of the Books of the Library of the Maine Charitable Mechanic Association](#) Maine Charitable Mechanic Association, Portland.  several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts
 about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has

 categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally Francophile Richard
