**Red Star over the Black Sea** James Meyer, 2023-03-07 N z m Hikmet 1902-1963 is best known as a poet and communist whose daring flight by motorboat from Turkey to the Eastern Bloc captured international headlines in 1951 One of the most important poets to have written in the Turkish language N z m Hikmet's dramatic life story is fascinating in its own right but also intersects with the story of the broader twentieth century James H Meyer situates N z m Hikmet within the broader context of Turkish communist border crossers individuals whose lives would go on to be shaped significantly by their ability inability or need to traverse the frontier Born at the turn of the twentieth century and coming of age in the early 1920s the women and men from N z m Hikmet's generation were the last of the Ottomans Children of empire they had grown up in an era of porous frontiers but by the time they reached their third decade these borders had begun to close Drawing upon an enormous amount of previously untapped archival materials and personal papers from Moscow Istanbul Amsterdam and Washington DC Meyer has written a biography of N z m Hikmet unlike any other A book of world history wrapped inside a life story Red Star over the Black Sea shows how changing attitudes toward borders and the people who cross them

**Civil War on the Missouri-Kansas Border** Donald Gilmore, 2005-11-30 During the Civil War the western front was the scene of some of that conflict's bloodiest and most barbaric encounters as Union raiders and Confederate guerrillas pursued each other from farm to farm with equal disregard for civilian casualties Historical accounts of these events overwhelmingly favor the victorious Union standpoint characterizing the Southern fighters as wanton unprincipled savages But in fact as the author himself a descendant of Union soldiers discovered the bushwhackers' violent reactions were understandable given the reign of terror they endured as a result of Lincoln's total war in the West In reexamining many of the long held historical assumptions about this period Gilmore discusses President Lincoln's utmost desire to keep Missouri in the Union by any and all means As early as 1858 Kansan and Union troops carried out unbridled confiscation or destruction of Missouri private property until the state became known as the burnt region These outrages escalated to include martial law throughout Missouri and finally the infamous General Orders Number 11 of September 1863 in which Union general Thomas Ewing federal commander of the region ordered the deportation of the entire population of the border counties It is no wonder that faced with the loss of their farms and their livelihoods Missourians struck back with equal force

Douglas Canfield, 2021-11-21 Twentieth century authors and filmmakers have created a pantheon of mavericks some macho others angst ridden who often cross a metaphorical boundary among the literal ones of Anglo Native American and Hispanic cultures Douglas Canfield examines the concept of borders defining them as the space between states and cultures and ideologies and focuses on these border crossings as a key feature of novels and films about the region Canfield begins in the Old Southwest of Faulkner's Mississippi addressing the problem of slavery travels west to North Texas and the infamous Gainesville Hanging of Unionists during the Civil War and then follows scalpers into the Southwest Borderlands He then turns to the area of the Gadsden Purchase known for its outlaws and Indian wars before heading south of the border for the Yaqui persecution and the Mexican Revolution Alongside such well known works as *Go Down Moses* *The Wild Bunch* *Broken Arrow* *Gringo Viejo* and *Blood Meridian* Canfield discusses novels and films that tell equally compelling stories of the region Protagonists face various identity crises as they attempt border crossings into other cultures or mindsets some complete successful crossings some go native and some fail He analyzes figures such as Geronimo Doc Holliday and Billy the Kid alongside less familiar mavericks as they struggle for identity purpose and justice

**The Border Watch** Joseph A. Altsheler,2016-06-29 A late sun red and vivid cast beams of light over a dark river flowing slowly The stream was a full half mile from shore to shore and the great weight of water moved on in silent majesty Both banks were lined with heavy forest dark green by day but fused now into solid blackness by the approach of night The scene was wild and primordial To an eye looking down it would have seemed that man had never come there and that this was the dawn of time The deep waters lapped the silent shore until a gentle sighing sound arose a sound that may have gone on unheard for ages Close to the water a file of wild ducks flew like an arrow to the north and in a little cove where the current came in shallow waves a stag bent his head to drink     *Our Western Border, in Early Pioneer Days* Charles McKnight,1902
