joys of curry and insisted on educating both her mind and palate A painter drafted to build war rooms Paul was a colorful complex personality Conant uses extracts from his letters in which his sharp eye and droll wit capture the day to day confusion excitement and improbability of being part of a cloak and dagger operation When Julia and Paul were transferred to Kunming a rugged outpost at the foot of the Burma Road they witnessed the chaotic end of the war in China and the beginnings of the Communist revolution that would shake the world A Covert Affair chronicles their friendship with a brilliant and eccentric array of OSS agents including Jane Foster a wealthy free spirited artist and Elizabeth MacDonald an adventurous young reporter In Paris after the war Julia and Paul remained close to their intelligence colleagues as they struggled to start new lives only to find themselves drawn into a far more terrifying spy drama Relying on recently unclassified OSS and FBI documents as well as previously unpublished letters and diaries Conant vividly depicts a dangerous time in American history when those who served their country suddenly found themselves called to account for their unpopular opinions and personal relationships
