Friend Or Foe? Michael J. Strada, Harold Martin Troper, Harold R. Troper, 1997 During the nearly sixty years of filmmaking the always uneasy and often fractious Soviet American relationship has been mirrored in Hollywood's portrayal of Russians and the Soviet Union Friend or Foe examines the portrayal of the Soviet Union in American film and shows how these films reflect the attitudes of Americans as well as how each portrayal changed with the often uneasy relations between the two countries The authors show how films as rich repositories of national consciousness can be analyzed to reveal time bound insights into popular fears and obsessions History lovers and film buffs will appreciate the tongue in cheek approach to many of the absurdist films Scholars in history film studies and political science will find the depth and breadth of research useful A filmography bibliography and photographs further complement the study TLA Video & DVD Guide 2004 David Bleiler, 2014-04-08 The TLA Film Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both fun to read and easy to use The guide includes Reviews of more than 10 000 entries Four detailed indexes by star director country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A comprehensive selection of cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film video and DVD guides The TLA Film Video and DVD Guide is perfect for anyone with an eclectic taste in cinema **The American Shorthorn Herd Book**, 1912 **Through The Looking Glass : Om Illustrated Classics** Lewis Carroll, 2018-08 Through The Looking Glass is the sequel to Alice's Adventures in Wonderland It is based on his meeting with another Alice Alice Raikes Set some six months later than the earlier book Alice again enters a fantastical world this time by climbing through a

mirror into the world that she can see beyond it The book takes a look at the world of the mirror and the world beyond it Reflections distortions and fantasy are major ingredients in this wonderful book which brings together the worlds of the child and the adult Sparkling characters are found in the narrative ranging from Humpty Dumpty to the Red Queen to the Unicorn The story opens on a snowy wintry night uses frequent changes in time and spatial directions as a plot device and draws on the imagery of chess In it there are many mirror themes including opposites time running backwards and so on The New Biographical Dictionary of Film David Thomson,2014-05-06 With more than 100 new entries from Amy Adams Benedict Cumberbatch and Cary Joji Fukunaga to Joaquin Phoenix Mia Wasikowska and Robin Wright and completely updated here from David Thomson The greatest living writer on the movies John Banville New Statesman Our most argumentative and trustworthy historian of the screen Michael Ondaatje is the latest edition of The New Biographical Dictionary of Film which topped Sight Sound's poll of international critics and writers as THE BEST FILM BOOK EVER WRITTEN 37 **TLA Video & DVD Guide 2005** David Bleiler,2025-06-25 The TLA Video and DVD Guide 2005 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign and the best of Hollywood to bring the cineaste an opinionated guide that is both fun and useful The guide includes Reviews of more than 10 000 films Four detailed indexes by star directory country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A comprehensive selection of cinema from more than 50 countries Now published annually the TLA Video and DVD Guide is one of the most respected guides from one of the finest names in video retailing perfect for anyone with an eclectic taste in cinema **Iron Curtain Twitchers** Jennifer M. Hudson,2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of détente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying

commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War s duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one s own country contrasted with propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived
