seven years making the timeline 490 years This book takes a novel approach to this prophecy by recognizing the holy city to be rebuilt as the New Jerusalem and counting the weeks as literal calendar days A plot of the weeks on Hebrew calendars 354 days per year is attempted by using other prophetic texts as aids which reveals the calendars of the gospel of Jesus Christ A simple commentary on the New Testament lady Charlotte Murdoch Wake,1852 *The Christian Advocate* ,1911
