**Heather Cox Richardson**

## **Red Cloud And The Sioux Problem:**

*Red Cloud and the Sioux Problem* James C. Olson, 1965-01-01 From the mid 1860s until the end of organized resistance on the Great Plains Red Cloud the noted Oglala Sioux epitomized for many the Indian problem Centered on Red Cloud's career this is an admirably impartial circumstantial and rigorously documented study of the relations between the Sioux and the United States government during the years after the Civil War **Red Cloud and the Sioux Problem** James C. Olson, 1965 Reviews the Sioux chief's role in the life of his people during the post civil War years in their transition from warriors to wards of the U S government *Red Cloud and the Sioux Problem* James C. Olson, 1965 **Red Cloud and the Sioux Problem**, 1975 The Lakota Ghost Dance Of 1890 Rani-Henrik Andersson, 2020-04-01 A broad range of perspectives from Natives and non Natives makes this book the most complete account and analysis of the Lakota ghost dance ever published A revitalization movement that swept across Native communities of the West in the late 1880s the ghost dance took firm hold among the Lakotas perplexed and alarmed government agents sparked the intervention of the U S Army and culminated in the massacre of hundreds of Lakota men women and children at Wounded Knee in December 1890 Although the Lakota ghost dance has been the subject of much previous historical study the views of Lakota participants have not been fully explored in part because they have been available only in the Lakota language Moreover emphasis has been placed on the event as a shared historical incident rather than as a dynamic meeting ground of multiple groups with differing perspectives In *The Lakota Ghost Dance of 1890* Rani Henrik Andersson uses for the first time some accounts translated from Lakota This book presents these Indian accounts together with the views and observations of Indian agents the U S Army missionaries the mainstream press and Congress This comprehensive complex and compelling study not only collects these diverse viewpoints but also explores and analyzes the political cultural and economic linkages among them Purchase the audio edition **The Gray Fox** Paul Magid, 2015-04-23 George Crook was one of the most prominent military figures of the late nineteenth century Indian Wars As Paul Magid portrays Crook in this highly readable second volume of a projected three volume biography the general was an innovative and eccentric soldier with a complex and often contradictory personality whose activities often generated intense controversy **The Lakotas and the Black Hills** Jeffrey Ostler, 2011-06-28 A concise and engrossing account of the Lakota and the battle to regain their homeland The Lakota Indians made their home in the majestic Black Hills mountain range during the last millennium drawing on the hills endless bounty for physical and spiritual sustenance Yet the arrival of white settlers brought the Lakotas into inexorable conflict with the changing world at a time when their tribe would produce some of the most famous Native Americans in history including Red Cloud Sitting Bull and Crazy Horse Jeffrey Ostler's powerful history of the Lakotas struggle captures the heart of a people whose deep relationship with their homeland would compel them to fight for it against overwhelming odds on battlefields as varied as the Little Bighorn and the chambers of U S Supreme Court **Red Cloud's War** Paul

Goble,2015-06-12 We are brave and ready to fight for our lands I will go now and I will fight you As long as I live I will fight you for the last hunting grounds of my people said Red Cloud war chief of the Oglala Lakota to Colonel Carrington The year was 1866 the Civil War had just ended and the Bozeman Trail was the shortest route for prospectors to reach the gold rush territory of Montana except that it passed straight through the lands of the powerful Oglala Lakota When the US government demanded the construction of forts along the trail the situation quickly dissolved into war Captain William Fetterman had proudly boasted that he could destroy the entire Lakota nation with just 80 men Red Cloud with the support of Crazy Horse and Sitting Bull had other ideas In this commemorative edition marking the 150th anniversary of Red Cloud s War Goble recounts the tale of events through the eyes of Brave Eagle a fictional young Lakota warrior This new edition features an original never before published layout updated and edited text digitally enhanced artwork and a new foreword by Robert Lewis a Cherokee Navaho and Apache storyteller

**An Honest Enemy** Paul Magid,2020-04-23 Over the course of his military career George Crook developed empathy and admiration for American Indians both as foes and as allies As Paul Magid has demonstrated in the previous two volumes of his groundbreaking biography this experience prepared Crook well for his metamorphosis from Indian fighter to outspoken advocate of Indian rights An Honest Enemy is the third and final volume of Magid s account of George Crook s life and involvement in the Indian wars Using rarely tapped information including Crook s own diaries the work documents in dramatic detail the general s arduous and dangerous campaigns against the Chiricahua Apaches and their leader Geronimo action that forms a backdrop to the transformation in the general s role vis vis Native Americans In a story by turns harrowing and tragic Magid details the plight of Indians who in the aftermath of their defeat were consigned to reservations too barren to sustain them where they were subjected to impoverishment indifference and in many cases outright corruption With growing anger Crook watched as many tribes faced death from starvation and disease and unwilling to passively accept their fate desperately sought to flee their reservations and return to their homelands Charged with the grim task of returning the Indians to such conditions Crook was forced to choose between fulfilling his duties as a soldier and his humanitarian values Magid describes Crook s struggle to reconcile these conflicting concerns while promoting policies he regarded as essential to the welfare of the Indians in the face of a hostile public jealous fellow officers and an unsympathetic government that regarded his efforts as quixotic and misguided Here is a tale that readers will not soon forget

**The Earth Is Weeping** Peter Cozzens,2016-10-25 Bringing together Custer Sherman Grant and other fascinating military and political figures as well as great native leaders such as Crazy Horse Sitting Bull and Geronimo this sweeping work of narrative history San Francisco Chronicle is the fullest account to date of how the West was won and lost After the Civil War the Indian Wars would last more than three decades permanently altering the physical and political landscape of America Peter Cozzens gives us both sides in comprehensive and singularly intimate detail He illuminates the intertribal strife over whether to fight or make peace explores the dreary squalid lives of frontier

soldiers and the imperatives of the Indian warrior culture and describes the ethical quandaries faced by generals who often sympathized with their native enemies In dramatically relating bloody and tragic events as varied as Wounded Knee the Nez Perce War the Sierra Madre campaign and the Battle of the Little Bighorn we encounter a pageant of fascinating characters including Custer Sherman Grant and a host of officers soldiers and Indian agents as well as great native leaders such as Crazy Horse Sitting Bull Geronimo and Red Cloud and the warriors they led The Earth Is Weeping is a sweeping definitive history of the battles and negotiations that destroyed the Indian way of life even as they paved the way for the emergence of the United States we know today

**Gall** Robert W. Larson, 2012-11-27 Called the Fighting Cock of the Sioux by U S soldiers Hunkpapa warrior Gall was a great Lakota chief who along with Sitting Bull and Crazy Horse resisted efforts by the U S government to annex the Black Hills It was Gall enraged by the slaughter of his family who led the charge across Medicine Tail Ford to attack Custer s main forces on the other side of the Little Bighorn Robert W Larson now sorts through contrasting views of Gall to determine the real character of this legendary Sioux This first ever scholarly biography also focuses on the actions Gall took during his final years on the reservation unraveling his last fourteen years to better understand his previous forty Gall Sitting Bull s most able lieutenant accompanied him into exile in Canada Once back on the reservation though he broke with his chief over Ghost Dance traditionalism and instead supported Indian agent James McLaughlin s more realistic agenda Tracing Gall s evolution from a fearless warrior to a representative of his people Larson shows that Gall contended with shifting political and military conditions while remaining loyal to the interests of his tribe Filling many gaps in our understanding of this warrior and his relationship with Sitting Bull this engaging biography also offers new interpretations of the Little Bighorn that lay to rest the contention that Gall was Custer s Conqueror Gall Lakota War Chief broadens our understanding of both the man and his people

*Lakota Portraits* Joseph Agonito, 2011-08-02 A moving thoughtful beautifully illustrated look at the lives of men and women who helped shape the history of the Lakota people and the American West Lakota Portraits weaves together vignettes of Lakotas including both prominent and ordinary individuals to tell the story of the Lakota people It covers the sweep of Lakota history from earliest years focusing on the nineteenth and twentieth centuries Examining the question of who the Lakota people are Joseph Agonito explores the days of nomadic freedom on the Great Plains Lakota culture and religion internal struggles the coming of European settlers conflicts generated by waves of miners and immigrants clashes with white authorities war with American soldiers the loss of freedom the countless challenges encountered in transitioning to the reservation and life on and off the reservations While numerous books tell the history of the Lakota people Lakota Portraits tells their story through the colorful lives and experiences of various notable individuals who span that history Each vignette tells a piece of the narrative both grand and commonplace stories of men and women Together these stories paint a picture of a courageous vibrant people full of life and love for the Lakota nation and their homeland Unlike other books on the Lakota Lakota Portraits spends considerable time on the

reservation years well into the twentieth century and the characters who helped shape the difficult and painful adjustments the Lakota people made to life on and off the agencies      *Wounded Knee* Heather Cox Richardson, 2010-05 Argues that the fierce partisanship heated political rhetoric and an irresponsible profit driven media were responsible for the massacre of three hundred Lakota Sioux at Wounded Knee      *A Whirlwind Passed through Our Country* Rani-Henrik Andersson, 2019-01-15 The inception of the Ghost Dance religion in 1890 marked a critical moment in Lakota history Yet because this movement alarmed government officials culminating in the infamous massacre at Wounded Knee of 250 Lakota men women and children historical accounts have most often described the Ghost Dance from the perspective of the white Americans who opposed it In *A Whirlwind Passed through Our Country* historian Rani Henrik Andersson instead gives Lakotas a sounding board imparting the multiplicity of Lakota voices on the Ghost Dance at the time Whereas early accounts treated the Ghost Dance as a military or political movement *A Whirlwind Passed through Our Country* stresses its peaceful nature and reveals the breadth of Lakota views on the subject The more than one hundred accounts compiled here show that the movement caused friction within Lakota society even as it spurred genuine religious belief These accounts many of them never before translated from the original Lakota or published demonstrate that the Ghost Dance s message resonated with Lakotas across artificial progressive and nonprogressive lines Although the movement was often criticized as backward and disconnected from the harsh realities of Native life Ghost Dance adherents were in fact seeking new ways to survive albeit not those that contemporary whites envisioned for them The Ghost Dance Andersson suggests might be better understood as an innovative adaptation by the Lakotas to the difficult situation in which they found themselves and as a way of finding a path to a better life By presenting accounts of divergent views among the Lakota people *A Whirlwind Passed through Our Country* expands the narrative of the Ghost Dance encouraging more nuanced interpretations of this significant moment in Lakota and American history      *Encyclopedia of American Indian History* Bruce E. Johansen, Barry M. Pritzker, 2007-07-23 This new four volume encyclopedia is the most comprehensive and up to date resource available on the history of Native Americans providing a lively authoritative survey ranging from human origins to present day controversies From the origins of Native American cultures through the years of colonialism and non Native expansion to the present *Encyclopedia of American Indian History* brings the story of Native Americans to life like no other previous reference on the subject Featuring the work of many of the field s foremost scholars it explores this fundamental and foundational aspect of the American experience with extraordinary depth breadth and currency carefully balancing the perspectives of both Native and non Native Americans *Encyclopedia of American Indian History* spans the centuries with three thematically organized volumes covering the period from precontact through European colonization the years of non Native expansion including Indian removal and the modern era of reservations reforms and reclamation of semi sovereignty Each volume includes entries on key events places people and issues The fourth volume is an alphabetically organized resource providing histories

of Native American nations as well as an extensive chronology topic finder bibliography and glossary For students historians or anyone interested in the Native American experience Encyclopedia of American Indian History brings that experience to life in an unprecedented way *From Fort Laramie to Wounded Knee* Charles W. Allen,2001-01-01 The varied and colorful career of Charles Wesley Allen 1851 1942 took him throughout the northern Plains during an exceptionally turbulent era in its history He was at the Red Cloud Agency when Red Cloud attempted to prevent the raising of the American flag and the Lakota nearly took over the agency Allen also visited Deadwood at the height of the Black Hills gold rush helped build the first government agency on the Pine Ridge reservation and reported on the Lakota Ghost Dance Allen happened to be walking through the Indian camp at Wounded Knee when shots rang out on December 29 1890 and his is arguably the best of all the eyewitness accounts of that tragedy This is Allen s previously unpublished vivid account of the years he described as the most exciting chapter of my life As much the chronicle of the passing of an era as a personal narrative its simple direct and often moving prose captures the injustices gritty details and relentless energy of a period of dramatic change in the West

American Carnage Jerome A. Greene,2014-04-11 As the year 1890 wound to a close a band of more than three hundred Lakota Sioux Indians led by Chief Big Foot made their way toward South Dakota s Pine Ridge Reservation to join other Lakotas seeking peace Fearing that Big Foot s band was headed instead to join hostile Lakotas U S troops surrounded the group on Wounded Knee Creek Tensions mounted and on the morning of December 29 as the Lakotas prepared to give up their arms disaster struck Accounts vary on what triggered the violence as Indians and soldiers unleashed thunderous gunfire at each other but the consequences were horrific some 200 innocent Lakota men women and children were slaughtered American Carnage the first comprehensive account of Wounded Knee to appear in more than fifty years explores the complex events preceding the tragedy the killings and their troubled legacy In this gripping tale Jerome A Greene renowned specialist on the Indian wars explores why the bloody engagement happened and demonstrates how it became a brutal massacre Drawing on a wealth of sources including previously unknown testimonies Greene examines the events from both Native and non Native perspectives explaining the significance of treaties white settlement political disputes and the Ghost Dance as influential factors in what eventually took place He addresses controversial questions Was the action premeditated Was the Seventh Cavalry motivated by revenge after its humiliating defeat at the Battle of the Little Bighorn Should soldiers have received Medals of Honor He also recounts the futile efforts of Lakota survivors and their descendants to gain recognition for their terrible losses Epic in scope and poignant in its recounting of human suffering American Carnage presents the reality and denial of our nation s last frontier massacre It will leave an indelible mark on our understanding of American history **The Oxford Encyclopedia of American Military and Diplomatic History** Timothy J. Lynch,2013 Entries written by renowned diplomatic and military historians as well as key scholars in international relations Provides assessments and analyses of key episodes issues and actors in the military and diplomatic history of the

United States Based on the award winning Oxford Companion to United States History Comprehensive collection of entries that span the founding of the U S to its present state Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies Expansive bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

**The Countryside in the Age of the Modern State** Catherine McNicol Stock, Robert D. Johnston, 2018-05-31 However urban the nation has become Catherine McNicol Stock and Robert D Johnston write twenty percent of its citizens still live outside major metropolitan areas Moreover rural economic activity agricultural extractive recreational and industrial has an enormous impact on the nation s overall economic well being The stories of contemporary rural people still have the power to move us They reflect the values dreams and ideals at the core of the economically racially and ethnically diverse American experience The Countryside in the Age of the Modern State moves rural history into explorations of modern politics diverse rural peoples and their complex relationships to the American state in the twentieth century The volume s contributors examine African American progressive farm organizers the experiences of Caribbean and Mexican farm laborers agrarian intellectuals in the New Deal the politics of land and landscape in the Rocky Mountain west and the origins of today s rural political movements

**The Encyclopedia of North American Indian Wars, 1607-1890** Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army s single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today The Encyclopedia of North American Indian Wars 1607 1890 A

Political Social and Military History provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

The book delves into Red Cloud And The Sioux Problem. Red Cloud And The Sioux Problem is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Red Cloud And The Sioux Problem, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Red Cloud And The Sioux Problem
- Chapter 2: Essential Elements of Red Cloud And The Sioux Problem
- Chapter 3: Red Cloud And The Sioux Problem in Everyday Life
- Chapter 4: Red Cloud And The Sioux Problem in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Red Cloud And The Sioux Problem. The first chapter will explore what Red Cloud And The Sioux Problem is, why Red Cloud And The Sioux Problem is vital, and how to effectively learn about Red Cloud And The Sioux Problem.
3. In chapter 2, the author will delve into the foundational concepts of Red Cloud And The Sioux Problem. This chapter will elucidate the essential principles that need to be understood to grasp Red Cloud And The Sioux Problem in its entirety.
4. In chapter 3, this book will examine the practical applications of Red Cloud And The Sioux Problem in daily life. This chapter will showcase real-world examples of how Red Cloud And The Sioux Problem can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Red Cloud And The Sioux Problem in specific contexts. The fourth chapter will explore how Red Cloud And The Sioux Problem is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Red Cloud And The Sioux Problem. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Red Cloud And The Sioux Problem.
