Tourism and the Consumption of Wildlife Brent Lovelock, 2007-10-25 Consumptive forms of wildlife tourism hunting shooting and fishing have become a topic of interest both to the tourism industry in terms of destinations seeking to establish or grow this sector and to other stakeholders such as environmental organisations animal rights groups and the general public Hunting tourism in particular has come under fire with accusations that it is contributing to the demise of some species Practices such as canned hunting within fenced safari parks or the use of hounds are described as unethical and fishing tourism too has attracted recent negative publicity as it is

said to be cruel At the same time however many peripheral and indigenous communities around the world are strategising how to capitalise on consumptive forms of wildlife tourism This book addresses a range of contentious issues facing the consumptive wildlife tourism sector across a number of destinations in Europe North America Africa India Arabia and Oceania Practices such as baited bear hunting trophy hunting of threatened species and hunting for conservation are debated along with the impact of this type of tourism on indigenous communities and on wider societies Research on all aspects of consumptive wildlife tourism is included which for the purposes of the book is defined to include all tourism that involves the intended killing of wildlife for sport purposes and may include the harvest of wildlife products This includes among others recreational hunting big game hunting and safari operations traditional indigenous hunting game bird shooting hunting with hounds freshwater angling and saltwater game fishing etc This is the first book to specifically address tourist aspects of consumption of wildlife It will appeal to tourism and recreation academics and students tourism industry operators community tourism planners and wildlife managers Proceedings of the New Zealand Society of Animal Production New Zealand Society of Animal Production,2002 **Farm Animal Behaviour, 2nd Edition** Ingvar Ekesbo,Stefan Gunnarsson,2018-11-13

Completely updated and revised this new edition continues to provide essential information on normal and abnormal behaviours in a wide variety of farm animals to help in the assessment and diagnosis of their welfare

Paratuberculosis Marcel A. Behr,Karen Stevenson,Vivek Kapur,2020-09-24 Paratuberculosis also referred to as Johne s disease affects principally cattle goats sheep buffalo deer and other ruminants It is common worldwide and responsible for significant economic losses in the ruminant livestock industries A timely follow up to the first book on Paratuberculosis this new edition is still the only comprehensive text providing both historical context and the latest developments in the field Examining the epidemiology of paratuberculosis the organism that causes the disease and practical aspects of its diagnosis and control it also addresses the link between paratuberculosis in the food chain and human health implications including Crohn s disease
