

Red Herring

• ...named after a strong-smelling fish, the scent of which throws hounds off the scent of a trail. **The Red Herring occurs when one draws attention away from the main issue by focusing on a side issue or on something irrelevant.**

Examples:

- "So you think that doctor-assisted suicide is morally acceptable? You probably also think that an unborn human being is just a 'choice'."
- "I work 60 hours a week to support my family, and I pay my taxes; you shouldn't arrest me just because I punched him in the face."
- "You're not being fair by denying me the opportunity to make up the quiz; after all, I'm paying for my own education, I work two jobs and have to raise my six children on my own!"

Red Herrings Idioms:

Red Herrings Michael Berman, Mark Fletcher, 1996 *Exploring Idioms* Valeri R. Helterbran, 2008 Idioms are everywhere whether you break a leg make a mountain out of a molehill or let the cat out of the bag and they spice up English in the most delightful way Mastery of idioms promotes fluency and lively colorful self expression And now with *Exploring Idioms* you can use them to develop your students critical thinking skills too In *Exploring Idioms* Valeri Helterbran provides opportunities for middle grade students to actively work with and connect to 120 common American idioms as well as more than 300 related idiomatic phrases students can investigate on their own The critical thinking activities in *Exploring Idioms* give you an easy and effective way to begin or end the day to prepare students to respond to questions about idioms on state assessments and to help ELL students master this difficult English language concept while having fun at the same time Have your students put on their thinking caps and explore the creative world of idioms **Red Herrings & White Elephants**

Albert Jack, 2016-04-20 The biggest selling non fiction book of the decade Mad hatter pie in the sky egg on your face We use these phrases every day yet how many of us know what they really mean or where they came from From bringing home the bacon to leaving no stone unturned the English language is peppered with hundreds of common idioms borrowed from ancient traditions and civilizations throughout the world In *Red Herrings and White Elephants* Albert Jack has uncovered the amazing and sometimes downright bizarre stories behind many of our most familiar and eccentric modes of expression If you happen to be a bootlegger your profession recalls the Wild West outlaws who sold illegal alcohol by concealing slender bottles of whiskey in their boots If you're on cloud nine you owe a nod to the American Weather Bureau's classification of clouds the ninth topping out all others at a mountainous 40 000 feet If you opt for the hair of the dog the morning after you're following the advice of medieval English doctors who recommended rubbing the hair of a dog into the wound left by the animal's bite A delightful compendium of anecdotes on everything from minding your p's and q's to pulling out all the stops *Red Herrings and White Elephants* is an essential handbook for language lovers of all ages Reviewed Albert Jack has all the answers Daily Express I never questioned the origin of White Elephants Red Herrings or any of the other many idiomatic phrases that we use everyday but a friend of mine bought me this book and I was blown away The author has done a stunning job of explaining the stories behind a myriad of phrases The book is informative funny entertaining and just incredibly well done I have since bought it again to give as gifts Great This is not the kind of book that you can just sit down and read It is absolutely mandatory that you have someone nearby that you can tap on the shoulder and ask if they know what a red herring is or a white elephant And then minutes later you will be bothering them with another gem that you just have to share And then you interrupt them yet again with another one Definitely a fun interactive book [An Idiot's Love of Idioms](#)
