Red Housescarlet Street:

Red House Sarah Messer, 2005-06-28 In her critically acclaimed ingenious memoir Sarah Messer explores America's fascination with history family and Great Houses Her Massachusetts childhood home had sheltered the Hatch family for 325 years when her parents bought it in 1965 The will of the house's original owner Walter Hatch which stipulated Red House was to be passed down never to be sold or mortgaged from my children and grandchildren forever still hung in the living room In Red House Messer explores the strange and enriching consequences of growing up with another family's birthright Answering the riddle of when shelter becomes first a home and then an identity Messer has created a classic exploration of heritage community and the role architecture plays in our national identity **Warning Shadows** Gary Giddins, 2010-04-19 A brilliantly insightful and witty examination of beloved and little known films directors and stars by one of America's most esteemed critics In his illuminating new work Gary Giddins explores the evolution of film from the first moving pictures and peepshows to the digital era of DVDs and online video streaming New technologies have changed our experience of cinema forever we have peeled away from the crowded theater to be home alone with classic cinema Recounting the technological developments that films have undergone Warning Shadows travels through time and across genres to explore the impact of the industry's most famous classics and forgotten gems Essays such as Houdini Escapes From the Vaults Of the Past Edward G Robinson See and Prestige and Pretension Pride and Prejudice capture the wit and magic of classic cinema Each chapter ranging from the horror films of Hitchcock to the fantastical frames of Disney provides readers with engaging analyses of influential films and the directors and actors who made them possible *Broadway Actors in Films, 1894-2015* Roy Liebman, 2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer's career a list of stage appearances and a filmography **Leonard Maltin's 2009 Movie Guide** Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features Film Noir Reader Alain Silver, James Ursini, 1996 Limelight This bountiful anthology combines all the key early writings on film noir with many newer essays including some published here for the first time The collection is assembled by the editors of the Third Edition of Film Noir An Encyclopedic Reference to the American Style now regarded as the standard work on the subject *Hollywood Left and Right* Steven J. Ross, 2011-09-06 In Hollywood Left and Right Steven J Ross tells a story that has escaped public attention the emergence of Hollywood as a vital center of political life and the important role that movie

stars have played in shaping the course of American politics Ever since the film industry relocated to Hollywood early in the twentieth century it has had an outsized influence on American politics Through compelling larger than life figures in American cinema Charlie Chaplin Louis B Mayer Edward G Robinson George Murphy Ronald Reagan Harry Belafonte Jane Fonda Charlton Heston Warren Beatty and Arnold Schwarzenegger Hollywood Left and Right reveals how the film industry s engagement in politics has been longer deeper and more varied than most people would imagine As shown in alternating chapters the Left and the Right each gained ascendancy in Tinseltown at different times From Chaplin whose movies almost always displayed his leftist convictions to Schwarzenegger s nearly seamless transition from action blockbusters to the California governor s mansion Steven J Ross traces the intersection of Hollywood and political activism from the early twentieth century to the present Hollywood Left and Right challenges the commonly held belief that Hollywood has always been a bastion of liberalism The real story as Ross shows in this passionate and entertaining work is far more complicated First Hollywood has a longer history of conservatism than liberalism Second and most surprising while the Hollywood Left was usually more vocal and visible the Right had a greater impact on American political life capturing a senate seat Murphy a governorship Schwarzenegger and the ultimate achievement the Presidency Reagan

The Edward G. Robinson Encyclopedia Robert Beck,2015-09-16 Edward G Robinson a 1930s cinema icon had an acting career that spanned more than 60 years After a brush with silent films he rose to true celebrity status in sound feature films and went on to take part in radio and television performances then back to Broadway and on the road in live theatre This work documents Robinson s every known public performance or appearance listing co workers source material background and critical commentary The entries include feature films documentaries short subjects cartoons television and radio productions live theatre presentations narrations pageants and recordings Also included are entries relating to his life and career ranging from his wives to his art collection

Mean Streets and Raging Bulls Richard Martin,2000-01-01 Classic film noir was Hollywood s dark cinema of crime and corruption a genre underpinned by a tone of existential cynicism which stripped bare the myth of the American Dream and offered a bleak nightmarish vision of a fragmented society that rhymed with many of the social realities of forties and fifties America Mean Streets and Raging Bulls explores how since its apparent demise in the late fifties the noir genre has been revitalized during the post studio era The book is divided into two sections In the first the evolution of film noir is contextualized in relation to both American cinema s industrial transformation and the post Depression history of the United States In the second the evolution of neo noir and its relation to classic film noir is illustrated by detailed reference to representative texts including Chinatown Roman Polanski 1974 Night Moves Arthur Penn 1975 Taxi Driver Martin Scorsese 1976 Blood Simple Joel and Ethan Coen 1984 After Hours Martin Scorsese 1985 Sea of Love Harold Becker 1989 Reservoir Dogs Quentin Tarantino 1992 and Romeo is Bleeding Peter Medak 1994
