Goodspeed-Chadwick, 2011 In *Modernist Women Writers and War* Julie Goodspeed Chadwick examines important avant garde writings by three American women authors and shows that during World Wars I and II a new kind of war literature emerged one in which feminist investigation of war and trauma effectively counters the paradigmatic war experience long narrated by men In the past Goodspeed Chadwick explains scholars have not considered writings by women as part of war

literature They have limited war writing to works by men such as William Butler Yeats's poem *An Irish Airman Foresees His Death* 1919 which relies on a male perspective a pilot contemplates his forthcoming flight his duty to his country and his life in combat But works by Djuna Barnes H D and Gertrude Stein set in wartime reveal experiences and views of war markedly different from those of male writers They write women and their bodies into their texts thus creating space for female war writing insisting on female presence in wartime and perhaps most significantly critiquing war and patriarchal politics often in devastating fashion *Goodspeed* Chadwick begins with Barnes who in her surrealist novel *Nightwood* 1936 emphasizes the actual perversity of war by placing it in contrast to the purported perverse and deviant behavior of her main characters In her epic poem *Trilogy* 1944 1946 H D validates female suffering and projects a feminist spiritual worldview that fosters healing from the ravages of war Stein for her part in her experimental novel *Mrs Reynolds* 1952 and her long love poem *Lifting Belly* 1953 captures her experience of the everyday reality of war on the home front within the domestic economy of her household In these works the female body stands as the primary textual marker or symbol of female identity an insistence on women's presence in both the text and in the world outside the book The strategies employed by Barnes H D and Stein in these texts serve to produce a new kind of writing *Goodspeed* Chadwick reveals one that ineluctably constructs a female identity within and authorship of the war narrative

The 70 Weeks of Daniel Gerald Sigal, 2013-12-20 The interpretation of the Seventy Weeks passage of Daniel 9 has been the center of many discussions between Jews and Christians as to its meaning These controversies have generally revolved around three areas of dispute The division of the weeks The starting date of the Seventy Weeks The number of anointed individuals mentioned in the text and or his their identification In agreement with the Masoretic accents and textual indicators e g verse 26 Jewish commentators divide the time period into three periods seven weeks sixty two weeks and one week The last week culminates with the destruction of the Temple but with an addendum giving hope for the future Christian renderings of Daniel generally follow the present day King James Version's division into two periods of weeks sixty nine weeks consisting of seven weeks plus sixty two weeks and one week This is also the position maintained by most Christian commentators in explaining this passage What is the overall purpose of the Seventy Weeks passage Is this passage messianic Who are the two anointed individuals mentioned in this passage How does its description of things to come and eventual fulfillment centuries later give proof of the eventual fulfillment of all God's promises to Israel What message does it hold for Jewish history past and future Does it refer to Christian eschatological beliefs Does this passage refer in any way to Jesus To investigate these questions is the purpose of this volume
