Red Roses Mean Love Jacquie D'Alessandro, 2009-06-24 Yellow for friendship Pink for passion But Red Roses Mean Love She dreamed of roses Orphaned and abandoned by her fianc Hayley Albright is determined to care for her younger siblings even if it means having to give up her own dreams She doesn't expect to ever find love or get married until one moonlit night when she saves the life of a mysterious stranger And he wants only to make her dreams come true Lord Stephen Barrett woke up gazing at the face of an angel He was alive And safe for now from the killer stalking his every move Allowing Hayley to believe he is just a tutor of modest means Stephen stays on for reasons of his own never anticipating the passions Hayley would stir in his cold wary heart Her innocence is pure seduction Her touch is sweet temptation And suddenly the man who has everything is willing to risk it all for a woman who has nothing to give but all her heart From the Paperback edition

Greetings with Love, 2003

Pretty Girl Gone David Housewright, 2007-04-01 Rushmore Mac McKenzie has a lot of old girlfriends but only one went on to marry the current governor of the state of Minnesota And only one is calling him with a desperate request to meet in secret First Lady Lindsay Barrett is carrying an anonymous e mail that contains the makings of an ugly rumor about her husband the man about to run for higher office perhaps even the highest office Someone says they have evidence that Jack Barrett killed his high school sweetheart Lindsay says it's an outright lie but the truth lies buried decades in the past in the small town where the governor grew up Of course Mac who's richer than he needs to be and always has plenty of time on his hands is in the business of handling such matters for his friends So he packs up and drives straight into the governor's past with the brilliantly conceived plan to poke around and see if he can stir up a little information He's soon got goons of all sorts poking him back including a nasty little group of political movers and shakers who aren't above kidnapping and murder to protect their interests It's clear that his little plan has stirred up nothing but trouble With no choice but to stick to it he continues shifting through a complex web of interlocking secrets and lies some decades old and some rooted violently in the present day It's up to Mac to sort truth from untruth before a vicious rumor becomes a political nightmare or worse before the outright lie is proved a solid irrefutable fact

The Fever of Life Fergus Hume, 2019-12-12 In *The Fever of Life* Fergus Hume delves into the intricate interplay between human emotions and existential crises through a gripping narrative that intertwines elements of romance mystery and psychological depth The literary style is characterized by Hume's adept use of vivid imagery and dramatic tension reflecting the late Victorian preoccupation with the darker aspects of human experience As a response to the rapidly changing society of the time the novel resonates with themes of passion despair and the quest for meaning amidst chaos capturing a sense of urgency reflective of its title Fergus Hume was an influential figure in late 19th century literature best known for his detective fiction which paved the way for the genre's development Born in England and later moving to Australia Hume was exposed to diverse cultural influences and social dynamics which profoundly impacted his storytelling His experiences with the complexities of urban life and the human condition inform the emotional weight and thematic richness found in *The Fever of Life* showcasing Hume's versatility as a writer beyond mere genre conventions This novel is highly recommended for readers interested in exploring the depths of human experience through a classic lens offering a thought provoking narrative that challenges societal norms and personal ambition Hume's masterful storytelling will leave readers contemplating the profound nature of desire and the human spirit long after the last page is turned
