The setting for the story is in the Middle East more than one thousand years ago when magic was still in the air The story opens with Prince Malu fleeing for his life on his twentieth birthday What was supposed to be a joyous occasion with visitors from several nations attending was turned into a terrorist attack by the Caliph of Oman and his men They disguised themselves as guests and entered the palace Then just when Malu s father Ahmed Ben Crishna King of Armapour was about to present Malu to the representatives of the various countries the attack began The King is killed immediately Queen Melina Malu s mother helps him to escape She is killed with an arrow intended for Malu Malu flees on a horse that was a birthday present from his mother Malu pushes his mount as far and as fast as he is able but cannot seem to shake the two relentless pursuers The chase continues until Malu enters mysterious mountains that are rumored to harbor demons evil spirits lions cobra and other dangers The men pursuing him are afraid of the mountains and give up the chase Malu wanders into the mountains He has no food or water and the only weapon he has is a saber a birthday present from his father Malu is so weary that he dismounts and falls asleep on the hard ground and dreams of all that had happened He awakens and is attacked by bandits Just when one of the bandits is about to deliver a killing blow to the unconscious Malu he is shot dead with an arrow seemingly to come from out of thin air Kumar King of the forbidden city of Shayandra and his men had been watching Malu s progress since he entered the mountains Kumar killed the bandit When Malu finally regains consciousness he is surprised to find Kumar and his men have the bandits at their mercy He is greeted by Kumar and asked to identify himself Malu tells Kumar that he is the Prince of the kingdom of Armapour Kumar takes Malu into the forbidden city of Shayandra Malu meets Helita Kumar s granddaughter who later becomes the love of his life Kumar decides to tell Malu the story of Shayandra Malu learns that the city and its people have been under a curse for more than a thousand years The curse fell upon them because a prior king of Shayandra had desecrated the tomb of an Egyptian Lion God Not long after the tomb was desecrated the Lion God was reincarnated and now this half man half lion monster now lives in these mountains with his evil spirits and demons The curse demands that every hundred years on the anniversary of the desecration a human sacrifice must be made to Lion God or all the people of Shayandra would die This person must be a first born of the royal family Shayandra It was now the time again for the sacrifice and Helita would be the next victim Kumar then tells Malu that the legend of the curse told of a prince a savior who would come some day and break the curse Kumar tells Malu that he believes that Malu is that prince Of course Malu does not believe it Malu has already fallen in love with Helita and cannot stand the thought of her dying so he agrees to help He tells Kumar that what he feels he must do is free Armapour from the Caliph Kumar convinces Malu to help the people of Shayandra by promising to raise an army and march on Armapour once the curse broken Kumar s words were

**Deleuze and the Gynesis of Horror** Sunny Hawkins,2020-10-01 Applying Deleuze s schizoanalytic techniques to film theory Deleuze and the Gynesis of Horror demonstrates how an embodied approach to horror film analysis can help us understand how film affects its viewers and distinguish those films which reify static hegemonic molar beings from those which prompt fluid nonbinary molecular becomings It does so by analyzing the politics of reproduction in contemporary films such as Ex Machina Mary Shelley s Frankenstein Mad Max Fury Road the Twilight saga and the original Alien quadrilogy and its more recent prequels Prometheus and Alien Covenant Author Sunny Hawkins argues that films which promote a monstrous philosophy of qualitative affirmative difference as difference in itself and which tend to be more molecular than

molar in their expressions can help us trace a line of flight from the gender binary in the real world Deleuze and the Gynesis of Horror demonstrates how the techniques of horror film editing sound and visual effects lighting and colour camera movement work in tandem with a film's content to affect the viewer's body in ways that disrupt the sense of self as a whole unified subject with a stable monolithic identity and in some cases can serve to breakdown the binary between self/Other as we come to realize that we are none of us static categorizable beings but are as Henri Bergson said living things constantly becoming
