Red Shtetl The Survival Of A Jewish Town Under Soviet Communism:

Red Shtetl Charles E. Hoffman, 2002 **Religion and Jewish Identity in the Soviet Union, 1941-1964** Mordechai Altshuler, 2012 Unearths the roots of a national awakening among Soviet Jews during World War II and its aftermath *In the Shadow of the Shtetl* Jeffrey Veidlinger, 2013-11-01 A history based on interviews with hundreds of Ukrainian Jews who survived both Hitler and Stalin recounting experiences ordinary and extraordinary The story of how the Holocaust decimated Jewish life in the shtetls of Eastern Europe is well known Still thousands of Jews in these small towns survived the war and returned afterward to rebuild their communities The recollections of some four hundred returnees in Ukraine provide the basis for Jeffrey Veidlinger's reappraisal of the traditional narrative of twentieth century Jewish history These elderly Yiddish speakers relate their memories of Jewish life in the prewar shtetl their stories of survival during the Holocaust and their experiences living as Jews under Communism Despite Stalinist repressions the Holocaust and official antisemitism their individual remembrances of family life religious observance education and work testify to the survival of Jewish life in the shadow of the shtetl to this day **Jews in the Soviet Union: A History** Gennady Estraiikh, 2022-12-20 This book describes the joy and problems in life of the multilayered Soviet Jewish society during the years between Josef Stalin's demise in March 1953 and Moscow's breaking of diplomatic relations with Israel in June 1967 *Yiddish in the Cold War* Gennady Estraiikh, 2017-12-02 Yiddish speaking groups of Communists played a visible role in many countries most notably in the Soviet Union United States Poland France Canada Argentina and Uruguay The sacrificial role of the Red Army and the Soviet Union as a whole reinforced the Left movement in the post Holocaust Jewish world Apart from card careering devotees such groups attracted numerous sympathisers including the artist Marc Chagall and the writer Sholem Asch But the suppression of Yiddish culture in the Soviet Union radically changed the climate in Jewish leftwing circles Former Communists and sympathisers turned away while the attention of Yiddish commentators in the West turned to the conditions for Jewish cultural and religious life in the Soviet Union and Poland Jewish emigration and the situation in the Middle East Ideological confrontations between Communist Yiddish literati in the Soviet Union United States Canada Poland France and Israel are in the centre of Gennady Estraiikh's pioneering study *Yiddish in the Cold War* This ground breaking book recreates the intellectual environments of the Moscow literary journal *Sovetish Heymland* the author was its managing editor in 1988-91 the New York newspaper *Morgn Frayhayt* and the Warsaw newspaper *Folks Shtime* **Farming the Red Land** Jonathan L. Dekel-Chen, 2008-10-01 This is the first history of the Jewish agricultural colonies that were established in Crimea and Southern Ukraine in 1924 and that fewer than 20 years later ended in tragedy Jonathan Dekel-Chen opens an extraordinary window on Soviet rural life during these turbulent years and he documents the remarkable relations that developed among the American Jewish sponsors of the ambitious project the Soviet authorities and the colonists themselves Drawing on extensive and largely untouched archives and a wealth of previously unpublished oral histories the book revises what has

been understood about these agricultural settlements Dekel Chen offers new conclusions about integration and separation among Soviet Jews the contours of international relations and the balance of political forces within the Jewish world during this volatile period

Jews in the Soviet Union: A History Elissa Bemporad, 2025-06-25 Chronicles the encounter of one of the largest Jewish communities in the world with war revolution and Soviet power from 1917 through 1930 At the beginning of the twentieth century more Jews lived in the Russian Empire than anywhere else in the world After the Holocaust the USSR remained one of the world's three key centers of Jewish population along with the United States and Israel Yet while a great deal is known about the history and experiences of the Jewish people in the US and in Israel in the twentieth century much less is known about the experiences of Soviet Jews *Jews in the Soviet Union* a new multi volume history is an unprecedented undertaking This groundbreaking work draws on rare access to documents from the Soviet archives allowing for the presentation of a sweeping history of Jewish life in the Soviet Union from 1917 through the early 1990s Volume 1 tells the story of the ways in which Jews endured adjusted to and participated in the Soviet system both as individuals and as part of a Jewish collectivity during the first decade of its existence The volume explores Jewish cultural political and social life in the different regions of the Soviet Union integrating gender and women's issues narratives of historical elites and ordinary folk It focuses on everyday life and discusses the fate of Jews in the Soviet Union both as Soviet citizens and as Jews Chronicling the ways in which different Jews became Soviet in the 1920s the volume reveals how the lines of contact between Jews in the Soviet Union and the outside world fluctuated between open antagonism and impassioned support

Global Jewish Foodways Hasia R. Diner, Simone Cinotto, 2018-01-01 The history of the Jewish people has been a history of migration Although Jews invariably brought with them their traditional ideas about food during these migrations just as invariably they engaged with the foods they encountered in their new environments Their culinary habits changed as a result of both these migrations and the new political and social realities they encountered The stories in this volume examine the sometimes bewildering kaleidoscope of food experiences generated by new social contacts trade political revolutions wars and migrations both voluntary and compelled This panoramic history of Jewish food highlights its breadth and depth on a global scale from Renaissance Italy to the post World War II era in Israel Argentina and the United States and critically examines the impact of food on Jewish lives and on the complex set of laws practices and procedures that constitutes the Jewish dietary system and regulates what can be eaten when how and with whom *Global Jewish Foodways* offers a fresh perspective on how historical changes through migration settlement and accommodation transformed Jewish food and customs

Red Kasrilevke Deborah Hope Yalen, 2007 *Jews in Russia and Eastern Europe*, 2003

Revolution, Repression, and Revival Zvi Gitelman, Yaacov Ro'i, 2007-11-06 Revolution Repression and Revival enhances our understanding of the Russian Jewish past by bringing together some of the latest thinking by the leading scholars from the former Soviet Union Israel and the United States The book explains the contradictions ambiguities and anomalies of the

Russian Jewish story and helps us understand one of the most complex and unsettled chapters in modern Jewish history

The YIVO Encyclopedia of Jews in Eastern Europe Gershon David Hundert, Yivo Institute for Jewish Research, 2008 This unprecedented reference work systematically represents the history and culture of Eastern European Jews from their first settlement in the region to the present day More than 1 800 alphabetical entries encompass a vast range of topics including religion folklore politics art music theater language and literature places organizations intellectual movements and important figures The two volume set also features more than 1 000 illustrations and 55 maps With original and up to date contributions from an international team of 450 distinguished scholars the Encyclopedia covers the region between Germany and the Ural Mountains from which more than 2 5 million Jews emigrated to the United States between 1870 and 1920 Even today the majority of Jewish immigrants to North America arrive from Eastern Europe Engaging wide ranging and authoritative this work is a rich and essential reference for readers with interests in Jewish studies and Eastern European history and culture Published in cooperation with YIVO Institute for Jewish Research Index to Jewish Periodicals, 2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **Dorot**, 1999

Borderland Generation Jeffrey Koerber, 2020-02-06 Despite their common heritage Jews born and raised on opposite sides of the Polish Soviet border during the interwar period acquired distinct beliefs values and attitudes Variances in civic commitment school lessons youth activities religious observance housing arrangements and perceptions of security deeply influenced these adolescents who would soon face a common enemy Set in two cities flanking the border Grodno in the interwar Polish Republic and Vitebsk in the Soviet Union Borderland Generation traces the prewar and wartime experiences of young adult Jews raised under distinct political and social systems Each cohort harnessed the knowledge and skills attained during their formative years to seek survival during the Holocaust through narrow windows of chance Antisemitism in Polish Grodno encouraged Jewish adolescents to seek the support of their peers in youth groups Across the border to the east the Soviet system offered young Vitebsk Jews opportunities for advancement not possible in Poland but only if they integrated into the predominantly Slavic society These backgrounds shaped responses during the Holocaust Grodno Jews deported to concentration camps acted in continuity with prewar social behaviors by forming bonds with other prisoners Young survivors among Vitebsk's Jews often looked to survive by posing under false identities as Belarusians Russians or Tatars Tapping archival resources in six languages Borderland Generation offers an original and groundbreaking exploration of the ways in which young Polish and Soviet Jews fought for survival and the complex impulses that shaped their varying methods **In the Midst of Civilized Europe** Jeffrey Veidlinger, 2021-10-26 FINALIST FOR THE NATIONAL JEWISH BOOK AWARD SHORTLISTED FOR THE LIONEL GELBER PRIZE The mass killings of Jews from 1918 to 1921 are a bridge between local pogroms and the extermination of the Holocaust No history of that Jewish catastrophe comes close to the virtuosity of research clarity of prose and power of analysis of this extraordinary book As the horror of events yields to

empathetic understanding the reader is grateful to Veidlinger for reminding us what history can do Timothy Snyder author of *Bloodlands Between 1918 and 1921* over a hundred thousand Jews were murdered in Ukraine by peasants townsmen and soldiers who blamed the Jews for the turmoil of the Russian Revolution In hundreds of separate incidents ordinary people robbed their Jewish neighbors with impunity burned down their houses ripped apart their Torah scrolls sexually assaulted them and killed them Largely forgotten today these pogroms ethnic riots dominated headlines and international affairs in their time Aid workers warned that six million Jews were in danger of complete extermination Twenty years later these dire predictions would come true Drawing upon long neglected archival materials including thousands of newly discovered witness testimonies trial records and official orders acclaimed historian Jeffrey Veidlinger shows for the first time how this wave of genocidal violence created the conditions for the Holocaust Through stories of survivors perpetrators aid workers and governmental officials he explains how so many different groups of people came to the same conclusion that killing Jews was an acceptable response to their various problems In riveting prose In the Midst of Civilized Europe repositions the pogroms as a defining moment of the twentieth century **The Death of the Shtetl** Yehuda Bauer, 2009-01-01 The author recounts the destruction of small Jewish towns in Poland and Russia at the hands of the Nazis in 1941 1942 *The Holocaust and Soviet War Crimes Trials in the Cold War Context* Gintarė Malinauskaitė, 2024-02-23 This volume aims to offer a fresh perspective towards the evaluation of Soviet war crimes trials of Holocaust perpetrators their representation through various means of media and their reception in the context of the Cold War By examining the 1964 Klaipėda war crimes trial in Soviet Lithuania through a microhistorical perspective the book explores the history of the second wave of Soviet justice in the 1960s It attempts to offer insight not only into how this Soviet war crimes trial was initiated and investigated but also into how it was presented in the courtroom and channeled through the media for publicity The book argues that the war crimes trials conducted by the Soviet Lithuanian judiciary can be on one hand perceived as an intrinsic element of Soviet ideological propaganda and on the other viewed as an alternative space for disclosing memories of the mass murder of Jews offering an opposing perspective to the official Soviet politics of memory Intended for both an academic audience and the general public this volume unveils an intertwined compilation of Soviet legal history politics of retribution memory and media during the Thaw period Encyclopaedia Judaica: Red-Si Encyclopaedia Judaica, 1996 Евреи Украины в 1943-1953 гг Михаил Мицель, 2004
