Regimental Strengths And Losses At Gettysburg

John W. Busey, David George Martin

Regimental Strengths And Losses At Gettysburg:

Regimental Strengths and Losses at Gettysburg John W. Busey, David George Martin, 2005 Statistical and reference book on the organization and unit strengths of the union and confederate armies at the battle of Gettysburg PA July 1 3 1863

Regimental Strengths at Gettysburg John W. Busey, David George Martin, 1982 *Last Chance For Victory* Scott Bowden, Bill Ward, 2025-05-01 Gettysburg is the most written about battle in American military history Generations after nearly 50 000 soldiers shed their blood there serious and fundamental misunderstandings persist about Robert E Lee s generalship during the campaign and battle Most are the basis of popular myths about the epic fight Last Chance for Victory Robert E Lee and the Gettysburg Campaign addresses these issues by studying Lee s choices before during and after the battle the information he possessed at the time and each decision that was made and why he acted as he did Even options open to Lee that he did not act upon are carefully explored from the perspective of what Lee and his generals knew at the time Some of the issues addressed include Whether Lee s orders to Jeb Stuart were discretionary and allowed him to conduct his raid around the Federal army The authors conclusively answer this important question with the most original and unique analysis ever applied to this controversial issue Why Richard Ewell did not attack Cemetery Hill as ordered by General Lee and why every historian who has written that Lee s orders to Ewell were discretionary are dead wrong Why Little Round Top was irrelevant to the July 2 fighting a fact Lee clearly recognized Why Cemetery Hill was the weakest point along the entire Federal line and how close the Southerners came to capturing it Why Lee decided to launch an echelon attack on July 2 and why most historians have never understood what it was or how close it came to success Last Chance for Victory will be labeled heresy by some blasphemy by others all because its authors dare to call into question the dogmas of Gettysburg But they do so carefully using facts logic and reason to weave one of the most compelling and riveting military history books of our age Readers will never look at Robert E Lee and Gettysburg the same way again **"Stand to It and Give Them Hell"** John Michael Priest, 2014-06-19 A stirring narrative of the common soldier s experiences on the southern end of the battlefield on the second day of fighting at Gettysburg Civil War News Stand to It and Give Them Hell chronicles the Gettysburg fighting from Cemetery Ridge to Little Round Top on July 2 1863 through the letters memoirs diaries and postwar recollections of the men from both armies who struggled to control that hallowed ground John Michael Priest dubbed the Ernie Pyle of the Civil War soldier by legendary historian Edwin C Bearss wrote this book to help readers understand and experience as closely as possible through the written word the stress and terror of that fateful day in Pennsylvania Nearly sixty detailed maps mostly on the regimental level illustrate the tremendous troop congestion in the Wheatfield the Peach Orchard and Devil s Den They accurately establish by regiment or company the extent of the Federal skirmish line from Ziegler s Grove to the Snyder farm and portray the final Confederate push against the Codori farm and the center of Cemetery Ridge which three Confederate divisions in what is popularly known as Pickett s Charge would unsuccessfully

attack on the final day of fighting Stand to It and Give Them Hell puts a human face on the second day of the nation's epic Civil War battle Mike Priest has taken a familiar story and somehow made it fresh and new It is simply first rate Lance J Herdegen award winning author of Union Soldiers in the American Civil War Remarkable Priest's distinctive style is rife with anecdotes many drawn from obscure diaries and letters artfully stitched together in an original manner David G Martin author of The Shiloh Campaign Journey to Armageddon Kevin A. Campbell,2021-10-26 The information about the book is not available as of this time *A Republic in the Ranks* Zachery A. Fry,2020-02-21 The Army of the Potomac was a hotbed of political activity during the Civil War As a source of dissent widely understood as a frustration for Abraham Lincoln its onetime commander George B McClellan even secured the Democratic nomination for president in 1864 But in this comprehensive reassessment of the army's politics Zachery A Fry argues that the war was an intense political education for its common soldiers Fry examines several key crisis points to show how enlisted men developed political awareness that went beyond personal loyalties By studying the struggle between Republicans and Democrats for political allegiance among the army's rank and file Fry reveals how captains majors and colonels spurred a pro Republican political awakening among the enlisted men culminating in the army's resounding Republican voice in state and national elections in 1864 For decades historians have been content to view the Army of the Potomac primarily through the prism of its general officer corps portraying it as an arm of the Democratic Party loyal to McClellan's leadership and legacy Fry in contrast shifts the story's emphasis to resurrect the successful efforts of proadministration junior officers who educated their men on the war's political dynamics and laid the groundwork for Lincoln's victory in 1864 Gettysburg's Bloody Wheatfield Jay Jorgensen,2014-03-31 The fight for the Wheatfield at Gettysburg on July 2 1863 has long been one of the most confusing and misunderstood engagements of that famous battle until now Gettysburg's Bloody Wheatfield provides readers with a blow by blow description of the fight where one out of every three soldiers was a casualty *Ghost Hunters Reference Guide: Gettysburg Battlefield* Joseph Ciferno Jr,2010-06-05 This book is taking a different approach as compared to other ghost hunting books on Gettysburg Granted there are some really great books already on the subject But adding more historic information for those who read this book will have a solid starting point on researching the battlefield for other locations Of course you can just keep going back to the same locations over and over and competing with others *Civil War Witnesses and Their Books* Gary W. Gallagher,Stephen Cushman,2021-09-22 Civil War Witnesses and Their Books New Perspectives on Iconic Works serves as a wide ranging analysis of texts written by individuals who experienced the American Civil War Edited by Gary W Gallagher and Stephen Cushman this volume like its companion Civil War Writing New Perspectives on Iconic Texts 2019 features the voices of authors who felt compelled to convey their stories for a variety of reasons Some produced works intended primarily for their peers while others were concerned with how future generations would judge their wartime actions One diarist penned her entries with no thought that they would later become available to the public The essayists

explore the work of five men and three women including prominent Union and Confederate generals the wives of a headline seeking US cavalry commander and a Democratic judge from New York City a member of Robert E Lee s staff a Union artillerist a matron from Richmond s sprawling Chimborazo Hospital and a leading abolitionist US senator Civil War Witnesses and Their Books shows how some of those who lived through the conflict attempted to assess its importance and frame it for later generations Their voices have particular resonance today and underscore how rival memory traditions stir passion and controversy providing essential testimony for anyone seeking to understand the nation s greatest trial and its aftermath CONTENTS From Manassas to Appomattox James Longstreet s Memoir and the Limits of Confederate Reconciliation Elizabeth R Varon A Modern Sensibility in Older Garb Henry Wilson s Rise and Fall of the Slave Power and the Beginnings of Civil War History William Blair The Brisk and Brilliant Matron of Chimborazo Hospital Phoebe Yates Pember s Nurse Narrative Sarah E Gardner George McClellan s Many Turnings Stephen Cushman Maria Lydig Daly Diary of a Union Lady 1861 1865 J Matthew Gallman John D Billings s Hardtack and Coffee A Union Fighting Man s Civil War M Keith Harris One Widow s Wars The Civil War Reconstruction and the West in Elizabeth Bacon Custer s Memoirs Cecily N Zander Proximity and Numbers Walter H Taylor Shapes Confederate History and Memory Gary W Gallagher *Bound to be a Soldier* James Todd Miller,2001 After joining the 111th Pennsylvania Infantry Miller saw action at Gettysburg Cedar Mountain and Chancellorville He died in 1864 at the battle of Peachtree Creek just before the fall of Atlanta Drawing us close to Miller s heart and mind these letters present a powerful sense of an ordinary soldier s experience in its entirety His descriptions of his fellow soldiers before during and after battle are particularly striking BOOK JACKET

Unveiling the Magic of Words: A Report on "**Regimental Strengths And Losses At Gettysburg**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
