Region Not Home Relections From Exile:

A Region Not Home James Alan McPherson, 2000 The Pulitzer Prize winning author of *Elbow Room* an esteemed short story writer and essayist offers a powerful and graceful collection of his ruminations

A Region Not Home James Alan McPherson, 2001 In this deft collection of essays Pulitzer Prize winning author James McPherson offers poignant and lively interpretations of life that illuminate the ebb and flow of its sorrows and delights and reveals his search for connections between everyday drudgery and a greater sense of purpose He writes of the longing of the human soul by unifying thoughts of his deep affection for his daughter and the meaning of Disneyland transcendental meanings in life and the tedium of long waits in airports coming to self knowledge and the cruel rituals of fraternity pledge week A beautiful meditation on what it means to be human an enlightening and soulful work reaching to the core of suffering and joy

The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Gelfant, 2004-04-21 Esteemed critic Blanche Gelfant's brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories The heart of the book however lies in Part 2 which contains more than one hundred pieces on individual writers and their work including Fitzgerald Hemingway Richard Ford Raymond Carver Eudora Welty Andre Debus Zora Neal Hurston Anne Beattie Bharati Mukherjee J D Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject

The Contemporary African American Novel E. Lâle Demirtürk, 2012-07-20 This book examines the post 1990s African American novels namely the neo urban novel and develops a new urban discourse for the twenty first century on how

the city as a social formation impacts black characters through everyday discursive practices of whiteness The critique of everyday life in a racial context is important in considering diverse forms of the lived reality of black everyday life in the novelistic representations of the white dominant urban order African American fictional representations of the city have political significance in that the neo urban novel explores the nature of the American society at large This book explores the need to understand how whiteness works what it forecloses and what it occasionally opens up in everyday life in American society

The Cambridge Companion to The Essay Kara Wittman,Evan Kindley,2022-11-03 The book studies the history and theory of the essay and its social political and aesthetic contexts

The Columbia Guide to Contemporary African American Fiction Darryl Dickson-Carr,2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative

renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie s Angels offered Americans both a reflection of and an escape from the problems gripping the country

Encyclopedia of African-American Literature Wilfred D. Samuels, 2015-04-22 Presents a reference on African American literature providing profiles of notable and little known writers and their works literary forms and genres critics and scholars themes and terminology and more
