Regional Integration Europe And Asia Compared:

Regional Integration - Europe and Asia Compared Woosik Moon, 2017-07-05 This book examines and compares the integration process in both Europe and Asia and draws some possible lessons for East Asia from the European experience. The book embraces the political dimension of integration: peace and security, economic trade and monetary aspects as well as cultural aspects. *Regionalism and Global Economic Integration* William Donald Coleman, Geoffrey R. D. Underhill, 1998 This scholarly and interdisciplinary volume sheds much needed light on the relationship between national policies, regional integration patterns and the wider global setting. It covers regional patterns in Europe, Asia and the Americas. Individual chapters focus on topics ranging from industrial or financial policies to social welfare regimes as well as broader assessments and comparisons of regional arrangements in a global context. The chapters point to the diversity of regional patterns in the world economy and the continuing importance of national regulatory structures yet they also point to the common pressures of globalisation felt by all, especially in the domain of capital markets. With broad coverage and clear but sophisticated analysis, this new book will be vital reading to all those seeking to clarify their understanding of the contemporary regional/global paradox.

Globalization and Regional Integration in Europe and Asia Dr Nam-Kook Kim, 2013-04-28 This volume discusses the current trend of globalization and the main characteristics of world order focusing specifically on the destiny of the nation state, the threat against human rights and conflicts between unilateral hegemony of the USA and Europe. It examines the contemporary European experience and compares it with Asian reality with a view to implications for the future development of Asia. It also discusses regional integration as a framework for bringing stable peace, exploring detailed principles and specific forms of a regional community in Asia. Contributors from Europe and Asia critically review previous literature on this topic and suggest new theoretical and empirical grounds of regional community in Asia. The book takes the viewpoint of comparative civilization and experiences of European integration to offer meaningful lessons for the future of nation states and the possibility of building regional communities in Asia. *Globalization and Regional Integration in Europe and Asia* Nam-Kook Kim, 2009 This volume discusses the current trend of globalization and the main characteristics of world order focusing specifically on the destiny of the nation state, the threat against human rights and conflicts between unilateral hegemony of the USA and Europe. Comparative in nature, it offers meaningful lessons for the future of nation states and the possibility of building regional communities in Asia.

Europe and Asia P. Murray, 2008-10-23 Much more than a simple examination of EU-Asia relations, this book examines the idea that the EU may constitute a model for East Asian regionalism. It challenges specialists on the EU to understand the EU's impact on Asia and Asia's impact on the EU whilst illustrating that there is a commonality of interests in both Europe and Asia. *Regional Integration in Europe and Asia Compared*, 2007

The Palgrave Handbook of EU-Asia Relations Emil Kirchner, T. Christiansen, K. Jørgensen, Philomena B. Murray, 2016-11-09 The Handbook provides a comprehensive range of contributions on the relations between the EU and

Asia two regions undergoing significant changes internally yet also developing stronger relations in the context of an emerging multi polar world It collates some 40 contributions from various disciplines by contributors from throughout the world *Building Bridges Between Academia, Politics, and Media* Ludger Kühnhardt, 2025-04-29 Ludger Kühnhardt a globally active political scientist consultant and publicist provides vivid and personal insights into the people and sources that shaped him the thought paths he has followed and the impulses his work in research and teaching has triggered over decades A biographical workshop report of high authenticity bringing together what often appears unconnected in the midst of professional everyday life Insights that were ahead of their time are repeatedly illuminated from different perspectives and findings that have remained timelessly relevant are recalled A vividly written work biography about the inner driving forces and external contexts of a cosmopolitan public intellectual as an enlightening and advisory catalyst in the interplay of science politics and journalism The book reflects German European and global contemporary history from the mid 20th century to the third decade of the 21st century in a scholarly work and its classification as a testimony to political culture **The**

Economic Relations Between Asia and Europe Bernadette Andreosso-O'Callaghan, Jean-Pascal Bassino, Sam Dzever, Jacques Jaussaud, 2007-11-30 This book looks at the new configuration taken by Asia Europe economic relations It is set against the background of the inclusion of China in the WTO the growth of foreign investors from emerging Asian countries and the economic reforms in a number of crisis hit South East Asian economies It is written by a number of well established European and Asian scholars from the fields of economics as well as management The different chapters in the book highlight key contemporary issues from theoretical conceptual and empirical perspectives Provides an account of the key contemporary issues in the area of Asia Europe economic relations By its interdisciplinary connecting management with economics it shows how the linking of the different disciplines is essential to understand the key issues at stake in the area Can be used by students researchers as well as by practitioners *Comparative Regional Integration* Finn Laursen, 2010 This volume features up to date studies of regional integration efforts particularly those made in North America South America and East Asia Comparisons are drawn between these efforts and those made in the EU where integration has progressed much further The book asks what explains the variation in achievements What kind of agreements are needed to produce regional integration Is pooling and delegation of sovereignty necessary How important is regional leadership

Europe-Asia Interregional Relations Dr Bart Gaens, 2013-03-28 This book examines the interregional relations of the European Union with East Asia through the prism of the Asia Europe Meeting ASEM ASEM currently brings together 16 Asian countries the 27 member states of the European Union as well as the ASEAN Secretariat and the European Commission ASEM's ten year anniversary and the Sixth Summit in Helsinki prompted reflection on the forum's accomplishments in three dimensions of interaction its working methods democratic involvement public awareness and global strategic potential The volume provides an in depth evaluation of ASEM's first decade from a European perspective

including the achievements of the ASEM6 Summit and its implications for the future of the process It also analyzes the role of interregional interaction as a tool for EU foreign policy

Regionalism, Globalisation and International Order

Jens-Uwe Wunderlich,2016-03-23 New regionalism and globalization have been prominent themes in academic and political debates since the beginning of the 1990s Despite the considerable amount of scholarly attention that the new regionalism has received in recent years its full empirical and theoretical potential has yet to be fully investigated This illuminating study provides an overview of new avenues in theorizing regionalism and proposes a consolidated framework for analysis and comparison Offering a comparative historical perspective of European and Southeast Asian regionalism it presents new and imaginative insights into the theory and practice of regionalism and the links between regional developments globalization and international order
