

Sexual Identities

- Despite recent binary constructions of hetero- homo- and bi- sexualities, sexuality is far more complex, fluid and socially, historically and contextually contingent
- Since Kinsey, there has been growing recognition of the overlap between the hetero- and the homo- and of sexual fluidity in individual lives.
- Sexuality is contested: behaviour, orientation (innate or acquired), a strategic identity, an actual identity, with/out a politicised component, a broader ethos....
- Sexuality is plural, gendered, socially, temporally and spatially contingent.

Regulation Of Desire Homo And Hetero Sexualities

Laura A. Belmonte

Regulation Of Desire Homo And Hetero Sexualities:

The Regulation of Desire Gary William Kinsman, 1996 A substantial contribution to our understanding of the politics of same gender sexual relations Planning and LGBTQ Communities Petra L. Doan, 2015-03-24 Although the last decade has seen steady progress towards wider acceptance of lesbian gay bisexual transgendered and queer LGBTQ individuals LGBTQ residential and commercial areas have come under increasing pressure from gentrification and redevelopment initiatives As a result many of these neighborhoods are losing their special character as safe havens for sexual and gender minorities Urban planners and municipal officials have sometimes ignored the transformation of these neighborhoods and at other times been complicit in these changes Planning and LGBTQ Communities brings together experienced planners administrators and researchers in the fields of planning and geography to reflect on the evolution of urban neighborhoods in which LGBTQ populations live work and play The authors examine a variety of LGBTQ residential and commercial areas to highlight policy and planning links to the development of these neighborhoods Each chapter explores a particular urban context and asks how the field of planning has enabled facilitated and or neglected the specialized and diverse needs of the LGBTQ population A central theme of this book is that urban planners need to think beyond queer space because LGBTQ populations are more diverse and dispersed than the white gay male populations that created many of the most visible gayborhoods The authors provide practical guidance for cities and citizens seeking to strengthen neighborhoods that have an explicit LGBTQ focus as well as other areas that are LGBTQ friendly They also encourage broader awareness of the needs of this marginalized population and the need to establish more formal linkages between municipal government and a range of LGBTQ groups Planning and LGBTQ Communities also adds useful material for graduate level courses in planning theory urban and regional theory planning for multicultural cities urban geography and geographies of gender and sexuality

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose

research continues to advance gender studies into the future

Under the Rainbow Jeanette A. Auger, Kate Krug, 2020-07-10T00:00:00Z With contributions from Dayna B Daniels Judy Davidson Valda Leighteizer and Ross Higgins Under the Rainbow is a primer on the social and political history and the everyday practices and processes of living queer lives in Canada Framed through a life course perspective this book provides an overview of the historical and contemporary issues in the lives of gay lesbian bisexual trans and or queer folk The chapters in this text highlight the contributions of academics and community groups as well as individuals working on queer issues in Canada and focus primarily on contemporary Canadian material introducing readers to topics such as law history health education youth older persons end of life decisions social constructions of sexual identities sports transgender issues and issues experienced by lesbians and gay men living in Quebec

"I Could Not Speak My Heart" University of Regina. Canadian Plains Research Center, 2004 This anthology of 19 articles documents the pain misunderstanding that lesbian gay bisexual transgendered people have experienced in the very recent past and demonstrates the real progress both in theory in practice that has been made in the struggle for equity social justice The articles include autobiography testament fiction poetry and traditional personal analytic essays from authors with different intellectual perspectives human rights social reform human justice feminist liberationist and queer theory

AIDS Activist Ann Silversides, 2003 AIDS galvanized the politics of the gay community The groups Michael Lynch helped organize and his prescient articles in The Body Politic sent messages of resistance and hope across North America In telling his story and illuminating the issues Ann Silversides draws on Lynch s diaries letters and poems interviews with family friends and colleagues film and newspaper records and the papers of other leading AIDS activists

Grossières indécences Domenic Dagenais, 2020-07-23 Apr s avoir cofond la premi re revue homosexuelle canadienne la po te Elsa Gidlow 21 ans d cide de quitter Montr al en 1920 d ue par le manque de possibilit s amoureuses que lui offre alors la ville Le r seau d amis masculins homosexuels qu elle a int gr au cours des ann es pr c dentes ne manque toutefois pas d occasions de trouver des partenaires En effet m me si l homosexualit est consid r e comme un crime depuis l poque coloniale une culture gaie masculine qui tait pratiquement inexistante avant 1880 s est largement panouie depuis le d but du si cle Grossi res ind cences retrace les origines de cette culture clandestine complexe et fascinante Dominic Dagenais a consult rebours des archives produites en grande partie par la surveillance et la pers cution soit des dossiers judiciaires des articles de journaux de la correspondance des archives personnelles des publications m dicales et des dossiers d enqu tes publiques pour mettre au jour le contexte r pressif dans lequel les identit s homosexuelles contemporaines se sont construites et pour d couvrir les espaces publics investis par le monde homosexuel montr alais au tournant du XXe si cle Dans une ville marqu e par le fleurissement des loisirs commerciaux et les tr pidations de son quartier chaud des hommes mais aussi quelques femmes ont d ploy diverses strat gies pour se rencontrer et pour nouer des relations Des rencontres risqu es surviennent ainsi dans les rues ruelles magasins parcs th tres et toilettes publiques de la ville Un monde homosexuel

riche et diversifié prend forme. Montré au tournant du XXe siècle en dépit d'une surveillance policière de plus en plus laborieuse et des lourdes sanctions pénales auxquelles s'exposent les individus se livrant des rapports homosexuels considérés alors comme une grosse indécence et comme le pire des vices. Ce livre documente son histoire inédite. **The International LGBT Rights Movement** Laura A. Belmonte, 2020-12-10 During the past four decades the international lesbian gay bisexual and transgender rights movement has made significant advances but millions of LGBT people continue to live in fear in nations where homosexuality remains illegal. The International LGBT Rights Movement offers a comprehensive account of this global force from its origins in the mid nineteenth century to its crucial place in world affairs today. Belmonte examines the movement's goals, the disputes about its mission and its rise to international importance. The International LGBT Rights Movement provides a thorough introduction to the movement's history, highlighting key figures, controversies and organizations. With a global scope that considers both state and non state actors, the book explores transnational movements to challenge homophobia while also assessing the successes and failures of these efforts along the way. **Who's Who in**

Contemporary Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2020-10-28 First published in 2004. With subjects drawn from politics, the arts and popular culture. Who's Who in Contemporary Gay Lesbian History includes 500 entries from a large team of expert international contributors. The geographical scope takes in the whole of the Western world. Includes fascinating information about little known figures as well as cult icons from World War II to the present day.

No Place for the State Christopher Dummitt, Christabelle Sethna, 2020-04-15 There's no place for the state in the bedrooms of the nation. Pierre Elliott Trudeau told reporters. He was making the case for the most controversial of his proposed reforms to the Criminal Code: those concerning homosexuality, birth control and abortion. In *No Place for the State*, contributors offer complex and often contrasting perspectives as they assess how the 1969 Omnibus Bill helped shape sexual and moral politics in Canada by examining the bill's origins, social implications and repercussions. The new legal regime had significant consequences for matters like adoption, divorce and suicide. After the bill passed, a great many Canadians continued to challenge how sexual behaviour was governed, demanding much more exhaustive changes to the law. Fifty years later, the origins and legacies of the bill are equivocal and the state still seems interested in the bedrooms of the nation. This incisive study explains why that matters. *Essays in the History of Canadian Law, Volume X* J. Phillips, R. Roy

McMurtry, John T. Saywell, 2008-09-18 Covering a broad range of topics, this volume examines developments over the last two hundred years in the legal profession and the judiciary, nineteenth century prison history as well as the impact of the 1815 Treaty of Paris. **Essays in the History of Canadian Law** J. Phillips, R. Roy, McMurtry, John T. Saywell, 2008-09-18 Written to honour the life and work of the late Peter N. Oliver, the distinguished historian and editor in chief of the Osgoode Society for Canadian Legal History from 1979-2006, this collection assembles the finest legal scholars to reflect on the issues in and development of the field of legal history in Canada. Covering a broad range of topics, this volume examines developments over

the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris The introduction also provides insight into the history of the Osgoode Society and of Oliver's essential role in it along with an illuminating analysis of the Society's publications program which produced sixty six books during his tenure A fitting tribute to one of the foremost legal historians this tenth volume of *Essays in the History of Canadian Law* is a significant contribution to the discipline to which Oliver devoted so much

Who's Who in Contemporary Gay and Lesbian History Vol.2 Robert Aldrich, Garry Wotherspoon, 2005-07-25 *Who's Who in Contemporary Gay and Lesbian History* From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time

God's Beloved Queer Rolf R. Nolasco Jr., 2019-07-29 The book re-centers the conversation back to what I believe anchors our identity and inspires our ways of being living and loving That is we all are beloved children of the Triune God whose image and likeness we bear hence we all are God's beloved queers primed to flourish in more ways than we can ever dare to imagine for ourselves I have drawn from a wide range of disciplines pastoral theology spirituality counseling psychology affective neuroscience anthropology to offer a more nuanced description of what it means as queer folks to be sacred icons of God like everyone else offering multifarious windows into the spacious gratuitous and transforming love of God It also explores with penetrating detail the inner psychological and spiritual terrain of our queer lives along with spiritual practices that will help support our flourishing

Prairie Fairies Valerie J. Korinek, 2018-01-01 *Prairie Fairies* draws upon a wealth of oral archival and cultural histories to recover the experiences of queer urban and rural people in the prairies Focusing on five major urban centres Winnipeg Saskatoon Regina Edmonton and Calgary *Prairie Fairies* explores the regional experiences and activism of queer men and women by looking at the community centres newsletters magazines and organizations that they created from 1930 to 1985 Challenging the preconceived narratives of queer history Valerie J Korinek argues that the LGBTIQ community has a long history in the prairie west and that its history previously marginalized or omitted deserves attention Korinek pays tribute to the prairie activists and actors who were responsible for creating spaces for socializing politicizing and organizing this community both in cities and rural areas Far from the stereotype of the isolated insular Canadian prairies of small towns and farming communities populated by faithful farm families *Prairie Fairies* historicizes the transformation of prairie cities and ultimately the region itself into a predominantly urban and diverse place

Queerly Canadian, Second Edition Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada's leading sexuality studies scholars

examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada

FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers

The Perils of Pedagogy Brenda Longfellow, Scott Mackenzie, Thomas Waugh, 2013-05-09 The first book to examine the works of controversial film and video maker queer activist and agent provocateur John Greyson

Queer Mobilizations Manon Tremblay, 2015-05-15 Ever since certain homosexual acts were decriminalized in 1969 queer activists have fought for and won a series of public policy battles in governments across Canada As *Queer Mobilizations* shows anti discrimination legislation the extension of benefits to same sex couples the right to marry adoption rights and the protection of gay straight alliances in schools did not result from a single act nor from the work of a single organization but rather from the concerted efforts of many people in many places over many years This volume examines the relationships between LGBTQ activists and local provincial and federal governments The contributors explore how various governments have tried to regulate and repress LGBTQ movements and how in turn queer activists have successfully shaped public policy across the political spectrum from city halls to the House of Commons

Intimate Integration Allyson Stevenson, 2020-12-07 Privileging Indigenous voices and experiences *Intimate Integration* documents the rise and fall of North American transracial adoption projects including the Adopt Indian and M tis Project and the Indian Adoption Project Allyson D Stevenson argues that the integration of adopted Indian and M tis children mirrored the new direction in post war Indian policy and welfare services She illustrates how the removal of Indigenous children from their families and communities took on increasing political and social urgency contributing to what we now call the Sixties Scoop Making profound contributions to the history of settler colonialism in Canada *Intimate Integration* sheds light on the complex reasons behind persistent social inequalities in child welfare

Whose National Security? Gary Kinsman, Dieter K. Buse, Mercedes Steedman, 2000-10-01 Would you believe that RCMP operatives used to spy on Tupperware parties In the 1950s and 60s they did They also monitored high school students gays and lesbians trade unionists left wing political groups feminists consumer s associations Black activists First Nations people and Quebec sovereigntists The establishment of a tenacious Canadian security state came as no accident On

the contrary the highest levels of government and the police along with non governmental interests and institutions were involved in a concerted campaign The security state grouped ordinary Canadians into dozens of political stereotypes and labelled them as threats Whose National Security probes the security state s ideologies and hidden agendas and sheds light on threats to democracy that persist to the present day The contributors varied approaches open up avenues for reconceptualizing the nature of spying

Reviewing **Regulation Of Desire Homo And Hetero Sexualities**: Unlocking the Spellbinding Force of Linguistics
