The Reign and Rejection of King Saul V. Philips Long, 1989 The Reign and Rejection of King Saul Volney Philips Long, 1987 **Saul in Story and Tradition** Carl S. Ehrlich, Marsha C. White, 2006 The character of Saul and his place within the history theology and ideology of ancient Israel have fascinated interpreters for centuries This book surveys the field of Saul studies It includes in the first instance essays detailing Saul's place within the biblical narrative and its constituent parts such as the Deuteronomistic History and the Chronicler's work The possibility of identifying a Saulide period in the archaeological record is also discussed A number of essays look at more specific themes and passages within the Saul cycle such as his heroic nature kingship war and literary balance The final section of the book looks at the place of Saul within the post biblical interpretative traditions with essays devoted to Saul in the works of Josephus in midrashic literature in the Qur'an in selected European literary texts in the western artistic tradition and in Handel's oratorio Saul

King Saul in the Historiography of Judah Diana Vikander Edelman, 1991-09-01 A sustained close reading of 1 Samuel 8 to 2 Samuel 1 from the perspective of the intended ancient audience A conscious effort is made here to read and understand the text through the eyes of an ancient Israelite to the extent that the world view and idioms of late seventh century Judah can be

reconstructed The study reveals a coherent carefully developed narrative of Saul's career as the first king of Israel *The King-Priest in Samuel* Nicholas Majors, 2023-05-23 Scholars studying the ANE have noticed that Canaanite kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the nations Deut 17 14 but he shapes the monarchy according to his covenant A key question remains does God's allowance for a king like all the nations include a king priest model This study presents a synchronic view of the king as a priest within the MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom the narrator describes as both king 1 Sam 2 10 and priest 2 35 36 This study will argue that from the monarchy's inception Yahweh considered Israel's kingship a sacral task My study examined the king as a priest through a synchronic literary theological approach **God's Kingdom through His Priest-King** J. Alexander Rutherford, 2019-05-24 Though many studies have probed the significance of the Davidic Covenant 2 Sam 7 1 17 within the biblical canon few have endeavoured to explore its significance within the narrative of Samuel This thesis argues that by weaving references to God's promises made to David collectively known as the Davidic Covenant throughout his narrative that author of Samuel reveals God's will to strip away all human pretension by bringing His promises to fulfillment through the lowly David whose ascension to kingship and endurance therein is owing all to God In this way the author fulfills his purpose to demonstrate God's sovereign working in history to establish His kingdom on earth through His chosen priest king a descendant of David in fulfillment of the promises He made beforehand Engaging in a literary close reading of the text of Samuel the author shows how the narrative of Samuel is shaped towards this end **An Old Testament Theology** Bruce K. Waltke, 2007 An Old Testament theology by a leading Old Testament scholar who combines a technical with a spiritual understanding of the Old Testament *The Promise-Plan of God* Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect **The Catholic Bible, Personal Study Edition** Jean Marie Hiesberger, 2006-12 The essential resource for Scripture students Cover
