Reiki And The Seven Chakras:

Reiki And The Seven Chakras Richard Ellis, 2009-05-04 Reiki is a unique system of healing that allows you to harness and transmit energy through your hands restoring balance and harmony within the body and bringing relief to a wide range of physical and emotional problems This book by renowned Reiki teacher Richard Ellis illustrates all the hand positions used for the first level of Reiki but it goes much further and shows them in their relation to the seven chakras Chakras are the main energy points of the body and provide the anatomy of energy healing These are different for everyone and so to practise Reiki effectively you need to understand a person's chakras which will in turn explain the type of person they are and the health problems they are vulnerable to For example one person may have an excessive first chakra making them prone to obesity or digestive problems and to pessimism while another may be deficient making them vulnerable to anorexia and restlessness You would therefore approach these two people differently Reiki and the Seven Chakras captures the feeling of wonder that surrounds Reiki but it is also an immensely practical guide So many of the current books on Reiki are very dry following a formula of detailing the history of Reiki healing and then showing you how to do it This one breaks the mould and is written from a very personal point of view which makes it incredibly interesting to read and also very accessible essential if you are to understand the true nature and potential of Reiki Reiki and the Seven Chakras Kindl R. Ellis, 2009-12-23 Crystal and Reiki for The Seven Chakras Rachel Forest, 2021-06-24 Have you suffered from mental illnesses or are unable to sleep at night Or perhaps are you constantly tired and lack energy within your body Your Customers Will Never Stop To Use This Amazing Book Your days of having an unhealthy body and mind are over With the power of crystals you will be able to set yourself on the right path to success whether it is within your body or your environment Crystals can help you achieve anything including attracting love abundance healing and money If you are interested in crystals the universe healing not only yourself but others around you and bringing everlasting peace to society then this book is for you Crystals have been around for as long as time itself The Greeks had a strong belief that these stones were a gift from the Gods and Goddesses and that each crystal had different magical properties such as healing the body manifesting one's dreams protection guidance and so many other things These gemstones can be used to heal the body mind and spirit as well as pushing one on their destined spiritual path In this book you will be provided with all sorts of information relating to crystals their power and how you could use them to your advantage It will also explore countless crystals and their effect on the body both physically and mentally And not only that but you can also use Reiki to influence different events in the future and the past get rid of feelings of anxiety or other mental and physical issues and even balance your chakras Reiki is a healing energy that was discovered back in ancient Japan in 1865 by Mikao Usui This healing energy can heal any physical problems within the body as well as the mental problems within the mind such as anxiety depression and negative thinking which play an important role in the body's health This book will point you in the right direction when it comes to spiritual growth personal growth and
