have consistently been depicted as responsible for their own oppression to justify slavery Jim Crow mass incarceration and gross inequality Goza s iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation s consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America s suffering But Rebirth of a Nation is not merely about accountability It is also about hope A reparations process is not a utopian dream Goza offers a practical path toward closing the racial wealth gap Rebirth of a Nation shows readers how they can join the reparative process working toward the creation of a more perfect union
