Reincarnation Evolutionary Path Of Soul:

Reincarnation Beverly H. Watson,1998-03-01 The Presence of the Soul John Payne,2012-06-01 The difficult task of making peace with an often tumultuous world is made simple with this unique spiritual guide to the human soul Through deeper understanding of the soul and its purpose inherited beliefs can be understood and overcome A number of practical exercises are provided to help cleanse the mind of these inhibiting loyalties The novel process of connecting with the souls of ancestors is also explained in depth and is shown to produce a remarkable healing power Ultimately a carefully transformed set of values will lead to an improved attitude towards life as a whole **Mysteries of Life, Death and Beyond** Patrick J. Conte MD PhD,2016-07-06 The book *Mysteries of Life Death and Beyond* illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra

Evolutionary Healing Barbara Sarter,2002 Taking both a spiritual and philosophical approach this book is a reflection of the author s quest to come to terms with the meaning of human suffering The book integrates ancient and modern philosophies of life with modern scientific discovery The author applies these philosophies with the process of healing and describes evolutionary healing as the evolution of one s consciousness through health and disease COMPLETE COURSE IN PAST LIVES THERAPY AND REGRESSION Marcel Souza, Written by renowned experts in the field of past life therapy this book offers a unique and comprehensive overview of the fundamental techniques principles and practices for exploring the mysteries of the past and unlocking the deep healing potential that resides within each of us Throughout the pages of this course you will be guided through step by step processes from understanding the theoretical foundations to the practical application of regression techniques Discover how to access deep memories understand recurring patterns and release emotional blockages that could be influencing your current life This book not only provides a comprehensive understanding of past life therapy but also offers engaging case studies practical exercises and valuable ideas to improve your therapy skills

Whether you are a professional looking to upskill or someone interested in exploring your own inner journey this comprehensive course is the key to opening the doors to the past and transforming your present Prepare yourself for an exciting and eye opening journey with the Complete Course in Past Life Therapy and Regression Free yourself from the shackles of the past and open the way to a more full conscious and meaningful life Get your copy now and begin your journey of self discovery and healing
