Reinterpreting The Banana Republic:

Reinterpreting the Banana Republic Dario A. Euraque, 1997 **First in the Family** Jessica Hoppe, 2024-09-10 An unflinching and intimate memoir of recovery by Jessica Hoppe Latinx writer advocate and creator of NuevaYorka A powerful thunderclap of a memoir Lilliam Rivera author of *Dealing in Dreams* A MOST ANTICIPATED BOOK OF 2024 Today.com LupitaReads Electric Literature Esquire Publishers Weekly In this deeply moving and lyrical memoir Hoppe shares an intimate courageous account of what it means to truly interrupt cycles of harm For readers of *The Recovering* by Leslie Jamison *Somebody's Daughter* by Ashley C Ford and *Heavy* by Kiese Laymon During the first year of quarantine drug overdoses spiked the highest ever recorded And Hoppe's cousin was one of them I never learned the true history of substance use disorder in my family Hoppe writes People just disappeared At the time of her cousin's death she'd been in recovery for nearly four years but she hadn't told anyone In *First in the Family* Hoppe shares her journey the first in her family to do so and takes the reader on a remarkable investigation of her family's history the American Dream and the erasure of BIPOC from recovery institutions and narratives leaving the reader with an urgent message of hope *The Legacies of Liberalism* James Mahoney, 2003-04-01 Winner of the Barrington Moore Jr Prize for the Best Book in Comparative and Historical Sociology from the American Sociological Association Winner of the Best Book Award in the Comparative Democratization Section from the American Political Science Association Despite their many similarities Central American countries during the twentieth century were characterized by remarkably different political regimes In a comparative analysis of Guatemala El Salvador Costa Rica Honduras and Nicaragua James Mahoney argues that these political differences were legacies of the nineteenth century liberal reform period Presenting a theory of path dependence Mahoney shows how choices made at crucial turning points in Central American history established certain directions of change and foreclosed others to shape long term development By the middle of the twentieth century three types of political regimes characterized the five nations considered in this study military authoritarian Guatemala El Salvador liberal democratic Costa Rica and traditional dictatorial Honduras Nicaragua As Mahoney shows each type is the end point of choices regarding state and agrarian development made by these countries early in the nineteenth century Applying his conclusions to present day attempts at market creation in a neoliberal era Mahoney warns that overzealous pursuit of market creation can have severely negative long term political consequences *The Legacies of Liberalism* presents new insight into the role of leadership in political development the place of domestic politics in the analysis of foreign intervention and the role of the state in the creation of early capitalism The book offers a general theoretical framework that will be of broad interest to scholars of comparative politics and political development and its overall argument will stir debate among historians of particular Central American countries **Banana Cultures** John Soluri, 2021-03-09 Bananas the most frequently consumed fresh fruit in the United States have been linked to Miss Chiquita and Carmen Miranda banana republics and Banana Republic clothing

stores everything from exotic kitsch to Third World dictatorships to middle class fashion But how did the rise in banana consumption in the United States affect the banana growing regions of Central America In this lively interdisciplinary study John Soluri integrates agroecology anthropology political economy and history to trace the symbiotic growth of the export banana industry in Honduras and the consumer mass market in the United States Beginning in the 1870s when bananas first appeared in the U S marketplace Soluri examines the tensions between the small scale growers who dominated the trade in the early years and the shippers He then shows how rising demand led to changes in production that resulted in the formation of major agribusinesses spawned international migrations and transformed great swaths of the Honduran environment into monocultures susceptible to plant disease epidemics that in turn changed Central American livelihoods Soluri also looks at labor practices and workers lives changing gender roles on the banana plantations the effects of pesticides on the Honduran environment and people and the mass marketing of bananas to consumers in the United States His multifaceted account of a century of banana production and consumption adds an important chapter to the history of Honduras as well as to the larger history of globalization and its effects on rural peoples local economies and biodiversity

Marijuana Boom Lina Britto, 2020-03-24 Before Colombia became one of the world's largest producers of cocaine in the 1980s traffickers from the Caribbean coast partnered with American buyers in the 1970s to make the South American country the main supplier of marijuana for a booming US drug market fueled by the US hippie counterculture How did Colombia become central to the creation of an international drug trafficking circuit Marijuana Boom is the story of this forgotten history Combining deep archival research with unprecedented oral history Lina Britto deciphers a puzzle Why did the Colombian coffee republic a model of Latin American representative democracy and economic modernization transform into a drug paradise and at what cost

Roots of Resistance Suyapa G. Portillo Villeda, 2021-03-16 Winner of the 2021 Sara A Whaley Prize of the National Women's Studies Association NWSA A first of its kind study of the working class culture of resistance on the Honduran North Coast and the radical organizing that challenged US capital and foreign intervention at the onset of the Cold War examining gender race and place On May 1 1954 striking banana workers on the North Coast of Honduras brought the regional economy to a standstill invigorating the Honduran labor movement and placing a series of demands on the US controlled banana industry Their actions ultimately galvanized a broader working class struggle and reawakened long suppressed leftist ideals The first account of its kind in English *Roots of Resistance* explores contemporary Honduran labor history through the story of the great banana strike of 1954 and centers the role of women in the narrative of the labor movement Drawing on extensive firsthand oral history and archival research Suyapa G Portillo Villeda examines the radical organizing that challenged US capital and foreign intervention in Honduras at the onset of the Cold War She reveals the everyday acts of resistance that laid the groundwork for the 1954 strike and argues that these often overlooked forms of resistance should inform analyses of present day labor and community organizing *Roots of Resistance* highlights the

complexities of transnational company hierarchies gender and race relations and labor organizing that led to the banana workers strike and how these dynamics continue to reverberate in Honduras today

Latin American Politics and Development Harvey F. Kline, Christine J. Wade, 2022-08-23 For over forty years Latin American Politics and Development has kept instructors and students abreast of current affairs and changes in Latin America Now in its tenth edition this authoritative yet accessible introduction has been updated throughout Organized on a country by country basis Latin American Politics and Development offers instructors maximum flexibility in organizing courses Revisions to the Tenth Edition include An updated theoretical framework to explain changes in the region including discussions of electoral systems and political actors Discussions on presidential parliamentary and municipal election cycles throughout the region from 2017 through early 2022 Coverage of the COVID 19 pandemic Examination on the regional decline in democratic norms and practices A look at the impact of the Trump administration on regional relations including the decline in democracy Updates on race Indigenous groups women Afro Latin Americans contemporary social movements religious and other non elite groups

The Ends of Paradise Christopher Loperena, 2022-11-15 The future of Honduras begins and ends on the white sand beaches of Tela Bay on the country's northeastern coast where Garifuna a Black Indigenous people have resided for over two hundred years In The Ends of Paradise Christopher A Loperena examines the Garifuna struggle for life and collective autonomy and demonstrates how this struggle challenges concerted efforts by the state and multilateral institutions such as the World Bank to render both their lands and their culture into fungible tourism products Using a combination of participant observation courtroom ethnography and archival research Loperena reveals how purportedly inclusive tourism projects form part of a larger neoliberal extractivist development regime which remakes Black and Indigenous territories into frontiers of progress for the mestizo majority The book offers a trenchant analysis of the ways Black dispossession and displacement are carried forth through the conferral of individual rights and freedoms a prerequisite for resource exploitation under contemporary capitalism By demanding to be accounted for on their terms Garifuna anchor Blackness to Central America a place where Black peoples are presumed to be nonnative inhabitants and to collective land rights Steeped in Loperena's long term activist engagement with Garifuna land defenders this book is a testament to their struggle and to the promise of another world in which Black and Indigenous peoples thrive

Working Hard, Drinking Hard Adrienne Pine, 2008-05-07 Honduras is violent Adrienne Pine situates this oft repeated claim at the center of her vivid and nuanced chronicle of Honduran subjectivity Through an examination of three major subject areas violence alcohol and the export processing maquiladora industry Pine explores the daily relationships and routines of urban Hondurans She views their lives in the context of the vast economic footprint on and ideological domination of the region by the United States powerfully elucidating the extent of Honduras's dependence She provides a historically situated ethnographic analysis of this fraught relationship and the effect it has had on Hondurans understanding of who they are The result is a rich and visceral portrait of

a culture buffeted by the forces of globalization and inequality The Oxford Handbook of Central American History Robert H. Holden, 2022 Leading scholars of Central America offer critical analyses of major themes in the historiography of this seven country region of Latin America Chapters engage both the novice s search for basic orientation and context and the experienced scholar s interest in evaluative critiques of the historical literature
