Relationship Learning A Primer In Christian Education:

Relationship Learning C. Doug Bryan, 1990 Following the Lamb Keith T. Marriner II, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost A Primer In Integration: Synthesizing Theology and the Social Sciences for Christian Education Harley Atkinson, 2018-10-02 This is a primer on doing integration in Christian education employing a complementary model *Teaching for Reconciliation* Ronald Habermas, Ronald T.
