Religion And Doubt Toward A Faith Of Your Own:

Religion and Doubt Richard E. Creel, 1977 A conceptual view of religious faith and growth this volume explores the nature of religion and its relevance to human existence *The Entangled Trinity* Ernest L. Simmons, 2014 The Doctrine of the Trinity is an exercise in wonder It is drawn from the wonder of our own existence and the diverse experiences of the divine encountered by the early Christian community From the earliest days of Christianity theologians of the church have drawn upon the most sophisticated language and understandings of their time in an attempt to clarify and express that faith In this volume Ernest Simmons asks what the current scientific understanding of the natural world might contribute to our reflection upon the relationship of God and the world in a Trinitarian fashion **Encyclopedia of Christian Education** George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Kierkegaard and the Concept of Religious Authorship Keith H. Lane, 2010 Keith H Lane examines Søren Kierkegaard's concept of religious authorship and argues for Kierkegaard's status as a religious author He elucidates how such authorship may have similarities to philosophical authorship particularly philosophy as envisioned by Ludwig Wittgenstein and wherein the two differ Starting with Kierkegaard's Concluding Unscientific Postscript and giving special attention to The Point of View and other later writings Lane investigates aspects of thought and expression that may be unique to religious authorship and explores the particular constraints challenges and opportunities for one who writes from within a framework of religious belief and commitment including such issues as protectionism apologetics persuasion and the

tension between certainty and uncertainty that attends religious authorship The Concept of Faith William Lad Sessions,1994 Faith lies at the heart of human life and not just in religious contexts But just what is faith In this book William Lad Sessions ventures a new approach to this age old problem Viewing it in global terms he provides an effective and insightful set of analytical tools for deepening our understanding of the ideas of belief *Fifty Years of Philosophy of Religion: A Select Bibliography (1955-2005)* Andy Sanders,Kristof de Ridder,2007-06-28 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1978 **Finding God Beyond Religion** Tom Stella,2013-03-01 Take Your Understanding of Church Teachings from Limiting to Life Giving Free Your Faith to Flourish No longer sustained by easy answers we may find ourselves standing before a three pronged fork in the road we can wander in the direction of conventional beliefs and practices we can reject God and turn away from religion altogether or we can embrace our uncertainty as an invitation to a more vital understanding of both God and religion from the Introduction Do you describe yourself as spiritual but not religious Whether young or old church connected or not are you spiritually restless for an authentic faith life but do not find conventional religious teachings pertinent to you This accessible guide to a meaningful spiritual life is a salve for your soul It reinterprets traditional religious teachings central to the Christian faith God Jesus faith prayer morality and more in ways that connect with people who have outgrown the beliefs and devotional practices that once made sense to them It helps you find new ways to understand and relate to traditional narrowly defined Christian truths that honor their full spiritual power and scope and opens your mind and heart to the full impact of Christian teachings

Indifference to Religion Jean-Pierre Jossua,Claude Geffré,1983 **Doubting Toward Faith** Bobby Conway,2015-09-01 Contrary to popular belief doubt is not the opposite of faith Rather doubts call for an important decision

will you give in to unbelief or will you continue the journey toward faith Doubt can lead to confusion hopelessness and despair But as this eye opening book demonstrates doubts can also deepen your dependence on God develop your sense of empathy for others and motivate you to find satisfying answers to life s biggest questions Here you ll find practical ways to use your doubts to build your faith such as letting your doubts drive you to Jesus finding a safe community where you can doubt out loud and find support using a journal to clarify your doubts and the answers you find No one can eliminate all doubt this side of heaven So for now discover how to use your doubts to keep you headed in the right direction toward faith
