Religion And Identity In Modern Russia The Revival Of Orthodoxy And Islam:

Religion and Identity in Modern Russia Juliet Johnson, Marietta Stepaniants, Benjamin Forest, 2017-03-02 Focusing on the roles of Russian Orthodoxy and Islam in constituting challenging and changing national and ethnic identities in Russia this study takes Tsarist and Soviet legacies into account paying special attention to the evolution of the relationship between religious teachings and political institutions through the late 19th and 20th centuries The volume explicitly discusses and compares the role of Russia's two major religions Orthodoxy and Islam in forging identity in the modern era and brings an innovative blend of sociological historical linguistic and geographic scholarship to the problem of post Soviet Russian identity This comprehensive volume is suitable for courses on post Soviet politics Russian studies religion and political culture

The Religious Factor in Russia's Foreign Policy Alicja Curanović, 2012-03-15 This book examines how religion interacts with Russian foreign policy arguing that religion is an important and neglected factor in shaping Russia's outlook towards international relations It surveys the importance of religion for social life in Russia both historically and at present and considers a wide range of Russian attitudes which are affected by religion such as Russian nationalism notions of Slavic solidarity the divine mission of Russian Orthodox civilisation Russian imperialism Russia's special approach towards Islam The book discusses how religious organizations especially the Russian Orthodox Church operate in international relations pursuing their own interests and those of the Russian state explores how religious ideas and culture linked to religion impinge on Russian attitudes and identity and thereby affect policy and demonstrates how policy influenced by religion impacts on Russian foreign policy in practice in a wide range of examples including Russia's relations with other orthodox countries non orthodox Western countries Muslim countries Israel and the Vatican Beyond Doubt Isabella Kasselstrand, Phil Zuckerman, Ryan T. Cragun, 2023-05-09 By formalizing secularization theory and providing robust empirical evidence that religion is declining in light of modernization Beyond Doubt is the strongest argument to date for secularization around the world addressing common criticisms and claimed exceptions along the way **Soviet and Post-Soviet**

Identities Mark Bassin, Catriona Kelly, 2012-04-26 Since the Soviet Union collapsed in 1991 questions of identity have dominated the culture not only of Russia but of all the countries of the former Soviet bloc This timely collection examines the ways in which cultural activities such as fiction TV cinema architecture and exhibitions have addressed these questions and also describes other cultural flashpoints from attitudes to language to the use of passports It discusses definitions of political and cultural nationalism as well as the myths institutions and practices that moulded and expressed national identity From post Soviet recollections of food shortages to the attempts by officials to control popular religion it analyses a variety of unexpected and compelling topics to offer fresh insights about this key area of world culture Illustrated with numerous photographs it presents the results of recent research in an accessible and lively way *The Oxford Handbook of European Islam* Jocelyne Cesari, 2015 For centuries Muslim countries and Europe have engaged one another through theological

dialogues diplomatic missions political rivalries and power struggles In the last thirty years due in large part to globalization and migration from Islamic countries to the West what was previously an engagement across national and cultural boundaries has increasingly become an internalized encounter within Europe itself Questions of the Hijab in schools freedom of expression in the wake of the Danish Cartoon crisis and the role of Shari'a have come to the forefront of contemporary European discourse The Oxford Handbook of European Islam is the first collection to present a comprehensive approach to the multiple and changing ways Islam has been studied across European countries Parts one to three address the state of knowledge of Islam and Muslims within a selection of European countries while presenting a critical view of the most up to date data specific to each country These chapters analyze the immigration cycles and policies related to the presence of Muslims tackling issues such as discrimination post colonial identity adaptation and assimilation The thematic chapters in parts four and five examine secularism radicalization Shari'a Hijab and Islamophobia with the goal of synthesizing different national discussion into a more comparative theoretical framework The Handbook attempts to balance cutting edge assessment with the knowledge that the content itself will eventually be superseded by events Featuring eighteen newly commissioned essays by noted scholars in the field this volume will provide an excellent resource for students and scholars interested in European Studies immigration Islamic studies and the sociology of religion

Muslims in Putin's Russia Simona E. Merati, 2017-06-01 This book offers a novel interpretation of Russian contemporary discourse on Islam and its influence on Russian state policies It shifts the analytical perspective from the discussion about Russia's Islam as a potential security threat to a more comprehensive view of the relationships of Muslims with Russia as a state and a civilization The work demonstrates how many Muslims increasingly express a sense of belonging to Russia and are increasingly willing to contribute to state building processes

Imagine There's No Heaven Mitchell Stephens, 2014-02-25 The historical achievements of religious belief have been large and well chronicled But what about the accomplishments of those who have challenged religion Traveling from classical Greece to twenty first century America *Imagine There's No Heaven* explores the role of disbelief in shaping Western civilization At each juncture common themes emerge by questioning the role of gods in the heavens or the role of a God in creating man on earth nonbelievers help move science forward By challenging the divine right of monarchs and the strictures of holy books nonbelievers including Jean Jacques Rousseau and Denis Diderot help expand human liberties and influence the early founding of the United States Revolutions in science in politics in philosophy in art and in psychology have been led on multiple occasions by those who are free of the constraints of religious life Mitchell Stephens tells the often courageous tales of history's most important atheists like Denis Diderot and Salman Rushdie Stephens makes a strong and original case for their importance not only to today's New Atheist movement but to the way many of us believers and nonbelievers now think and live

Living Soviet in Ukraine from Stalin to Maidan Michael T. Westrate, 2016-04-29 What the world is now witnessing in Ukraine is the cumulative effect of history and memory in the lives of the people of the region and this book directly addresses those subjects Although the majority of scholarship on the Soviet Union focuses on top level political and intellectual elites these groups were only tiny minorities What was life like for the rest of society What was it like for the vast population that usually supported the regime mostly accepted the rules essentially internalized the ideology and generally made the same choices as their neighbors and friends What was it like to live Soviet as the USSR hit its peak as a superpower and then fell apart What was it like to live Soviet in Ukraine in the decade after independence This book answers those questions It is an oral history of a group of military colonels and their wives children and contemporaries covering their lives from childhood to the present During this period these military families went from comfortable economic circumstances professional prestige and political influence as part of the Soviet upper stratum to destitution and disgrace in the 1990s Today many of them are part of Europe's largest ethnic minority Russians in Ukraine The geographic focus is Kharkiv the second largest city in Europe's second largest country a Russian speaking city in eastern Ukraine Based on 3 000 pages of interview transcripts and supplemented with materials gleaned from unprecedented access to personal family and institutional archives the book investigates how families endured shifting social cultural and political realities By analyzing the lives of individuals in context Westrate provides insights at the grassroots level He reveals how ideological professional gender ethnic and national imperatives as developed and transmitted by elites were internalized transformed or rejected by the rank and file He reveals how the subjective identities of individuals and small groups developed and changed over time and how that process relates to the parallel projects pursued by the leaders of their countries In the process he shows what those experiences have to offer the study of Soviet post Soviet and transnational history bridging the boundaries created by the collapse of the USSR and exploring the foundations of both twenty first century Ukraine and today's conflicts

Religion, Morality, and Community in Post-Soviet Societies Mark D. Steinberg, Catherine Wanner, 2008-11-13 This collection reveals the presence and power of religious belief and practice in public life after the demise of Soviet socialism Based on recent research and interdisciplinary methodologies *Religion Morality and Community in Post Soviet Societies* examines how religious organizations and individuals engage the changing and troubled environment in which they live which presents expanded civil freedom but much everyday uncertainty unhappiness injustice and suffering Page 4 of cover
