Religion And Politics In The International System Today:

Religion and Politics in the International System Today Eric O. Hanson, 2006-01-16 Publisher Description **Religion and Politics in International Relations** Timothy Fitzgerald, 2011-10-27 Scholars in International Relations concerned with religion and its relations to world politics are rhetorically constructing a powerful modern myth A component of this myth is that religion is inherently violent and irrational unless controlled by the secular state which is inherently rational and only reluctantly violent Timothy Fitzgerald discusses how in this modern myth religion appears as a force of nature which either assists or threatens the sacred secular order of things and how religion is portrayed as a kind of universal essence which takes many forms its recent most dangerous manifestation being Islamic terrorism This book illustrates that the essential distinction between irrational religion and rational secular politics appears as an unquestioned preconception on the basis of which policy is conducted countries invaded and wars fought Arguing that this rhetorical construction of religion provides the foundation for faith in the rationality of modern liberal capitalism Fitzgerald demonstrates how a historically contingent discourse has been transformed into a powerful set of global assumptions Routledge Handbook of Religion and Politics ,

Religion and Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

International Relations and Islam Nassef Manabilang Adiong, 2014-03-17 *International Relations and Islam Diverse Perspectives* presents the idea of finding a middle way or common ground of understanding between two bodies of knowledge conceived from two different hemispheres of the world namely International Relations IR a social science discipline conceived in the UK and the US the West and Islam or Islamic Studies which was conceived in the Arab world and developed in Iran Pakistan Turkey Malaysia Indonesia and many non Arab countries The book is divided into two main sections the first being general perspectives from different backgrounds or cases concerning Islam The second part specifically examines Turkey offering various perspectives on the significance of this country and its democratic experience

The contributions included in this volume range from discussions on the Islamic veil and its associated stereotypes to an article on Islamic feminism Other subjects discussed include the issues of Muslim integration Turkey s international relations and Islam s relationship with democracy in addition to a biographical representation of the current Minister of Foreign Affairs of Turkey Ahmet Davuto lu detailing his scholarship and its impact on Turkey s foreign policy This edited book is part of the mission vision of the IR IS Research Cohort an e networking community interested in advancing comparative research between International Relations and Islamic Studies Contributors Jessica L Daniels Didem Do any Imaz G khan Duman Alessandra L Gonz lez tar G zayd n and Ari Varon

Religion, Politics and International Relations Jeff

Haynes,2011-04-07 Bringing together in one collection his most influential essays spanning two decades of research Jeffrey Haynes seeks to explore the complex relationship between religion politics and international relations

Towards A New Christian Political Realism Simon Polinder,2024-07-24 Towards A New Christian Political Realism presents a new theoretical approach to understanding the role of religion in international relations considering the strengths of Christian realism classical realism and neorealism as well as the literature about the relevance of religion for IR The book discusses the resurgence of religion and how it has become public in the world since around the 1960s It extensively describes the role religion plays in Hans Morgenthau s classical realism and Kenneth Waltz s neorealism and how both thinkers are indebted to an Augustinian way of thinking that has influenced political realism through Reinhold Niebuhr s Christian realism The book presents an alternative approach inspired by the Amsterdam School of Philosophy a new Christian political realism It incorporates the theological inspiration of political realism and the necessity of theorizing while doing justice to the relevance and manifold manifestations of religion in international relations This book will be of interest to scholars and higher level students of International Relations the Amsterdam School of Philosophy Classical Realism Neorealism Christian Realism and Religious Studies as well as practitioners working in the field of International Relations

The Politics of Secularism in International Relations Elizabeth Shakman Hurd,2009-01-10 Conflicts involving religion have returned to the forefront of international relations And yet political scientists and policymakers have continued to assume that religion has long been privatized in the West This secularist assumption ignores the contestation surrounding the category of the secular in international politics The Politics of Secularism in International Relations shows why this thinking is flawed and provides a powerful alternative Elizabeth Shakman Hurd argues that secularist divisions between religion and politics are not fixed as commonly assumed but socially and historically constructed Examining the philosophical and historical legacy of the secularist traditions that shape European and American approaches to global politics she shows why this matters for contemporary international relations and in particular for two critical relationships the United States and Iran and the European Union and Turkey The Politics of Secularism in International Relations develops a new approach to religion and international relations that challenges realist liberal and constructivist assumptions that religion has been excluded from

politics in the West The first book to consider secularism as a form of political authority in its own right it describes two forms of secularism and their far reaching global consequences God and Global Order Jonathan Chaplin,2010 and for the larger global order Chris Seiple President Institute for Global Engagement and Publisher of The Review of Faith International Affairs **Religion and International Relations** K.R. Dark,2000-01-26 Discussions of religion in international relations have often focused narrowly on religious fundamentalism and on the potentially negative consequences of religious differences This book attempts to take a more balanced and much broader view of the subject bringing together new research based studies by specialists from international relations history and theology Case studies and thematic analyses examine both seldom discussed issues such as the political consequences of large scale religious change and review old themes in new ways
